WELCOME LETTER

Dear Students:

Welcome to Arkansas State University-Jonesboro, home of the Red Wolves! It is our great honor and privilege to provide you with the highest quality education and learning-living environment. We value your trust and strive continually to meet your needs to the very best of our ability.

This handbook contains information that each of you will need at some point in your academic career at ASU. I encourage you to familiarize yourself with it and refer to it often. The Student Handbook, along with the Undergraduate Bulletin, will provide answers to most of your questions, and will direct you to other resources if needed.

As ASU continues in its second century of providing excellence in education, we are proud to offer students quality residential, dining, and fitness/recreation facilities. Cultural, entertainment, and athletic events are available to you on campus throughout the year. I hope you will take the opportunity to be part of the many student clubs and organizations registered with our Student Leadership Center. If you don’t find a group that fits your interests, consider starting your own registered student organization.

I encourage you to focus on the pursuit of knowledge and to become involved with out-of-class activities that support development of leadership skills, decision-making abilities, and civic responsibility. Best wishes for a successful year in 2013-2014.

Sincerely,

William R. Stripling, Ph.D.
Vice Chancellor for Student Affairs

ACADEMIC CALENDAR

The academic calendar can be found online at the link provided above.

ABOUT ASU

Arkansas State University is a comprehensive, multiple-purpose regional university offering top-quality academic programs ranging from the associate degree to the doctorate. The Jonesboro campus has 487 full-time instructional faculty members, more than 13,800 students from 47 states and 59 countries, and more than 70,000 alumni.

The institution developed from one of four state agricultural schools established in 1909. It opened as a vocational high school in 1910 and was reorganized as a junior college in 1918. The legislature approved a name change to State Agricultural and Mechanical College in 1925, and a four-year degree program was initiated in 1930. The name became Arkansas State College in 1933, and in 1967 the legislature elevated the school to university status. Since 1967, the university has become an institution with a mission to educate leaders, enhance intellectual growth and enrich lives.

Arkansas State offers 45 degrees and advanced certificates in 158 undergraduate and graduate fields of study through 10 academic colleges, the Honors College, and the Department of Military Science. This includes 18 different master’s degrees in 53 areas, along with several pre-professional programs. The university also offers two specialist degrees in four fields, and three doctoral degrees in six fields, which include educational leadership, environmental science, heritage studies, molecular biosciences and physical therapy.

The university is the state’s leading provider of nursing graduates, early childhood educators and agriculture business graduates. Arkansas State offers top-ranked, nationally accredited programs in journalism, radio-television and speech communication. Degree programs in nursing and health professions are nationally accredited, and clinical affiliations with more than 500 healthcare facilities provide outstanding practical experience. The university also offers management education including international business, technology, entrepreneurship and economic development.

The Red Wolves compete in NCAA Division I athletics, with 16 men’s and women’s intercollegiate sports, in the Sun Belt Conference. Men’s sports include baseball, basketball, cross country, football, golf, indoor track and outdoor track. Women’s sports include basketball, bowling, cross country, golf, indoor track, outdoor track, soccer, tennis and volleyball.
As a student-focused campus, ASU involves students in the affairs of the university. Students are included in the executive committees, budgeting and planning processes, advisory committees, and shared governance. ASU students serve as ambassadors for the university by participating in recruiting and alumni events, and by helping host academic, business, political and social leaders who visit campus.

Jonesboro – a vibrant, fast-growing metro area -- is located about halfway between the lower Mississippi Delta region, one of the most fertile agricultural and cultural areas in the world, and the Ozark Mountains, equally rich in American folklore and tradition. Arkansas State boasts 145 buildings and occupies an area of 1,376 acres on the slopes of Crowley’s Ridge.

In addition to the Jonesboro campus, the ASU System serves more than 22,000 students with additional campuses at Beebe, Newport, Mountain Home, Marked Tree, Heber Springs and Searcy. An ASU site at Paragould provides general education credit courses to help students complete degrees at ASU-Jonesboro.

Arkansas State also offers bachelor’s degree programs and upper-level courses at ASU-Beebe and ASU-Mountain Home, and through ASU degree centers in Blytheville, Forrest City and West Memphis, where partnership agreements have been established in cooperation with the community colleges in those cities.

**DIVERSITY AT ASU**

The quest for knowledge is central to the very existence of Arkansas State University and universities in general. While portions of knowledge may be attained in various segments of the university and society, the fullness of knowledge can only be obtained when people of all races, ethnicities, colors, genders, religions, sexual orientation, and socio-economic statuses are free to gather and exchange their life’s experiences, problem solving skills, methods and styles of communications, values, beliefs, and ways of thinking and learning in an environment that encourages the presence and participation of all who desire to be affiliated with the academy.

Achieving this fullness of knowledge begins with recognizing that no single people, group, personality, discipline or trade is the caretaker of all knowledge or life experiences. Rather, the pursuit and sharing of knowledge requires the presence, and meaningful participation, of those who may contribute their unique qualities and experiences to this constantly changing mosaic we call diversity.
ASU will be known for its commitment to diversity as evidenced by its inclusive work and learning environments, its acceptance of differences as positive and enriching and its ability to attract, retain and advance a diverse faculty, staff and student body. ASU will have an environment where anyone, no matter who they are, will see a consistent reflection of themselves on the campus and in its activities. They will feel comfortable, welcomed, and as if they belong at ASU.

Diversity at ASU is a process embracing the ideal of inclusion. Through continuous education, the ASU community constantly moves towards that ideal by accepting each person as an equal and valued member of the campus community.

CLASS ATTENDANCE POLICY

Students should attend every lecture, recitation and laboratory session of every course in which they are enrolled. Students who miss a class session should expect to make up missed work or receive a failing grade on missed work. It is the practice of Arkansas State University to allow students to participate in university sponsored academic or athletic events, even when those events cause them to be absent from class. Students participating in university sponsored academic or athletic events will not have those days counted against their available absences and will be given reasonable opportunities to make up missed assignments and exams.
Students enrolled in freshman or sophomore level courses numbered 1000 or 2000 may during the spring and fall semester miss no more than twice the number of lectures, recitations, laboratory sessions, or other regularly scheduled class activities that would normally be scheduled during a week. Students who miss more than the maximum number of freshman or sophomore level classes may be assigned a grade of “F” for the course. Students who may be assigned a grade of “F” in a course because of excessive absences may withdraw from the course without penalty before the deadline for dropping an individual course. In determining whether excessive absences should result in a failing grade, consideration shall be given to the maturity and class standing of the student, the quality of academic work being accomplished by the student, and extenuating circumstances related to such absences.

Students enrolled in upper level courses will not be assigned a grade of “F” solely for failing to attend classes. However, instructors shall set forth in their syllabi at the beginning of the semester their attendance requirements and expectations with regard to making up work missed, class participation and other factors that may influence course grades. In determining whether excessive absences should adversely affect a grade in an upper level course, consideration shall be given to the maturity and class standing of the student, the quality of academic work being accomplished by the student, and extenuating circumstances related to such absences.
Students must utilize their available absences for any cause which requires them to miss class including, but not being limited to, vacation, illness, emergency, or religious observances. Students who are aware that they will have absences during a term should ensure that they do not exceed the absences available.

**INCLEMENT WEATHER POLICY**

The university remains open for academic classes and all other services during inclement weather except in extreme circumstances determined solely by the Chancellor of the University. Regional and local news media will publicize the closing. Commuter students are encouraged to use good judgment in deciding whether to drive to campus during inclement weather. In those cases where the decision is made not to travel to campus under this policy, it is the responsibility of the student to immediately contact each of his/her professors upon return to explain the circumstances and to determine the need to complete any missed assignments. The student is responsible for all missed assignments during inclement weather within a time frame to be determined by the professor.

ACADEMIC RIGHTS AND RESPONSIBILITIES

Arkansas State University is a community of scholars whose members include its faculty, students and administrators. It is a forum where ideas are discovered, discussed and tested. The basic purposes of the university are the enlargement, dissemination and application of knowledge. These are achieved through classroom instruction, research, special lectures, concerts, discussion groups, seminars, experimentation, out-of-class activities, group living and leadership development.

The basic necessity for achievement of these purposes is freedom of expression and assembly. Without this freedom, effective testing of ideas cease and teaching, learning and research are rendered ineffective. Yet absolute freedom in all aspects of life leads to anarchy, just as absolute order leads to tyranny. Both anarchy and tyranny are antithetical to the purposes and necessities of the university. Therefore, the university always must strive for that balance between maximum freedom and necessary order which best promotes its basic purposes by providing an environment most conducive to many faceted activities of teaching, learning and research.

The student, as a member of the academic community, has both rights and responsibilities. The most essential right is the right to learn, and the university has a duty to provide for the student those privileges, opportunities and protections that best promote the learning process. The student has a responsibility to other members of the academic community, the most important being to refrain from interference with the rights of others, which are equally essential to the purposes and processes of the academic community.

Regulations governing the activities and conduct of student groups and individual students are not comprehensive codes of desirable conduct; rather, they are limited to meeting the practical, routine necessities of a complex community and to the prohibition or limitation of behavior, which cannot be condoned because it interferes with the basic purposes, necessities and processes of the academic community, or with rights essential to other members of that community.
The student is not only a member of the academic community — he/she is also a citizen of the larger society. The university will use every method at its disposal to ensure that the campus environment is conducive to the learning process. It cannot condone those activities designed to disrupt and destroy the basic functions of the university. Each student has an obligation to the larger society, which is the responsibility of the legal and judicial authorities of the city, county, and state. The university cannot be expected to shelter a student from the reality of this obligation.

