

## Physical Therapist/ Physical Therapist Assistant Needed in Outpatient Physical Therapy Clinic (Hot Springs, AR)

We are a dynamic, evidence-based physical therapy clinic specializing in orthopedic and sports medicine. We are growing and are in need of a physical therapist and physical therapist assistant. Our therapists needs to be a self-motivated, very organized individual with an advanced degree in physical therapy from an APTA-accredited physical therapy program, preferably with at least 1 year experience. Individuals must have a current AR state license in good standing with the Arkansas State Board of Physical Therapy. Does this sound like you? We are looking for full-time hours (40 hours), but are willing to be flexible for the right candidate. Options may include (4)10 hrs workdays or other agreeable arrangements. We are willing to look at the right PRN therapist, if you are the right fit.

Duties and responsibilities will include:

- Evaluating each patient (utilizing our 7 step exam) that is specific to age, illness, injury, and/or disease. (PT)
- TIMELY preparing a written plan of care (using our web-based EMR) based on evaluation findings. (PT)
- Documenting PQRS and functional outcome tools as required by our payors. (PT/PTA)
- Supervising the implementation of each plan of care, coordinating treatment with support staff. (PT)
- Tracking established clinic metrics for both therapist and administrative staff. (PT/PTA)
- Actively participating in ongoing marketing strategies to ensure the health of our practice.
- Willingly participating in community events to help promote our practice. (PT/PTA)
- Being a proactive member of our team bringing proposed solutions to any problems that may arise. (PT/PTA)
- Helping foster a professional environment that is friendly and welcoming to everyone. (PT/PTA)
- Displaying a willingness to go above and beyond to ensure each patient's satisfaction. (PT/PTA)
