

Geriatric Grand Rounds: Communication Impairment in Persons with Alzheimer's Disease

*Sponsored by the Donald W. Reynolds Institute on Aging
and the Arkansas Geriatric Education Collaborative*

In Recognition of National Family Caregivers Month

Presented by Richard Zraick, Ph.D., CCC-SLP, Professor, Chair,
Department of Communication Sciences and Disorders, University of Central Florida

Wednesday, November 2
8 a.m. to 9 a.m.
Reynolds Bldg, Room 203

Objectives

- Describe tools to access language deficits, and facilitate communication in persons with Alzheimer's disease
- Cite general communication tips for communicating with persons with Alzheimer's disease
- Describe some dementia-related impairments that compound language deficits in persons with Alzheimer's disease

2 ways to watch:

- Watch in the Reynolds Conference Room (203)
- Watch from a computer via [UAMS Blackboard Collaborate](#). **Click Here for CE Documents.**