The university, in its relationship to each student, recognizes the constitutional rights of freedom of speech and due process when the student’s right to continue as a student is in question. A student who feels that his/her constitutional rights have been violated and who has not found satisfactory relief within the university structure has access to the judicial process of the civil courts.

In order to protect student rights, to facilitate the definition of student responsibilities, to preserve necessary order, and to provide avenues through which students may seek to effect change, the guidelines in the following pages are established. The freedom and effectiveness of the educational process depend upon the provision of satisfactory conditions and opportunities for learning. The responsibility to secure, respect and protect such opportunities and conditions must be shared by all members of the academic community. The faculty has the central role in the educational process and has the primary responsibility for the intellectual content and integrity of the university.

It is the faculty’s role to encourage discussion, inquiry and expression among students and to act as an intellectual guide and counselor. They should foster honest academic conduct and evaluate students fairly and accurately. They should not exploit students for private advantage, and they should respect the faculty-student fiduciary relationship. The establishment and maintenance of the proper faculty and student relationships are basic to the university’s function. This relationship should be founded on mutual respect and understanding and assumes a common dedication to the educational process. If problems arise in this relationship, both student and faculty should attempt to resolve them in informal, direct discussions as between well-intentioned and reasonable persons.

**ACADEMIC RESPONSIBILITIES OF THE STUDENT**

- The student is responsible for being informed about academic requirements, both general and specific, for completing a degree program as outlined in the Undergraduate or Graduate Bulletin.
- The student is responsible for learning the content of a course of study according to standards of performance established by the faculty.
- The student’s behavior in the classroom shall be conducive to the learning process for all concerned.
THE ACADEMIC RIGHTS OF THE STUDENT

- The student shall have the right to an academic environment that is accepting of all students without regard for race, national origin, gender, disability, ethnicity, sexual orientation, age, or religion.
- The student shall be free to take reasoned exception to data and views offered in the classroom, and to express differences of opinion without fear of penalty.
- The student has a right to protection against improper disclosure of information concerning grades, health or character that an instructor acquires in the course of his/her professional relationship with the student.
- The student has a right to a course grade that represents the instructor’s professional judgment of the student’s performance in the course.
- The student has the right to accurate and clearly stated information in order to determine:
  1. The general requirements for establishing and maintaining an acceptable academic standing.
  2. His/her over-all academic relationship with the university and any special conditions that apply.
  3. The graduation requirements for a particular curriculum and major.
  4. The student has a right to be governed by educationally justifiable academic regulations.
  5. The student has a right to competent instruction.

ACADEMIC MISCONDUCT

Arkansas State University enthusiastically promotes academic integrity and professional ethics among all members of the ASU academic community. Violations of this policy are considered as serious misconduct and may result in severe penalties.

A. PLAGIARISM

Plagiarism is the act of taking and/or using the ideas, work, and/or writings of another person as one’s own.

1. To avoid plagiarism give written credit and acknowledgment to the source of thoughts, ideas, and/or words, whether you have used direct quotation, paraphrasing, or just a reference to a general idea.
2. If you directly quote works written by someone else, enclose the quotation with quotation marks and provide an appropriate citation (e.g., footnote, endnote, bibliographical reference).
3. Research, as well as the complete written paper, must be the work of the person seeking academic credit for the course. (Papers, book reports, projects, and/or other class assignments)
Discipline: Faculty members may respond to cases of plagiarism in any of the following ways:
1. Return the paper or other item for rewriting; the grade may be lowered.

Sanctions for Academic Misconduct
Sanctions for Academic Misconduct may be imposed by the faculty member or instructor discovering the Academic Misconduct except in the case of dismissal from a particular program which shall be made by the department chair or program director, or suspension or expulsion from the university, which shall be made by the dean. The following sanctions may be imposed for Academic Misconduct:

- A failing grade on the paper or project;
- Rewriting or repeat performance of course work;
- A failing grade for the class;
- Dismissal from the class;
- Dismissal from a particular program;
- Suspension or Expulsion from the university;
- Other appropriate sanctions as warranted by the specific acts of the student.

A Student may not avoid academic sanctions by withdrawing from a class, a program, or the university.

NOTE: Colleges and Departments (e.g., Art, Nursing, Biology) may add to these guidelines in order to enforce academic integrity and professional ethics to meet their special needs (e.g., clinical, computer, laboratory experiences).

PROCEDURES FOR HANDLING ACADEMIC MISCONDUCT CHARGES FOR VIOLATIONS OF THE STANDARDS OF STUDENT CONDUCT

A student disagreeing with the sanction issued based on Academic Misconduct should follow the Academic Grievance Procedure.

STUDENT ACADEMIC GRIEVANCE PROCEDURE

Under certain circumstances, Arkansas State University students have the right to grieve alleged violations of their academic rights. A grievance is a complaint alleging that one or more of the "academic rights of students" (as stated in the Student Handbook) have been violated.
Step 1:
Since the faculty has the primary responsibility for course development, course delivery, the assessment of student achievement, and the sanction for academic misconduct, any student who has a complaint related to an academic issue should first consult with the course instructor within ten (10) working days of the incident and try to resolve the complaint. If the grievance involves a faculty member who is no longer employed at the university, or with whom the student does not feel comfortable approaching the student should move to step two of this process. If the complaint is resolved, the grievance process ends.

Step 2:
If the complaint is not resolved in step one, and if the student wishes to pursue the complaint further, the student shall consult with the department chair/unit supervisor within fifteen (15) working days of the academic incident. The appropriate chair/unit supervisor shall consult informally with the student and the individual against whom the complaint has been made to attempt to resolve the complaint. The chair/unit supervisor shall notify the student and the individual against whom the complaint has been made in writing of the resolution or lack thereof within ten (10) working days of the student’s first consultation with the chair/unit supervisor. If the complaint is resolved, the grievance process ends.

Step 3:
If the complaint is not resolved in step two, and if the student wishes to pursue the complaint further, the student shall file a formal written complaint with the department chair/supervisor within thirty five (35) working days from the academic incident. The written complaint must specify the academic right(s) the student alleges has (have) been violated and must include:

- Date and details of the alleged violation;
- Any available evidence of the alleged violation;
- Names, addresses, and phone numbers of witnesses to the violation;
- The requested remedy to the alleged violation.

The chair/unit supervisor shall investigate the complaint using whatever processes are appropriate including, but not being limited to, written responses from or interviews with faculty members, other students, and other parties. The chair/unit supervisor shall notify the student and the individual against whom the complaint has been filed in writing of the chair/unit supervisor’s finding and recommendation within ten (10) working days of receipt of the written complaint. If both parties in the complaint accept the recommendation, they will sign a statement to that effect and the grievance process ends. The chair/unit supervisor shall retain the written records of the process for five calendar years. Upon request, the chair/unit supervisor shall provide either or both parties with copies of all information gathered during the investigation.
Step 4:
If the complaint is not resolved in step three, either party may request that the dean appoint a college hearing committee. The request for a college hearing committee review must be made in writing to the dean within ten (10) working days of completion of the process listed in step three.

THE COLLEGE HEARING COMMITTEE

The college hearing committee shall be organized in the following manner:

At the beginning of each Fall semester, each college dean, independent department chair, and other academic unit supervisors shall identify a "hearing committee pool," consisting of nine (9) to eighteen (18) faculty members, five (5) to ten (10) undergraduate students, and five (5) to ten (10) graduate students in the case of the Graduate School.

When a hearing committee must be convened, the dean shall appoint a college hearing committee comprised, to the extent possible, of individuals knowledgeable in the area asserted in the grievance. The hearing shall take place no sooner than five (5) and not later than ten (10) working days after the hearing committee is appointed, unless there is a compelling reason why another time must be selected. At a prearranged time prior to the hearing, the members of the hearing committee will meet with the dean to receive all relevant background materials and to review the process to be utilized during the hearing. The individual against whom the complaint has been filed and the student may attend this meeting as observers. All non-committee members will then withdraw and the hearing committee will elect a chair to preside at the subsequent hearing.

The hearing will be conducted in private. Witnesses will be admitted for testimony only and then asked to leave. The testimony will be tape recorded, but the final deliberations of the committee will not be recorded.

The student and the individual against whom the complaint has been filed must appear in person and answer questions from members of the hearing committee. The student and the individual against whom the complaint has been filed each may have one person present during the hearing to advise them. Those persons may not address the hearing committee, speak on behalf of the student or individual against whom the complaint has been filed, question witnesses, or otherwise actively participate in the hearing.

A university attorney may also attend the hearing and may advise the committee on procedural issues but may not question witnesses or otherwise actively participate in the hearing. The dean shall attend as an observer only.
The student and the person against whom the complaint has been filed may make an oral statement and/or submit sworn written statements and other exhibits and witnesses in their behalf. The student and the individual against whom the complaint has been filed may hear and question all witnesses testifying before the hearing committee. Neither the student nor the individual against whom the complaint has been filed may be present during the deliberations of the hearing committee.

The hearing committee shall conduct its deliberations based upon the evidence presented at the hearing that is relevant to the issue or issues before the committee. The hearing committee shall present to the dean a written report detailing its findings and its recommendations relative to the complaint within five (5) working days following conclusion of the hearing. Member(s) of the hearing committee may file a minority opinion, which shall be appended to the committee report. Within ten (10) working days following receipt of the hearing committee report, the dean will notify the student and individual against whom the complaint was filed whether the recommendations are accepted or rejected. The decision of the dean is final as to the student except in the case of expulsion from the university where the student shall have a final appeal to the Vice Chancellor for Academic Affairs and Research which must be filed in writing within ten (10) working days following receipt of the dean’s decision.

