

SLOW MOVING VEHICLE SAFETY PROGRAM

**Paths, Parking
& Policy**

OBJECTIVES

- Gain Understanding of Policy
- Highlight Best Practices
- Review Designated Paths
- Review Parking
- Increase Participation

POLICY

- Where can I find it?
- Vehicles must display department/company name & vehicle number
- Blocking paths or parking at building entrances is prohibited
- Drive only on designated paths

POLICY

- Supervisors are responsible to ensure drivers are authorized to drive and complete training
- Arkansas motor vehicle laws apply
- National Highway Safety & Traffic Administration Standards apply
- Pedestrians ALWAYS have the right of way
- ADA accommodation is the ONLY written exception

BEST PRACTICES

- Seat belts
- Keep arms & legs inside the cab at all times
- Prohibit driving in certain areas during peak hours
- If caught out in high pedestrian traffic, stop
- Avoid driving on grass

PATHS

- **Current policy only addresses campus core**
- **Avoid traveling where only the cart will fit**
- **Take the long way**
- **Never park unattended in an emergency path**

PARKING

- Yellow stripes = Service parking
- White stripes = Turning radius, pedestrian crossing, passenger loading/unloading = No parking
- Red stripes/red curb = Fire lane
