

Arkansas Biosciences Institute
Arkansas State University
Core User Fees - effective 1/1/17

Imaging Lab - \$350.00 per month

Nikon Upright Microscope, Eclipse E800

Roper Scientifics Camera for microscope. Attached to Nikon E800 microscope, CoolSnap HQ Photometrics
Computer workstation w/Nikon Elements software

Nikon Inverted Microscope, Eclipse TE2000u (T-DH)

Nikon Digital camera (DS cooled camera head), attached to Nikon microscope, DS-Qi1Mc
Nikon Digital color camera + workstation & Nikon Elements software, attached to Nikon microscope, DS-Fi2
Lumen Dynamics Group Inc. Light source, attached to Nikon microscope TE2000u, X-Cite 120 LED (Model
XT120L) Computer workstation w/Nikon Elements software

Zeiss Inverted Microscope, Axiovert 200M

Ludl Electronic Confocal cell imaging microscopy kit CARV II. Attached to Zeiss microscope, 136940
The Cooke Corporation PCO Digital camera for microscope, microsc, SensiCam QE.

Nikon Stereoscope with lens HR Plan Apo 0.5X, WD 136 and White light fluorescent attachment (Micro-Lite® FL-100),
SMZ 1500

BD Bioimager, Pathway 855

Olympus Objective/lens - To use in conjunction with ASU 074615 system PLAN APO 60X 03 Apochromatic

Olympus Microscope w/infrared detection, upright w/Smiths Detection, Illuminat IR II FL, BX51TRF

Smith's Detection adapter (Infrared), ILLUMINAT IR II FL
Color View Camera, attached to Microscope Olympus

Leica Upright Microscope, DMR-type:020-525.732

Leica Digital camera for microscope, DFC340 FX

Nikon Stereoscope, SMZ 1500 (P-BERG)

Scion Corporation Color digital camera D100, attached to Nikon SMZ 1500, CFW-1312C

Nikon Stereoscope, SMZ 1000

Biotek Cytation 5 Biomager

CO2, Lens Paper, Ethanol, and immersion oil is provided.

No other supplies will be provided by ABI.