If the individual against whom the complaint was filed refuses to accept a remedy accepted by the dean, the individual may appeal to the Vice Chancellor for Academic Affairs and Research in writing within ten (10) working days following receipt of the dean’s decision. The decision of the Vice Chancellor for Academic Affairs and Research to accept or reject the recommended remedy is final as to the individual against whom the complaint has been filed.

RESIDENCE LIFE

http://www.astate.edu/a/residence-life/index.dot

RESIDENCE LIFE STAFF
The Residence Life Staff consists of both students and full-time professionals, and is responsible for residence hall matters, including student well-being, physical facilities, staffing, programs, room assignments, budgeting, policy formation and enforcement, and hall government advising.

Resident Assistant
A Resident Assistant (RA) is a student staff member that lives on each floor or in each building. They are carefully selected and well-trained students that promote and provide leadership, support, mentorship and programs, and serve as a resource. They help the student become integrated into campus and residential life and provide aid in establishing effective residence hall government. Enforcing rules and regulations is another responsibility of the RA.
Graduate Hall Director
The Graduate Hall Director (GHD) is a graduate student staff member who has primary responsibility for the overall operation, including discipline, of the residence hall community. He/She is concerned with helping students utilize the facilities, aiding student adjustment to university life, and acting as advisers to students and organizations within the residence halls.

Area Coordinator
The Area Coordinator (AC) is a full-time professional staff member. He/She provides leadership and support to the Graduate Hall Directors. The AC is responsible for many of the administrative functions of the residence halls systems in his/her area.

Housekeeping and Maintenance
The housekeepers are responsible for normal cleaning duties in public areas. Residents are responsible for cleaning their own rooms and bathrooms. The housekeepers in each hall do a great deal to make the hall a more comfortable and pleasant place in which to live. The neat and clean appearance of the halls, lounges, and public restrooms are a direct result of their efforts. Student cooperation in caring for these facilities will help make the housekeepers’ job much easier and will help create a pleasant atmosphere in each hall.

The maintenance staff is responsible for making repairs in the residence halls and apartments. Maintenance problems should be reported by submitting a work order online via the Residence Life Website link or through a residence hall staff member or front desk operation in the building/complex.

Residents should never attempt to make room repairs themselves as it may result in charges, instead, residents should report the work order online or contact the front desk or the Department of Residence Life.

Desk Assistants
Desk Assistants are student staff members who work at the front desk/welcome desk of each residence hall. These Desk Assistants are responsible for offering assistance to visitors, handling the office business calls, assisting residents with problems, and promoting a positive image for the residence hall.

Staff On Duty
At least one RA per hall and one GHD are “on duty” every night of the week. The RAs on duty are listed near the front office of each building complex. If any problem arises, please contact the staff member on duty in the hall. During the weekday hours contact the Department of Residence Life the front desk of your residence hall or a staff member.
GETTING INVOLVED IN RESIDENCE LIFE

Hall Council/Area Council
Within residence halls exists an elected student hall council that develops and presents on-going activities. Hall/Area Councils are comprised of elected officers and floor/wing/building representatives. Officers and floor/wing/building representatives are selected every fall. All residents are welcome participants in Hall/Area Council. Hall/Area Councils sponsor social activities such as dances and cookouts; participate in campus events like Homecoming; do community service projects like trick-or-treating for local children; and many other activities. If a student wishes to get involved, he/she should contact hall officers, RA, or Graduate Hall Director.

Residence Halls Association
The Residence Halls Association (RHA) is an organization made up of all students living in the residence halls. It is also the umbrella organization for all hall councils. RHA serves as the voice for students living on campus, promotes leadership development of residents, sponsors campus wide programming, and the exchange of ideas between the residence halls. Members of RHA have participated in regional and national leadership conferences, policy change issues, and programs such as the final exam kits. RHA Executive Council is the governing body of RHA. It is comprised of executive officers and representatives from each of the on-campus residential units. Officers are elected in the spring for the following academic year, and hall representatives are selected each fall. Students interested in getting involved in RHA, should contact the Graduate Hall Director, RA, or call the Department of Residence Life.

National Residence Hall Honorary
The National Residence Hall Honorary (NRHH) is an organization of the top 1% of on-campus student leaders. The four pillars – Leadership, Scholastics, Recognition and Service – help guide NRHH’s members thoughts and decision making. Students are selected following an application process.

Damages that are made by the resident or the resident’s guests will also be placed on a work order with an attached damage statement for the billing of such repairs.

Telephone Service
The University does not furnish telephone service to residents’ room. There is a phone at the front desk that may be used to contact emergency personnel.

TV and Study Lounges
The majorities of the residence halls have TV and study lounges for students’ convenience. Furniture and lobby fixtures must remain in the lobbies and lounges.

Vending Machines
Vending machines dispensing drinks and snacks are located throughout the residence hall areas. Consult the hall staff for the location of the nearest vending machine. For snack and drink machine refunds, please report amount lost to the cashier in the Reng Student Union.
SAFETY & SECURITY

Fire Alarms
Each building is equipped with a fire alarm system. They are there for protection, therefore students and guests should not tamper with them. Fire drills are conducted to familiarize the residents with the sound of the building alarm, emergency exits that are available, and the procedure for evacuating the building. Failure to respond to a fire alarm will result in conduct action. Tampering with fire safety equipment is a violation of University policy.

If a fire alarm sounds:
- Quickly put on a coat (if necessary) and hard soled shoes.
- Take a towel to put over the face to prevent smoke inhalation.
- Close the windows.
- Check the door or doorknob. If it is hot, do not open it. If it is cool, exit cautiously and lock the door. Each student is encouraged to take his/her keys and University ID Card with them
- Walk quickly, but in an orderly manner, through the exit for the area and continue 100 feet from the residence hall.
- Do not reenter the building until told to do so by a residence hall staff member.
- Everyone, including residence hall personnel, must leave the hall whenever the alarm sounds.

Safeguarding Personal Property
Residents are highly encouraged to invest in renter’s insurance. Renter’s insurance can be purchased through homeowner’s policies or from independent companies specializing in residence hall insurance.

The safety and security of each hall is the responsibility of each resident, staff of the hall, and university police officers. The University Police Department has a rotating staff who are available 24 hours a day to assist residents and staff.

Hints for Safeguarding Personal Property:
- Mark or permit University Police to mark individual property so it can be easily identified.
- Lock all room doors and windows.
- Never leave personal items unattended. (This includes staying with laundry in the laundry room).
- Leave items not needed at home, if possible.
- Lock automobiles when not in use.
- If one must leave items in an automobile, lock them in the vehicle out of view.
- Report all items lost or stolen to the University Police Department or appropriate officials.
- If one is aware of a crime that has been committed or is being committed, contact the University Police Department immediately and furnish as much information as possible.
- Large sums of money should not be kept in one’s room.

Severe Weather
Local radio and television stations announce tornado watches when the weather conditions are right for tornado but none have been sighted; tornado warnings are given when a tornado has been sighted; and storm alert is announced when a severe thunderstorm is approaching.
Students should follow these procedures, after a staff member’s announcement, if there is a tornado warning or storm alert:

- Go to the lowest floor possible before high winds or the tornado strikes.
- Students residing in apartments or houses should move to the bathroom.
- Sit on the floor with back to the stairwell or in the central portions of the room away from windows.
- If a storm strikes, duck your head between your knees and cover the back of the head/neck with your hands for protection.
- Leave corridor doors open.
- Try to remain calm and do not panic.
- Do not move from shelter until the storm or tornado is well out of the area or instructed by a staff member.

**Stolen Property**
The university assumes no responsibility for the loss of personal articles, but will assist in every possible way to recover such items. Losses should be reported to the University Police and Residence Life Staff immediately. Protect the contents of the room by locking the door when leaving. University Police has an engraving service available for valuable items. Residents are encouraged to purchase renter’s insurance.

**Card Access**
Each residence hall is locked 24 hours a day, seven days a week. Only residents of the hall will gain access to the hall via the A-State identification card. The host is responsible for letting the guest into the residence hall. Residents are required to have their Student I.D. on them at all times. If one experiences problems with the card system, he/she should contact a residence hall staff member or the front desk.

**Gate Access**
The entrance to Kay’s/University parking lot and the entrance to NPQ/RWD, Greek Village and CP are gate controlled. Only students residing in these complexes have access to the parking lots. Students are expected to carry their ID card with them at all times; the ID card is necessary to access the gates. Broken or vandalized gates should be reported to the front desk of your residence hall immediately. UPD will investigate instances of broken/vandalized gates. Students found to have vandalized the gates will be referred to the Office of Student Conduct; a minimum restitution is $100.00.

**HOUSING ASSIGNMENTS**

**Check-In**
The residence halls are available to check into prior to classes beginning, allowing residents to get settled in prior to classes. A room inventory has been previously filled out by an RA with the conditions of each room. If there are any problems with a room, please report them to the RA within 24 hours of check in. Throughout the semester residents should report any damages.
that occur to the RA. Each resident is financially responsible for all damages that occur in his/her room during occupancy.

