Graduation periods run through July/August and therefore include summer graduates (Fall-Spring-Summer). Associate degrees are included.

Graduation counts include students even if they are still enrolled at A-State or have transferred to another institution. For students who have earned multiple degrees at A-State: the student is counted once and is reported on the first degree conferred not the highest degree.

Disclaimer: It is important to note that the information in this profile may differ from data reported by the Office of Institutional Effectiveness to other federal, state, and regional agencies due to differences in reporting guidelines, reporting definitions, and the timing of when the information was prepared.

Analysis Prepared by the Office of Institutional Effectiveness.

*Other Female includes American Indian/Alaskan Native, Asian American, Hispanic American, Hawaiian Native/Pacific Islander, those reporting two or more races, those whose ethnicity is unknown, & international students.

Graduation periods run through July/August and therefore include summer graduates (Fall-Spring-Summer). Associate degrees are included.

Graduation counts include students even if they are still enrolled at A-State or have transferred to another institution. For students who have earned multiple degrees at A-State: the student is counted once and is reported on the first degree conferred not the highest degree.
