## Wrap - Up

There were no events in the Multicultural Center last week. However, the MC staff began meeting with other departments to plan for the Black History Month next semester. If you would like to be involved, please email us.

The MC also participated in the Transfer Student Resource Fair. It was wonderful to meet future A-State Students, and let them know about the services we provide, as well as peak their interest in the activities we have planned for Spring 2018.

## EVENT SPOTLIGHT

There were no events in the MC last week.

## Student Spotlight

### Q & A with Chris

**What drew you to your current position?**  
Well, I was actually hired as a GA as I am currently getting my Master's Degree in Finance. However, due to my work ethic, I was promoted to the Diversity Program Coordinator position. I expect to graduate this December!

**What is a goal you have for this academic year?** I want to continue to implement programs and initiatives geared towards our diverse students at Arkansas State. There truly is Unity in Diversity.

This week's Staff Spotlight is Chris Davis. Chris is the program coordinator of the Office of Diversity. Chris is from Gary, Indiana, and currently holds a Bachelor's Degree in Business Administration with an Accounting Concentration from Philander Smith College. Chris enjoys playing piano, poetry and music in his spare time.

In his role with the Office of Diversity, Chris has facilitated many beneficial programs. He has also partnered with the MC on planning committees, as well as with programming. If you were able to attend our first event of the 2017-2018 Academic Year, the Multicultural Center Mixer, you saw some of his hard-work.

The MC is lucky to have Chris Davis and the Office of Diversity as a partner!