**Room and Hall Changes**
Room changes are only done at specific times during the year. See RA or GHD. The GHD must approve room changes within the building. Contact the GHD to initiate a change from one residence hall to another. Any time a student changes rooms, he/she must be checked out of their old room and checked into their new room by a RA. Room damages will be deducted from the resident’s deposit.

**Check Out**
Residents of the halls are charged for room and board from the date that the room key is obtained by the resident until the room key is returned to the residence hall office and the resident officially checks out. However, the resident is responsible for the entire length of their contract while still enrolled at ASUJ. Residents who do not officially check out of the residence hall can expect their deposit to be forfeited, and to be charged for the use of the room until the key has been returned and/or assessed an improper check-out, lock change fee, and key replacement fee.

Residence hall rooms must be left in satisfactory condition:
1. Wall and furnishing surfaces should be cleaned of excessive dirt, grime, and damages.
2. Marks and dirt should be removed from door surfaces.
3. Trash should be removed from the room.
4. Floors should be clean; swept and mopped.
5. All furnishings must be left in the room, in good condition, and in their original position.
6. All private and semi-private bathrooms must be clean (toilets, sinks, showers, floors, etc.)
7. All writing must be removed from the windows.

Residents who wish to have their deposit refunded must ensure that their permanent address is correctly listed in A-State Self Service. Upon checking out from the halls/apts, the paperwork will be processed by the Department of Residence Life. All deposit refunds will be made by check and will be mailed as soon as they can be processed through the Office of Finance. This process usually takes from four to six weeks. Residents who have been granted a contract release will forfeit their deposit (except for graduation).

**Break Housing During Interim Periods**
Break housing may be available between semesters, fall break, and spring break. If break housing is available, there will be a charge for this service. Break housing must be prearranged with the Department of Residence Life. If a student is found in housing during interim periods without proper arrangement, that student will be charged for their stay and be referred to the Office of Student Conduct. Students living in CP, RWD, Greek Village, and NPQ Building 1 will not be charged for break housing.
Cancellation of Room Assignment
A resident who has decided to not return to the residence halls or to cancel his/her room assignment, must contact the Department of Residence Life in writing. Please review your Residence Life contract for the deposit refund policy.

Consolidation
The Department of Residence Life reserves the right to require occupants who are in rooms that have been designated as double occupancy to either consolidate or sign a private room form. The residence hall staff will have more information regarding this policy.

Housing Deposit
A $100 damage/security deposit must accompany the application. The contract is a full academic year contract. At the end of the academic year, pending no damages, the deposit will be refunded to the resident who will not be returning for the following academic year. Otherwise the deposit will roll over from one academic year to the next. The process of refunding a deposit takes approximately four - six weeks. Deposit refunds will not be granted until the resident has officially checked out of the room through the residence hall office, had the room inspected and found in satisfactory condition and free of damages. The check-out procedure involves signing the room inventory form and returning the room key; residents not completing these steps will be assessed an improper check out fee. If damages or unsatisfactory conditions are found, fees will be assessed.

Private Rooms
When space permits, a student may rent a room on a private basis by payment of an additional fee applicable to the particular semester. Assignments for private rooms are based on date of deposit. Rental of the room on a private basis guarantees that no roommate will be assigned for the specific semester. It does not entitle the student to make the extra set of furnishings (where applicable) available to another student or guest. All furnishings are to remain in the resident’s room at all times. This is to include the mattress and box spring of the extra bed. There is no correlation between the amount of the additional fee and the size of furnishings of the room. Once one reserves a room on a private basis for a particular semester, he/she is obligated for the additional fee for that semester even though he/she may later decide to accept a roommate or move to another room.

Renter’s Insurance
Residents desiring insurance protection must make their own arrangements for the necessary coverage. The university does not provide insurance covering the loss and damage (due to water leak, fire, etc.) to residents’ personal effects. Students or their parents are encouraged to carry appropriate insurance to cover such losses.

Room Assignments
The Department of Residence Life reserves the right to reassign students to other spaces, rooms or halls when to do so appears to be in the best interest of individuals or groups of students, or when it is determined that a student is not actually residing in his/her assigned
space. The Department of Residence Life also reserves the right to consolidate students who have not paid for a private room and have no roommate. Private room preference, roommate preference, and particular requests are accommodated based on date of deposit, and space permitting.

**Summer School Housing**
If one plans to attend the University’s Summer session(s) and wishes to apply for summer housing, he/she must submit a summer housing application through the Department of Residence Life; this process begins in early-mid April. Interim housing may be available for the week(s) between Spring and Summer terms. Contact the Department of Residence Life for specific charges and instructions.

**RESIDENCE HALL RULES & REGULATIONS**
In a community living situation, as found in the residence halls, it is necessary to impose certain standards for conduct and behavior to ensure that there is some order to the environment. Each resident living in the residence hall has certain rights they are entitled to.

These rights are:
- The right to sleep

15. Key Responsibility
Students are responsible for all assigned keys. Students may not allow another person use of any key or ID that allows entrance to a residence. If a student is locked out of his/her residence he/she may check out a temporary key from the front desk. Village residents who are locked out should contact the Village Manager. Failure to return the temporary key within the time allotment will result in an automatic lock change. If a student loses his/her key the lock on the resident’s door will be changed. Residents will be billed for the cost of a new lock and key replacement for lock changes.

16. Lounges/Lobby Usage

GENERAL RESIDENCE LIFE GUIDELINES

Bomb Threats
If a bomb threat or any other threatening phone call is received, gain as much information from the caller as possible and do not hang up the phone. Immediately notify the Department of Residence Life during normal business hours. The staff person will notify University Police and other designated staff members. After business hours, immediately contact the front desk. Please remain available for assistance to the investigative authorities.

Community Billing
Financial charges relating to the cleaning of, damage to, or theft of university property are billed to the specific individual(s) responsible whenever such individuals can be identified. However, when damage or theft cannot be assigned to a specific individual(s), the charges may be divided equally among the residents of the affected floor, wing, building, or area.

If any damage occurs in such areas as one’s floor, hall, wing or community bathroom, which cannot be properly charged to an individual, all members of the floor or community may be billed equally for repairs. Similarly, damage or theft in one’s building, which cannot be assigned to an individual, may result in all building residents equally sharing in repair or replacement costs. If applicable, each resident will be billed on their student account for his/her “share” of public area damages at the end of each semester. Residents will be given every opportunity to identify individual(s) responsible for the damage before a group billing is finalized through posted flyers, letters, emails and/or hall meetings. Active involvement in reducing damages within the community is encouraged.

Room Entry
The university reserves the right to have its representative(s) enter a resident’s room in the following instances:
- When it appears that an occupant may be physically harmed or endangered
- When it appears university property is endangered
- When it appears University or Residence Life policy is being violated
- To make periodic health, safety and maintenance inspections and repairs
- To deliver administrative letters and notices.

Every attempt will be made to allow one to retain as much privacy as possible in their residence. Health/Safety inspections will take place monthly and will be posted 24 hours in
advance. Due to the nature of the Village, there is no notice for health and safety inspections. Village residents should expect these to occur on a monthly basis.

The actual searching of a room specifically for the purpose of removing illegal or prohibited articles will be done only when reliable information warrants such action. If possible, searches will be conducted in the resident’s presence. Police may be present to assist in a search.

**Room Inspections (Health/Safety Inspections)**
Residence Life Staff will conduct health and safety inspections monthly. Routine room inspections by staff personnel are conducted on a regular basis. These inspections are made to ensure:
- That university property is being used properly;
- That reasonable standards of room cleanliness, safety, and sanitation are being observed; and
- That maintenance requirements are reported.

Notices of these inspections will be posted 24 hours in advance, except in the Village where no notice will be given. However, the University and the Residence Life office reserve the right to conduct safety inspections with no notice in emergency situations.

If a violation is observed during Health/Safety Inspections, the RA, GHD and/or Village Manager will leave notification of the violation. Confiscation of the questionable item(s) may occur in cases of violations. Conduct referral may result from non-compliance.

**Roommate Conflicts**
If a resident and his/her roommate are having a conflict, he/she should attempt to discuss the problem with each other. If this cannot be done, they should take the problem to the RA. A roommate mediation agreement is then required. If the RA believes that the problem is something out of his/her control, the matter should then be taken to the GHD. If the problem cannot be resolved, the Department of Residence Life has the right to relocate one, both or none of the roommates.

**Visitation**
Visitation provides an opportunity for residents to create a more desirable living experience and further personal growth through greater interpersonal contact among students of both genders. The responsibility of this policy rests upon the individual who must maintain the element of academic privacy in the living areas, maintain his/her conduct in a manner that is in consideration of roommates or other concerned parties, and act in accordance with all university policies.

A guest is anyone who is not a resident of that specific residence hall or apartment (i.e. University Hall visiting Kays Hall). All guests must be checked in to the First Year Residence Halls (Arkansas, Kays and University) through the front desk, except inter-visitation in Kays Hall.
Visitation Policy for Collegiate Park, Northpark Quads, Honors Living and Learning Community, Red Wolf Den, ROTC LLC, STEM DEN and the Village:
Determined by the living unit.

Visitation Policy for Greek Village:
Determined by national policies.

First Year Residence Halls (Arkansas, Kays, University) Visitation Hours are as follows:
Sunday through Thursday: 11 a.m. - Midnight
Friday and Saturday: 11 a.m. - 3 a.m.

