

Resources for Educators

WE'VE ENHANCED THE BLACKBOARD LEARN RELEASE 9.1 PLATFORM WITH A COMPREHENSIVE SET OF RESOURCES AND SERVICES BUILT SPECIFICALLY WITH YOU IN MIND. PLEASE FIND A LIST OF RESOURCES BELOW. FOR MORE INFORMATION, VISIT [BLACKBOARD.COM/FACULTY](http://blackboard.com/faculty).

BLACKBOARD INNOVATIVE TEACHING SERIES

Harnessing our community of Blackboard users, BITS shares the top strategies and pedagogy for both increasing educator efficiency and improving learning outcomes. Learn the basics and more with these free weekly training webinars. Visit blackboard.com/BITS

BLACKBOARD IDEA EXCHANGE (BIE)

The BIE consists of numerous community programs that allow clients to impact future releases of Blackboard Learn. Depending on what stage of the software development lifecycle you want to impact and the time commitment you can make, there is a BIE program for you. Visit blackboard.com/BIE

USER GROUPS

Blackboard User Groups bring together Blackboard users interested in networking, learning, meeting subject matter experts and sharing best practices with one another. Visit blackboard.com/usergroups

EXEMPLARY COURSE PROGRAM (ECP)

Improve and showcase your exemplary course to peers. Get started with the Exemplary Course Program Rubric or preview the work of previous winners. Visit blackboard.com/ecp

MOOC: DESIGNING AN EXEMPLARY COURSE

Using the Blackboard Exemplary Course Program Rubric as a guide, this open course provides both theoretical concepts and practical tools for instructors to recognize, organize, and build online courses for both blended learners and online learners. Visit open.coursesites.com

RUBRICS

Interactive Rubrics are a great tool to foster instructional best practices and help faculty teach more efficiently. Download a few provided by our community today. Visit blackboard.com/rubrics

GUIDED TRIAL

Experience a pre-populated course in Blackboard Learn. Check out the latest features as well as tips and tricks for grading and student collaboration. Visit blackboardlearn.com/trial

COHORT PROGRAMS

Join your peers for discussion and guided support and participate in a cohort to help maximize your expertise with Blackboard. Visit blackboard.com/cohort

TRAINING PROGRAMS

Learn to build courses, increase interaction, and assess learners. Check out the comprehensive training programs for instructors. Visit blackboard.com/training

ON-DEMAND LEARNING CENTER

Home to dozens of video tutorials, getting started guides and other resources to help educators and students acclimate to the latest features in Blackboard Learn. Visit ondemand.blackboard.com

DIGITAL CONTENT CENTER

Learn about Blackboard's content partnerships and how you can integrate rich digital content into your online courses. Visit blackboard.com/digitalcontent

BLACKBOARD HELP

Have a question about how to do something in Blackboard Learn, check Blackboard Help. The Help website gathers all of our product documentation into one easy-to-use location to help you find the information that you need. Visit help.blackboard.com

ASK THE DOCTORS

Ask the Doctors is a client led discussion forum where you can ask questions and get insightful product know-how from a distinguished group of Blackboard client experts. Post a question and you will receive an answer within 24 hours. Visit discussions.blackboard.com
