Arkansas State University has the approval from the higher education agencies or via NC-SARA of the states listed in green/yellow to admit students to these programs. Unapproved programs are listed in red and denoted with an "X". As licensure requirements may change without notice, it is the responsibility of the student to confirm the requirements for licensure in his/her state as it applies to the participation in an out-of-state degree program. Programs denoted in Yellow on the above table indicate that Arkansas State University cannot confirm or has not yet confirmed if the program leads to licensure/certification in the respective State or has confirmed the program does not lead to licensure/certification in the respective State. An email will be sent to students for the latter upon admission stating the program will not lead to licensure/certification in their State. When completing your admissions application there will be a link to State Department of Education or equivalent contact information for these States. Students will need to contact their respective State agency to confirm the requirements for licensure in his/her State as it applies to the participation in an out-of-state degree program.