Kays Hall Inter-Visitation Policy
The inter-visititation policy for the residents of Kays Hall was designed to help enhance the community’s group dynamics. Due to the special living/learning communities in Kays Hall, there will be many opportunities for group study and group interaction. Therefore, the inter-visititation hours (Kays Hall residents visiting fellow Kays Hall residents) are 24 hours a day. However, the escort policy must be followed at all times.

Any guests who do not reside in Kays Hall who wish to visit residents of Kays Hall must follow the normal visitation policies and hours. Individual floors in Kays Hall may choose to limit inter-visititation or visitation hours on a floor by a vote of that community at the beginning of each semester. These hours must be posted on the hall.

Visitation Guiding Principles:
The following policies must be maintained for visitation:

1. All entering into and exiting from the hall must be through the lobby. Emergency fire doors are to be kept secured and used only in case of emergencies.
2. Each resident must meet and escort his/her guest to and from the lobby. Guests must be escorted at all times throughout the building.
3. Each guest must leave his/her IDs or some satisfactory form of photo identification with the Desk Assistant on duty in the hall (except inter-visititation in Kays Hall).
4. Each resident will be held responsible for the conduct of his or her guests.
5. The resident and his/her guest together must reclaim the IDs and/or other forms of identification before the closing hours of visitation.
6. Violations of the visitation policy will subject the resident to conduct action
7. All occupants of a residence hall room or apartment must agree before visitation will be permitted.
8. All residents have a right to personal privacy. Based on this right a person may choose to withdraw their agreement in reference to visitors in the room or apartment. If a dispute arises in reference to guests or visitation the RA should be informed immediately and the guest will be asked to leave, even if a previous agreement had been reached between residents.
9. Residents are only allowed two (2) guests at any time (except in the Village).
10. No one under the age of twelve (12) may visit (except in the Village).
11. Overnight visitation is not allowed in the First Year Experience halls (Kays, University, Arkansas).

12. All occupants of the room/living space must agree before overnight visitation is permitted in the room (Collegiate Park, Northpark Quads, the HLLC, Red Wolf Den, ROTC LLC, STEM DEN or the Village). No one is allowed to stay more than two consecutive nights and a guest may not stay more than 5 nights collectively in any residence hall space per month, unless they have properly notified the GHD and received permission in advance.

MISSING STUDENT PROCEDURE

Rationale
In accordance with Section 485 of the Higher Education Act (HEA), every institution of higher education that provides on-campus housing must implement a missing student notification procedure for those students residing in on-campus housing.

Procedure for Informing Students
As part of the electronic application process, students will designate a confidential contact to be reached in the event the student is considered to be missing. Students may, at any time, change this information on-line. If the student is under the age of 18 and is not an emancipated minor, the confidential contact must be the student’s parent or legal guardian. Students 18 years and older may designate the contact of their choice. During the first floor meeting of the fall semester or as part of the check-in process, Resident Assistants (RAs) will review the Missing Student Procedure with new students. During the first week of the spring semester, the RA will meet with all new students to review the Missing Student Procedure.

Procedure for Determining if a Student is Missing
For purposes of this procedure, a University residence student may be considered to be a “missing student” if the person’s absence is contrary to his/her usual pattern of behavior without explanation. For example, a student who typically stays on campus during weekends should not be considered missing if he/she has informed others of a weekend trip off campus. However, the unexplained absence of a student expected to be on campus triggers the Missing Student Procedure. Any person believing that a student is missing should report to Residence Life.

If a student is reported missing to a Residence Life staff member, the staff member should be sure to obtain the reporting person’s name, relationship to the student, and contact information where the reporting person can be reliably reached. The staff member should obtain local directory information about the missing student and immediately notify the missing student’s residence hall director or the staff member on call.

The Hall Director/Area Coordinator should refer to the Reported Missing Student Checklist and contact the reporting person to obtain the additional information needed. If the Hall Director/Area Coordinator determines at any point there is a credible threat to the well-being of the student reported as missing, the Hall Director/Area Coordinator should call University Police and make a report to supervisory staff. The Hall Director/Area Coordinator should then proceed to contact known student friends/relationships, beginning with roommates/suitemates, and the missing student’s Resident Assistant. The Hall Director
should also use direct and indirect methods of leaving messages for the student to make contact immediately. The purpose at this point is to determine if the student is truly missing or has simply failed to make the desired contact with the reporting person. If the student is located or is determined not to be missing, the student should be advised to contact the reporting person. The Hall Director/Area Coordinator may also contact the reporting person and relay that the student is not missing and has been asked to contact the reporting person.

If pursuing known contacts has not resulted in locating the student, the Hall Director should contact the Director of Residence Life, the Assistant Vice Chancellor for Student Affairs or the Office of the Vice Chancellor for Student Affairs, reporting all obtained information, and follow verbal notification with a Residence Life Incident Report (IR). The contacted individuals may then authorize one or more of the following measures to determine recent activity by the student reported as missing:

- Building card reader access report
- Meal plan access report
- Class attendance
- Social Networking activity on sites such as Facebook
- In-plain-sight examination of room to see signs of recent use or planned departure
- Location of vehicle

If the results of these activity measures suggest that the student is indeed missing and unaccounted for, the contacted individual will file a police report with University Police to request law enforcement investigation. All information obtained about the missing student through investigation should be shared with the University Police.

If University Police determine that a student for whom a missing person report has been filed has been missing for more than 24 hours, then within the next 24 hours, they must:

- Notify the individual identified by the student to be contacted in this circumstance
- If the student is under 18 years old, notify a parent or guardian
- Notify regional law enforcement
- Contact area hospitals and local detention facilities
- Send e-mail to students, faculty and staff that student is missing with pertinent information and photograph if available

**University Communication of a Missing Student**

In cases involving missing student residents, all inquiries by media or the public regarding missing student residents shall be referred to University Relations. All public statements will be coordinated through University Relations.
Mission
It is the mission of the Office of Student Conduct at Arkansas State University Jonesboro (OSC) to facilitate a positive and safe environment for student learning. The OSC strives to help achieve a community in which individuals lean the value of demonstrating respect for others, themselves and the University. Additionally, it is our purpose to be a catalyst for the development of the whole student by the education of and enforcement of the regulations set forth in the Standards of Student Conduct.

General Information
All non-academic violations of the Standards of Student Conduct are processed through the Office of Student Conduct. The Office of Student Conduct advises the Student Conduct Board made of students who assist their peers through and facilitate the conduct process. The OSC Staff members are also available for programming needs in reference to the Standards of Student Conduct and appropriate behavior.

STANDARDS OF STUDENT CONDUCT
Arkansas State University is an interdependent learning community consisting of students, faculty and staff. Just as any community has a culture, along with written and unwritten "expectations" for conduct, we too have a culture and associated expectations for behavior. The community's expectation is that conduct is marked by integrity. Any student who chooses to enroll at the university also chooses to become part of this community and constructively contribute to its culture. This choice is an obligation to conduct oneself in such a way as to facilitate the mission of the community, which is to "...enhance intellectual life and enrich lives..."

The following principles are part of the collective expectation of the members of this community relative to personal conduct.

Civility — Members of a learning community interact with others in a courteous and polite manner. Members of the community are expected to respect the values, opinions or feelings of others.

Ethical Behavior — The pursuit of a higher education is a privilege. Associated with that privilege is an obligation to aspire to a set of principles and values that demonstrate a commitment to fairness, honesty, empathy and achievement.

Morality — Members of a learning community commit to the ideals of appropriate human conduct. This lifestyle seeks to harm no one and attempts to be a positive contributor in every interaction.

Respect — Every member of this community should seek to gain and demonstrate respect. Members should hold one another in high regard. Each individual should conduct
himself or herself in a manner worthy of that regard, which is gained by decent and correct behavior.

The learning community at Arkansas State University does not intend to be prescriptive regarding the personal beliefs and value systems of its members. However, this community does believe that it has a right to expect its members to demonstrate personal responsibility and integrity in word and deed. When the conduct of any member falls outside the bounds of civil, moral and ethical behavior, that member can expect the community of Arkansas State University to call such conduct into question. The university reserves the right to discipline students or student organizations for inappropriate actions that occur on or off the campus to secure compliance with these higher obligations. Students failing to maintain these higher obligations may be asked to leave the academic community. Students are expected to comply with all university policies and procedures. This includes the Standards of Student Conduct and University Housing Regulations.

University Jurisdiction
The university has jurisdiction over any student or student organization alleged to have violated the Standards of Student Conduct on campus or off campus. For the purpose of the student conduct process, a “student” is defined as any person who is admitted, enrolled or registered for study at Arkansas State University for any academic period. Persons who are not officially enrolled for a particular term but who have a continuing student relationship with, or an educational interest in, Arkansas State University are considered “students”. A person shall also be considered a student during any period while the student is under suspension from the institution or when the person is attending or participating in any activity preparatory to the beginning of the academic year including, but not limited to, fraternity or sorority recruitment, orientation, placement testing, and residence hall check-in.

Inherent Authority
The university reserves the right to take necessary and appropriate action to protect the safety and well-being of the campus community and its members.

Interim Administrative Action
The Vice Chancellor of Student Affairs, or his/her designee, may defer procedural due process and enforce an interim action if necessary to maintain safety or order; including but not limited to, removal from housing or conduct suspension. The Vice Chancellor for Academic Affairs, or her/his designee, may defer procedural due process and remove a student from a class to maintain order. Any student who has had interim action taken against him/her will be afforded a timely resolution for the case generally holding the hearing within 5 business days.

