These courses will help you set the groundwork for becoming one of over 200 million French speakers across the globe. You will learn how to greet and meet people in French and to speak about your studies, hobbies and interests, as well as about your family. You will also learn about culture in French-speaking Africa, Canada and, of course, France. You will also learn about how to order at restaurants, how to make travel arrangements, and talk about your health.
