Proposals for expanding the current Master of Arts in Teaching, an initial licensure program to include Elementary Education K – 6 licensure. The original approved MAT had two tracks: Early Childhood and Middle Level. When the state sun-setted the Early childhood PreK-Grade 4 license, the original determination of the state was to not accept alternative licensure for Elementary Education. The state has changed its position. This packet includes the expanded program, new course proposals and syllabi

(one syllabus needed for the LON is coming), the LON except for the ATS and TESS program matrices.