Student Contact Information
All students are responsible for maintaining their current address, email address and phone number with the Registrar’s Office. It is also the student’s responsibility to frequently monitor campus e-mail and the university web site, as these electronic means of communication are the university’s most effective and efficient ways to disseminate important information to the
campus community. Campus e-mail is the primary means of communication from the Office of Student Conduct; appearance notifications, hearing notifications and decision notifications will be sent to the student’s e-mail address.

Modifying the Standards of Student Conduct
The university reserves the right to amend the Standards of Student Conduct at any time. Every effort will be made to communicate any changes made to the university community at least ten days prior to policy change.

Policy Interpretation
The Vice Chancellor of Student Affairs or his/her designee is the final authority in defining and interpreting the Non-Academic Standards of Student Conduct and conduct procedures. The Vice Chancellor of Academic Affairs or his/her designee is the final authority in defining and interpreting the Academic Standards of Student Conduct.

Conduct Information and Procedures
1. Any individual may refer a student to the Office of Student Conduct for Non-Academic Misconduct charges. Conduct Referrals should be delivered to the Office of Student Conduct within ten (10) university business days after the student has been identified as the alleged violator, whenever possible. Conduct referrals in regards to Sexual Assault or Sexual Misconduct should be referred to the Office of Institutional Equity.

2. Upon the receipt of a Conduct Referral, the Assistant Dean of Student Conduct or designee will determine if sufficient information is present for charges to be filed against the alleged violator. If charges are filed, then the alleged violator will be delivered or e-mailed the charges and an initial meeting will be scheduled.

3. The Assistant Dean of Student Conduct or designee will determine the initial hearing officer depending upon the severity of the alleged infraction and where it occurred. The initial hearing officer may be one of the following: Assistant Dean of Student Conduct, Assistant Director of Residence Life, Office of Student Conduct Staff members, Area Coordinators, Graduate Residence Hall Directors, and Greek Council Hearing Bodies.

4. The Conduct process is part of the student educational process and as such the alleged violator is exclusively responsible for all communication during the Conduct Process. The alleged violator may have an advisor present at all meetings and hearings through the Conduct Process but that advisor may not speak for the alleged violator.

Sexual Assault and Misconduct Information and Procedures
1. Any allegations of sexual assault and/or sexual misconduct must be initially reported to the Office of Institutional Equity. The Office of Affirmative Action will coordinate the investigation of all allegations of sexual harassment and/or sexual misconduct.

2. The Office of Affirmative Action will refer cases of alleged sexual harassment and/or sexual misconduct to the Office of Student Conduct for investigation as appropriate. Cases of sexual harassment and/or sexual misconduct will follow the process set forth in the ASUJ Non-Discrimination/Sexual Misconduct Policy which can be found http://www.astate.edu/a/affirmative-action.
Procedures for Resolving Non-Academic Conduct Charges for Violations of the Standards of Student Conduct

1. Informal Case Resolution:
The initial hearing officer may offer an alleged violator an informal case resolution in the initial Case Resolution meeting. The initial hearing officer will meet with the alleged violator to review the charges and the options they have available to them to resolve the matter. The alleged violator may have 48 hours to decide which option he/she would like to utilize to resolve the charges.

a. If an alleged violator accepts responsibility for the alleged offense and does not choose a formal hearing, then the initial hearing officer will assign the sanction in writing, generally via email, after the close of the meeting. If the alleged violator does not agree with the sanction(s) assigned, he/she may request that the appropriate designee review the sanction(s) to determine appropriateness. Requests for review of sanction(s) must be delivered in writing (typed and delivered in person or via email or fax) to the Office of Student Conduct within 48 hours of being assigned the sanction(s) or by 9:00 a.m. on the next university business day if the deadline falls on a weekend or after 5 p.m. on a weekday. This is the only appeal available through the Case Resolution Process.

b. If the alleged violator does not accept responsibility for the alleged offense, then the case will be referred back to the Office of Student Conduct. A Formal Conduct Hearing will then be conducted to determine if the alleged violator is responsible for the charges and if so to determine the sanction(s).

c. Any student who fails to attend a scheduled Case Resolution meeting will have a hold placed on their registration until they have met with the university representative and reached a resolution or until a Formal Conduct Hearing has been completed.

2. Formal Conduct Hearing:
If an alleged violator does not accept responsibility, does not attend the properly scheduled Case Resolution meeting or if the initial hearing officer does not feel that an informal case resolution is appropriate, then a Formal Conduct Hearing will be convened. There are three types of Formal Conduct Hearings that an alleged violator may be remanded to: Administrative, Student Hearing Board, or the University Disciplinary Committee Hearing. The Office of Student Conduct staff will determine the appropriate hearing body depending on the severity of the case and the alleged violator’s prior history. All Formal Conduct Hearings are recorded solely by the Office of Student Conduct.
Types of Formal Conduct Hearings

Administrative
Administrative hearings are assigned in cases where there is little discrepancy, where there is a need to expedite the conduct process (such as cases of safety or when interim action has been taken), or when the Assistant Dean of Student Conduct or designee feels it is the appropriate option. Administrative hearings are heard by the Assistant Dean of Student Conduct or designee.

Student Hearing Board
Student Hearing Boards are assigned in cases where the alleged violator would benefit from a decision put forward by his/her peers. Student Hearing Boards consist of 4-9 Arkansas State University students who are members of the Student Conduct Board and have been selected and trained to participate in the conduct process.

University Disciplinary Committee
A University Disciplinary Committee Hearing consists of 5-9 students and faculty or staff members selected by the Assistant Dean of Student Conduct or designee from an appointed pool of hearing board members.

Student Organizations
Cases involving Student organizations will follow the same procedure noted for students. If a Student Organization is a social Greek letter organization, the Assistant Dean of Student Conduct will confer with the Assistant Dean for Greek Life before assigning the initial hearing body. The Office of Student Conduct may choose to adjudicate the case or assign it to the disciplinary committee of the appropriate council (Interfraternity, National Panhellenic, National Pan-Hellenic). If the Office of Student Conduct hears the case, the appropriate council may hear the case simultaneously if the charged organization has also violated council policies.

A student organization may be subject to the conduct process in the following situations:

1. An alleged offense was committed by one or more members of an organization and an executive member or advisor encouraged, sanctioned or was complicit while it occurred.
2. An alleged offense was committed by one or more members of an organization and organization funds were used to finance the venture.
3. An alleged offense was committed by one or more members of an organization and was supported by a majority of the organization's membership.
4. An organization has chosen to protect one or more individual offenders who were members or guests of the organization.
5. The Assistant Dean of Student Conduct or designee deems that the alleged offense, by its nature, was an organization offense and not the actions of the individual members.
6. If a reasonable person would assume the behavior was sponsored or supported by the organization.
7. An alleged offense occurred as a result of an organization sponsored function.
8. A pattern of individual violations is found to have existed without proper and appropriate group control, remedy or sanction.

**Formal Conduct Hearing Guiding Principles:**

a. An alleged violator may request a pre-hearing conference prior to his/her Formal Conduct Hearing.

b. An alleged violator will have at least 48 hours notice of a hearing (generally via email) or the notice will be posted via USPS four (4) days prior to the hearing in which the mail runs.

c. An alleged violator may choose to not attend a scheduled hearing, however; if properly notified the hearing will proceed in his/her absence.

d. An alleged violator may choose to not answer a question at any time or to not speak during his/her hearing or not present information to a hearing body, if he/she feels it is in his/her best interest.

e. A complete witness list must be turned into the Assistant Dean of Student Conduct one university business day prior to the hearing – a minimum of 24 hours prior to the hearing. The alleged violator is responsible for notifying his/her witnesses of the time, date and place of the hearing.

f. Students may request of the Assistant Dean of Student Conduct, in writing, a list of all witnesses and access to all information. All information requests must be done in writing and allow a minimum of one (1) business day for the information to be compiled from time of request.

g. Determination of responsibility will be based upon a preponderance of the evidence or if it is “more likely than not” that a violation did occur.

h. The decision of the hearing officer/body will be verbally given to the alleged violator at the close of the hearing and/or in writing, generally via email or USPS, after the close of the hearing.

i. No character witnesses or irrelevant information will be considered in a hearing.

j. An alleged violator may select an advisor to be present at the hearing that may confer and give advice to the student in a quiet, confidential and non-disruptive manner. An advisor may only speak in a hearing when addressed by the Hearing Officer or Chair. An advisor may not be a witness in the hearing. A list of trained student advisors is available in the Office of Student Conduct.

k. All hearing participants are expected to act and speak appropriately during the hearing. Any hearing participant that becomes disruptive will be removed from the hearing and the hearing will proceed without him/her.

l. An actively participating alleged victim may select an advisor to be present at the hearing that may confer and give advice to the student in a quiet, confidential and non-disruptive manner.
m. No recordings or tapes of hearings shall be made by any person other than the Chair of the Hearing or the Administrative Hearing Officer. The hearing recording will be maintained by the Office of Student Conduct for the appeal process only. If an appeal is not made, the recording will be destroyed ten (10) university business days after the appeal date is past. If an appeal is made, the recording will be destroyed at the close of the appeal process. A student will be given reasonable access to their hearing recording for the purposes of review, with the understanding that no duplication of the recording shall be permitted. Requests for access to hearing recordings must be made in writing and provided the Office of Student Conduct at least one (1) business day notice from the time of the request to make the appropriate arrangements.

