TimeClock Plus

EMPLOYEES TRAINING
Biggest Changes

• Employees **MUST** verify their timecards weekly and Supervisors **MUST** verify their employees leaves/timecards weekly. Verifying and Approving **MUST** be completed by Tuesday at 12pm (Noon) for the previous week.

• Student Hourly/Non-Student Hourly Part- time will use TimeClock Plus to clock his or her time. They **MUST** Clock- In and Clock- Out daily.

• Employees no longer have the capability to correct a late clock-in. This must be done by your supervisor.
Using the WebClock

1. Access WebClock by selecting the **TimeClock Plus** icon in myCampus. Follow prompts to continue logging-in using your A-State email address and password.

2. You have now arrived at your **Dashboard**. From here, you can select **Clock In** or **Clock Out**.
Clocking In or Out Using WebClock

• After making your selection, you will be on the Confirmation screen. You will see your name and the current database time, as well as buttons to Cancel or Continue. If the name and time are correct, click Continue.

• If you have more than one job code, select the job code from the list. (ONLY Student- Hourly or Non-Student Hourly)

• Click Ok on the "Clock in/out operation successful" window.
Missed Clock In or Out

If you fail to clock, a message will appear the next time you clock in or out.

Read the notification to see if it is a missed Clock In or missed Clock Out.

Click Continue.
Missed Clock In or Out

It will notify you that your last punch was either a clock in or a clock out and it will display the date and time.

Select continue to enter the missed in or out time. You can only correct the time that is not grayed.

Enter the correct time and click Continue.
Missed Clock In or Out

Once the correction has been made the following screen will appear with the corrected information.

Click **Continue**.
Using the Dashboard

The Dashboard gives the employees the capability to do the following:
1. Clock in and out.
2. View hours, last punch, accruals, and messages.
3. Request time off/leave.
How to View Hours

The **View Hours** option allows you to view the hours worked in any given week. This screen allows you to approve segments each week.

Navigating the View Hours Window:

1. After logging into **WebClock**, select **View**, and **View Hours**.
2. Select the appropriate week with the **Next** and **Prev** buttons.

All of the segments worked during that week can be seen in the grid below.
How to View Last Punch

The View Last Punch option allows you to view the last time you clocked in. After selecting View Last Punch, you will be able to see the time of your last punch as well as the job code assigned to it.

![Last Punch Screen]

Clocked in at 5/3/2019 09:15 AM
Job Code 930056000 - Graduate Assistant 9 Mo
How to View Accruals

The View Accruals option allows you to view your leave accruals.

Please be mindful that the balances that are listed are a pay period behind.
Request Leave Using Computer

Click on Requests, calendar will appear.
Request Leave Using Computer

1. Click **Request**. Click on the **Add** button or click the plus sign (+) on the desired date of the request.
Request Leave Using Computer

2. Select the **Start time**. This will be the anchor time for the leave time sheet. Enter in the length of the leave request in the **Hours** field. For example, if you want to create a leave request from 8:00 AM to 5:00 PM, enter a start time of 8:00 AM and amount of hours as 8.

3. Select how many days are being requested. By default, the request will only be entered for the initial date requested. To create identical requests on subsequent days, select the number from the **Days** field.
If you are requesting consecutive days off and the days are Thursday, Friday, and Monday or Friday, Monday, and Tuesday, you will have to enter 2 requests. IF NOT, it will include the weekend days, Saturday and Sunday.

Enter the number of days of request.
Request Leave Using Computer

4. Select the appropriate Template to be used for this time off request. Please note that any unspecified leave codes must be replaced with a valid leave code before the segment can be approved.

5. Click Save.
The **View Requests** feature allows employees to enter time off requests. Time off requests are used when employees want to request a certain amount of time off for vacation, sick, or other reasons. These requests can be made in any leave code the employee has access to and will draw from relevant accrual banks.
Submitting Inclement Weather and Authorized Leave

**This function is ONLY available when INCLEMENT WEATHER or AUTHORIZED LEAVE has been activated**

The **Manage Time Sheet** feature allows employees to enter a flat amount of leave time (example: 8 hours) when inclement weather or authorized leave has been activated.
Submitting Inclement Weather and Authorized Leave

1. Select **Manage Time Sheet**.
2. Click **Add**. Enter **Start time** for **Authorized Leave** or **Inclement Weather**. Enter the number of leave hours. Select **Approved**.
Submit Inclement Weather and Authorized Leave

3. You can also select **Edit** to enter your information.
Submitting Inclement Weather and Authorized Leave

Once you have finished editing the time sheet entry, check to Approve box to approve that day, or choose Approve Week to approve all entries for that week.

Then click Accept at the top of the screen to commit your changes.
Weekly Time Approval

1. After logging into WebClock, select View, and View Hours.

2. Select the appropriate week with the Next and Prev buttons.

3. Find the segment you want to approve and click on the check mark in the [E] column. If you want to approve all the shifts on screen, click on the [E] column.
Reviewing Time After Approved

You can review your timecard when leave has been approved to ensure hours are correct.
Best Practices

• Use the Computer for requesting leave.
• Use the Computer for reviewing and verifying timecards.
• Please review your absences when requesting leave for accurate payroll processing.
• Become familiar with the software so that it can be utilized to the best capacity.
• Do not share passwords, clock-in in your assigned area, do not abuse leave, do not abuse working hours, do not overuse the ability to correct/revise punches.
• Any reports of suspicious abuse will be investigated.
• Once TimeClock Plus goes live, visit our website where we provide training videos, presentations, and Handbooks.
