A Letter From The Chair:

We are drawing very close to a busy and eventful Spring 2019 semester. With 63 of our students walking to receive their diplomas at the upcoming Commencement Ceremony, we continue the tradition of having a significant presence in the graduating cohort. Four among these, Kara Austin (Outstanding Undergraduate

Student in Criminology), Tomomi Hashimoto (Outstanding Undergraduate Student in Sociology), Justin Gibson (Outstanding Graduate Student in Criminology), and LaVonda Evans (Outstanding Graduate Student in Sociology) are our departmental awardees for the best students in the undergraduate and graduate degrees in Sociology and Criminology. Heather Wojtarowicz is the recipient of the John C. Osoinach Scholarship. The success of our students was prominent beyond the department. Payton Binns is one of the two ASTATE recipients of the Fulbright fellowship for the year 2019-2020. Tomomi Hashimoto made the list of 4.0 GPA scholars. Congratulations to all! It is indeed very encouraging to see our vision of combining quality with quantity that I have echoed on multiple occasions getting realized.

On the faculty side, Sarah Kendig was the college nominee for the Outstanding Advising Award. On the front of scholarly production, it has been an active semester with several of us having managed to publish and present at competitive avenues. I would like to make a special mention of our graduate student, Evelina Eriksson for her presentation at the Midwest Sociological Society meetings.

We are making strides in strengthening our graduate and undergraduate curricula. Dr. Selye Lee will be joining us as the new Criminology faculty member in this endeavor. Also, our efforts to bolster our alumni group are shaping up well.

As quite a few of you are aware that that at the end of this term I am stepping down as the chair to assume college level duties and responsibilities in the Dean's Office, albeit I remain a faithful member of the department. I am very hopeful that my successor will facilitate a smooth transition and continue the upward and onward trajectory.

Would like to sign off with wishes for a pleasant and a productive summer.

Student Spotlight

Tomomi Hashimoto

Tomomi is from Japan. She will be graduating in May 2019 with her B.A. in Sociology. She came to the US to study because she wanted to go somewhere after high school. She had no idea where that was. Her study abroad counselor in Japan helped her narrow it down to two schools. She checked them out and decided to come to A-State. So, at 18, she came to the US to A-State to study. It took her a while to narrow it down to Sociology. Her Intro to Sociology class convinced her that Sociology was the major for her.

Tomomi feels that A-State is very helpful and supportive to international students. She became a member and got involved with HOLA (Hispanic Outreach and Latino Association). She has worked with them for two years and serves on their board.

Tomomi has had much success at Arkansas State University. She was recognized as a CLAC 4.0 Scholar in the College of Liberal Arts and Communications, was awarded the John C. Osoinach Scholarship for two years, and was Outstanding Undergraduate Student in Sociology in 2019.

After graduation, she will attend Sussex College, which is just south of London. She will be pursuing a Master of Art in Human Rights. In the future, she would like to help vulnerable populations and she is interested in gender issues.

Payton Binns, CSG Student, wins National Award

Payton Binns, Criminology Major, was selected as a Fulbright Scholar. Binns, a May 2019 graduate is from Cabot. Her Fulbright will enable her to study International Crime and Conflict in the Netherlands.

During her undergraduate experience, Binns did an internship at the State Crime Lab as well as a Study Abroad experience in Costa Rica, where she studied Spanish.

She is a member of Sigma Delta Phi, the Spanish Honor Society and the ASU Environmental Club. She says Costa Rica is a mountainous region that is very Eco Friendly. She toured two coffee farms while she was there.

After graduation, Binns, who is interested in the courts, plans to work as a paralegal for a bit before she makes a decision on a Masters Degree, possibly in Forensic Science.

Congratulations to