### Appeal Process

**Informal Case Resolution Appeal**

A student or organization found responsible for a violation of university policy in an Informal Case Resolution may request a sanction review for the following reason:

- Sanction unreasonably harsh or inappropriate for the circumstances of the violation.

Requests for review of sanction(s) must be delivered in writing (typed and delivered in person or via email or fax) to the Office of Student Conduct within 48 hours of being assigned the sanction(s) or by 9:00 a.m. on the next university business day if the deadline falls on a weekend or after 5 p.m. on a weekday. This is the only appeal available through the Informal Case Resolution Process. The sanction review will be heard by the Assistant Dean of Student Conduct unless she/he was the initial hearing officer. If the Assistant Dean of Student Conduct was the initial hearing officer, the Vice Chancellor for Student Affairs Office or Designee will hear the review. The decision of the Appeal Officer is final.

**Student Organization Council Hearing Appeal**

A student organization found responsible for a violation of university/council policy during a council hearing may request and appeal for one of the following reasons:

- Insufficient information that a policy was violated;

- Sanction unreasonably harsh or inappropriate for the circumstances for the violation.
- New information has been found that was not available at the time of the hearing.

Requests for appeal must be delivered in writing (typed and delivered in person or via email or fax) to the Office of Student Conduct within 72 hours, of receipt of the original written decision, or by 9:00 a.m. on the next university business day, if the deadline falls on a weekend or after 5:00 p.m. on a weekday. Typically a decision will be rendered within five (5) to ten (10) university business days, unless the sanction includes suspension or dismissal. After review, the Vice Chancellor of Student Affairs Office or designee may:

- Affirm the finding(s) of the original hearing authority;
- Reverse finding(s) of the original hearing authority;
- Alter the sanction(s) of the original hearing authority;
• Refer the case to the Office of Student Conduct for a new hearing including the new information shared in the appeal.

The decision of the Appeal Officer is final.

**Formal Conduct Hearing Appeal**

A student found responsible for a violation of university policy during a Formal Conduct Hearing may request an appeal for one of the following reasons:

- Insufficient information that a policy was violated;
- A serious procedural error in resolving the case;
- Sanction unreasonably harsh or inappropriate for the circumstances for the violation.

Requests for appeal must be delivered in writing (typed and delivered in person or via email or fax) to the Office of Student Conduct within 72 hours, of receipt of the original written decision, or by 9:00 a.m. on the next university business day if the deadline falls on a weekend or after 5:00 p.m. on a weekday. Typically a decision will be rendered within five (5) to ten (10) university business days, unless the sanction includes suspension or dismissal. After review, the Vice Chancellor of Student Affairs Office or designee may:

The Student Government Association (SGA) is the voice of the graduate and undergraduate student body at Arkansas State University. Senators and staff seek to provide advocacy and support by highlighting key campus issues, serving on university committees, and participating in the university shared governance process. SGA raises awareness by sponsoring the Campus Safety Walk-Through, hosting Rugby Day, conducting a Clean Energy Forum, and passing a resolution to allow students 24-hour access to a specific computer lab on campus. SGA led initiatives to build the Student Union and Red WOLF Center.

Who is involved in SGA?
The Senate consists of elected student representatives for each classification and academic college, as well as, representatives for the Non-Traditional student population, the International student populations, ROTC, and the Honors College. President, Vice President and Senator elections are conducted each March and Freshman Senator elections are every September. Appropriate arrangements are made for qualified students with disabilities to receive academic adjustments, campus support services and use of auxiliary aids. Auxiliary aids can include various modes of communication, assistive devices, and technology. Students are assisted with adaptive testing, “Ghostwriter” note taking services, reader services, and special seating arrangements in the classroom. Provisions are also made for campus workplace access and accommodations. Procedures are implemented to remove barriers that block physical access to buildings and facilities as well as programmatic access to campus activities, programs and services. Disability Services (DS) collaborates with staff in various academic and non-academic departments to provide services that promote inclusion for students with disabilities/impairments.

Disability Services is also a student-centered, service oriented program that assists students in gaining volunteer experience. Students with and without disabilities from a wide variety of academic majors have found unique volunteer opportunities offered by Disability Services to be rewarding and beneficial. Volunteer activities include: tutoring, escorting, transporting and/or carrying books for students, note-taking, testing services, and technical assistance. Non-Academic Grievance Procedure

Arkansas State University has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by the U.S. Department of Justice regulations while implementing Title II of the Americans with Disabilities Act. Title II states, in part, that "no otherwise qualified disabled individual shall, solely due to such disability, be excluded from the participation in, be denied the benefits for, or be subjected to discrimination" in programs or activities sponsored by a public entity.

1. Complaints should be addressed to the Director of Disability Services, Coordinator of ADA as amended, (ADAAA) and 504 compliance efforts for students. Grievance forms are available both on the web at http://disability.astate.edu and in Disability Services.

2. Complaints should be filed in writing or verbally, containing the name and address of the complainant, and briefly describe the alleged violation of the regulations.

3. Complaints should be filed within 35 working days after the complainant becomes aware of the alleged violation.

An investigation, deemed appropriate, shall follow upon the filing of a complaint. The investigation shall be conducted by the ADA and 504 Coordinator. This process establishes informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to submit evidence relevant to a complaint. A written determination as to the validity of the complaint and a description of the resolution, if any, shall be issued by the investigating official and a copy forwarded to the complainant no later than 25 days after its filing. The ADA Coordinator shall maintain files and records of Arkansas State University relating to the complaints filed.

The complainant can request a reconsideration of the case in instances where he or she is dissatisfied with the resolution. The request for reconsideration should be made within 15 working days to the Director of Disability Services. The student will have an option to submit request in writing to the Disability Services Committee. A written request for reconsideration should be submitted to the Vice Chancellor for Student Affairs within 35 working days of the incident. The decision of the Associate Vice Chancellor for Student Affairs will be final.

Notably, an individual’s right to a prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person’s pursuit of other remedies such as filing of an ADAAA complaint with the responsible federal department or agency. Use of the grievance procedure is not a prerequisite to the pursuit of other remedies. The entire process shall be constituted to protect the substantive rights of interested persons to meet appropriate due process standards and to assure that Arkansas State University complies with the ADAAA, Section 504 of the Rehabilitation Act of 1973 and implementing regulations.

FUNDRAISING (SOLICITATION) POLICY

The following provisions and regulations shall apply to faculty, staff, students, student organizations, and visitors. All faculty, staff and recognized student organizations may be permitted to hold fund-raising events on campus under the following conditions:

• Faculty, staff and recognized student organizations may hold fund-raising activities (solicitations) that are reasonable and appropriate given the organization’s purpose. The activities are not to occur more than three times per semester per requesting organization for a period not to exceed three days per event. Fund-raising activities (solicitations) shall be defined as requesting donations, without products or services being rendered, or activities that raise funds through the sale of merchandise or services for the benefit of the recognized organization, for the educational purposes of Arkansas State University or for a selected philanthropic project of the organization. Fund-raising activities may include university-sanctioned philanthropic projects such as United Way.

• The president (or designee) of a student organization will submit an activity request form for each fund-raising event to the Leadership Center at least one week prior to the requested date(s) of the fund-raising.

• The Leadership Center will review the request for eligibility (recognized student organization; number of previous events held during the academic year) and appropriateness (for benefit of the student organization rather than the benefit of an outside vendor; consistency with purpose of the organization). An off-campus organization or business may not conduct the fund-raising activity and then provide the recognized ASU organization a certain percentage of sales, income, etc.

• The president (or designee) of the student organization will contact the appropriate dean or director of the site(s) at which the event is to be held to obtain site approval. Faculty and staff organizations will also be responsible for obtaining site approval from the appropriate dean or director of the site. Campus organizations who conduct fund-raising activities are encouraged to use the Reng Student Union facility, or entrance lobbies to campus buildings.

• Individual groups or organizations using a university facility are responsible for setup, take down and cleaning up the area used. Promotional materials, posters, signs, etc., should be in compliance with the established policies stated in either the Student Handbook or the Operating Policies and Procedures Manual.
HAZING STATEMENT

Arkansas State University prohibits hazing by any group or individual affiliated with the University. ASU defines hazing as “any mental or physical requirement, request or obligation placed upon any person that could intentionally or unintentionally cause discomfort, pain, fright, disgrace, injury or which is personally degrading for the purpose of initiation into, admission into, affiliation with, or as a condition of continued membership in, a group or organization. A person’s expressed or implied consent to hazing does not negate the standards above.”

When ASU’s Hazing policy is allegedly violated, the university will investigate all participants through the conduct process. A victim complaint is not necessary to initiate an investigation, as the university recognizes the difficulty in coming forward in such cases. The university takes all allegations of hazing seriously and will address all allegations of hazing to the best of its ability.

MANDATORY ADMINISTRATIVE LEAVE POLICY

1. The Vice Chancellor for Student Affairs may invoke the Mandatory Administrative Leave Policy if a student engages in or exhibits behavior that:
   a. Poses a direct threat to the health, safety, or welfare of themselves or students, staff, faculty or other members of the university community and/or university property; or
   b. Interferes with the rights of students, staff, faculty, or other members of the university community, including disruption of the normal or sponsored academic and extra-curricular activities of the university.

2. Proceedings for Mandatory Administrative Leave are initiated by providing written information to the Vice Chancellor for Student Affairs that a student has engaged in or exhibited the above described prohibited behavior.

