TOTAL	303	50.8%	292	50.3%	595	50.6%

Notes:

Graduation rates represent only students who earned a degree within 150% of normal time for the student's program.

2009-10 is the most recent cohort for which 6-year graduation rates are available.

Anytime a cell containing cohort numbers includes only one or two students, the data in that cell will be suppressed so that no individual can be identified. The totals reflect the sum of both the suppressed and reported numbers.
