

LIVE UNITED

United Way serves as an important funding source and community builder. We are an organization dedicated to wisely and effectively investing our region's financial and human resources to make a better community for us all. We value collaboration that operates with integrity, equity, inclusion and measurable impact.

Your donations stay local!

WE LIFT UP COMMUNITIES

We envision communities where every person has access to quality education, health, and the financial resources needed to achieve their full potential. We do more than raise funds, **we lift up communities!**