3. Upon receipt of written information that a student has engaged in or exhibited the above described prohibited behavior, the Vice Chancellor for Student Affairs may immediately place the student on Mandatory Administrative Leave. If Mandatory Administrative Leave is invoked, the Vice Chancellor for Student Affairs shall mail to the student no later than the next business day: copies of the written charges provided to the Vice Chancellor for Student Affairs and notice that the student has been placed on leave.

4. The Vice Chancellor for Student Affairs shall conduct a review within five business days after leave is invoked. The review shall include conferences with both the charging party and the student. The student shall have the right to present statements, witnesses and/or evidence that refute the charges presented to the Vice Chancellor for Student Affairs or demonstrates that no basis for a Mandatory Administrative Leave exists. The student may be accompanied to the conference by an adviser such as a friend, relative, faculty member, or medical/mental health provider.

If a student placed on Mandatory Administrative Leave wishes to re-enroll at the university, they will be required to present written evidence they will not exhibit the behavior that resulted in Mandatory Administrative Leave, including a recommendation from a medical or mental health professional as to whether the student should be able to function at the university without exhibiting the behavior that resulted in the Mandatory Administrative Leave. The Vice Chancellor for Student Affairs may require an evaluation by the director of the Counseling and Psychological Services Center; director of the Student...
Health Center, certified alcohol and drug counselor; or other mental health professional prior to considering a student's request to be readmitted to the university following Mandatory Administrative Leave. After review of all information obtained at the time a student previously on Mandatory Administrative Leave requests readmission, the Vice Chancellor for Student Affairs will either continue the Mandatory Administrative Leave or may readmit the student with or without qualification.

6. Proceedings under the Mandatory Administrative Leave Policy do not preclude additional proceedings pursuant to the student Code of Conduct.

NON DISCRIMINATION RESPONSIBILITIES
OF ASU/SEXUAL MISCONDUCT

Discrimination/Sexual Misconduct

It is the policy of Arkansas State University (ASU) to provide an educational and work environment for its students, faculty, and staff that is free from discrimination and sexual harassment. In accordance with federal and state law, the university prohibits discrimination on the basis of race, color, national origin, religion, age, disability, and sex. This policy includes zero tolerance for any form of sexual misconduct including sexual harassment, sexual assault, and sexual violence by employees, students, or third parties against employees, students, or third parties, on or off the university campus, during or outside of class/work hours.

Sexual Harassment is:

- Unwelcome, gender-based verbal (spoken) or physical conduct that is,
- sufficiently severe, persistent or pervasive that it, unreasonably interferes with, denies, alters, or limits someone's ability to participate in or benefit from the university's educational programs and/or activities, or employment, and is
- based on power differentials (quid pro quo), the creation of a hostile environment, or retaliation.

Examples include: an attempt to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwelcome sexual attention; to punish a refusal to comply with a sexual based request; to condition a benefit on submitting to sexual advances; stalking; gender-based bullying.

Sexual assault and/or violence includes any Non-Consensual Sexual Contact or Intercourse as defined below:

- Non-Consensual Contact is any intentional sexual touching, however slight, with any object, by a man or a woman upon a man or a woman, that is unwelcome (without consent) and/or by force.
Sexual Contact includes intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any unwelcome sexual touching on purpose even if it is not on these body parts.

- Non-Consensual Intercourse is any sexual intercourse however slight, with any object, by a man or woman upon a man or a woman, that is unwelcome (without consent) and/or by force.

Intercourse includes vaginal or anal penetration by a penis, object, tongue or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

Sexual Exploitation:
Occurs when an individual takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, when that behavior does not otherwise constitute one of the other sexual misconduct offenses.

Examples include but are not limited to:
- Invasion of sexual privacy, prostituting another, non-consensual video or audio-taping of sexual activity, engaging in voyeurism (peeping Tom), knowingly transmitting an STI or HIV to another, exposing one’s genitals in non-consensual circumstances; inducing another to expose their genitals; sexually-based stalking and/or gender-based bullying may also be forms of sexual exploitation.

Individuals who believe they have been subjected to such violations have the right to and should expect a prompt, thorough and impartial investigation. This investigation is designed to provide a fair and reliable determination whereby the university will implement a prompt and effective remedy designed to end the discrimination, prevent its recurrence, and address its effects. Sanctions range from a warning to termination/expulsion, depending on the offense and severity of the incident, and taking into account any previous campus conduct violations.

Anyone who has experienced any form of discrimination including sexual misconduct is encouraged to report the incident promptly. All university employees (excluding licensed professionals in counseling services) should promptly report known incidents. All reports should be communicated to the Title IX Coordinator, Traci Perrin, at equity@astate.edu or (870)972-2015.

All reports, complaints, and investigations are treated with discretion. Information is revealed as law and policy permit; however, the identity of the complainant is usually revealed to the person(s) accused of such conduct and any witnesses with consent of the complainant. ASU strictly prohibits retaliation against any person for reporting, filing, testifying, assisting, or participating in any manner in any investigation or proceeding involving allegations of
discrimination or misconduct. Publicizing information about alleged discrimination, misconduct, or retaliation is strictly prohibited and may be considered a violation of university policy. Any person who violates these policies will be subject to discipline, up to and including termination and/or expulsion.

The university reserves the right at any time to change, delete, or add provisions to this procedure. The full procedure posted on the webpage of the Office of Affirmative Action/Title IX Coordinator supersedes all previous versions - electronic or in print.

Definitions

Arkansas State University. Arkansas State University (ASU) means all the campuses within the Arkansas State University System, now and in the future.

Student. Student means an individual who attends or has attended classes at ASU. This policy does not apply to the records of applicants for admission who are not accepted to ASU nor does it apply to applicants who are accepted but choose not to attend ASU.

Education Record. Education records are those records, files, documents, and other materials which contain information directly related to a student and are maintained by ASU or a person acting for ASU.

Directory Information. Directory Information is designated to be the student’s name; local and permanent physical addresses; electronic mail addresses; telephone listings; photographs and electronic images; date and place of birth; major field of study; participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of attendance; degrees and awards received; and the most recent previous educational agency or institution attended by the student.
Arkansas State University Family Educational Rights and Privacy Act Policy

The Family Educational Rights and Privacy Act requires that institutions of higher education strictly protect the privacy rights of all students who are or who have been in attendance. Information contained in the student’s education records can be shared only with those persons or entities specified within the Act. The law also provides that students have the right to review their education records for the purpose of making any necessary corrections. The Office of the Registrar maintains a copy of the full text of FERPA, posts electronic information on FERPA, and processes all FERPA requests and challenges. Arkansas State University will utilize the following process to implement the provisions of the Family Educational Rights and Privacy Act.

Process

Disclosure of Education Records

Disclosure With Student Consent.
A student may consent in writing to disclosure of education records. The student’s written consent must be signed, dated, and specify which records are to be disclosed, to whom, and for what purpose. The consent must be delivered to the office of the Registrar. The student may retract the consent in writing at any time. Proper proof of identity may be required by the Registrar’s office before consent is retracted.

Disclosure Without Student Consent.
ASU may disclose education records without the student’s written consent to any school official within the institution with a legitimate educational interest. School officials include administrators, supervisors, faculty members, instructors, support staff, members of the Board of Trustees, persons with whom ASU has contracted for special tasks, and university committee members. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. School officials of ASU are considered to be within the institution for the purposes of FERPA and may exchange education records without student consent so long as they have a legitimate educational interest.

Disclosure without student consent may also be made to other persons and entities as allowed by FERPA.

Faculty sponsors of registered honor societies may have access to student education records for the sole purpose of determining eligibility for membership on the basis that they are acting in an official university capacity that is integral to the educational function of ASU.

The parents of students may exercise rights under FERPA if the student is claimed as a dependent by the parents for income tax purposes. Dependency must be proven by submission of a copy of income tax returns.

Disclosure of Directory Information
Directory information may be disclosed to any person or entity without student consent unless the student submits a completed request for non-disclosure of directory information.
form to the Office of the Registrar. If a student elects not to allow disclosure of directory information, ASU cannot share information regarding the student with any person or entity including prospective employers, licensing agencies, government agencies, the media, and others. The student may retract the directory information non-disclosure in writing at any time. Proper proof of identity may be required by the Registrar’s office before the directory information non-disclosure is retracted.

**Inspection, Review, and Correction of Education Records**
Students have the right to inspect and review their education records except for specific exclusions contained within the Family Educational Rights and Privacy Act. A student should contact the Office of the Registrar to arrange for inspection, review, and correction of an education record. The Registrar may charge a fee for copies of any education records.

**Ownership of Education Records**
Education records are the property of ASU. Education records, including transcripts and diplomas, will not be released to any student who has a delinquent financial obligation to the University.

**TIMELY NOTIFICATION POLICY**

In the event of a major crime incident occurring on the Arkansas State University Jonesboro campus or the surrounding area that will endanger or affect the campus community, the Chief of University Police, or his/her designees, will evaluate the circumstances and determine the need and manner for alerting the campus community.

The mode of notification will vary depending on the particular circumstances of the crime, or other emergency. One or more of the following communication tools will be used to notify students, faculty and staff:

- Text message through the emergency alert system
- Messages on Telephones through the Cisco Phone System
- Alerts on the ASU Website
- Signage placed in and around buildings
- Emails to ASU email addresses
- Media alerts

If a problem appears to be confined to a building or group of buildings, notification will generally occur through posting flyers in the affected area. If the buildings identified in this case are residential, Residence Life Staff may notify their students through hall meetings or word of mouth in addition to the postings.
