Arkansas State University

History and Overview

Arkansas State University in Jonesboro enjoys a reputation as an excellent institution of higher education serving citizens throughout Arkansas and surrounding states. It is the only comprehensive public university located in this region. Dedicated to teaching, research and service, the university provides students with the broad educational foundations that help develop critical thinking and analytical skills, decision-making capabilities, and communication skills. Dr. G. Daniel Howard became interim chancellor of the ASU-Jonesboro campus on July 1, 2010.

This institution was founded in Jonesboro in 1909 by the Arkansas General Assembly as a regional agricultural training school. It began offering a two-year college program in 1918, then became "First District Agricultural and Mechanical College" in 1925. A four-year degree program was begun in 1930, then A & M College became "Arkansas State College" in 1933. The Arkansas Legislature elevated the college to university status and changed the name to Arkansas State University in 1967. Today, the institution has more than 61,000 alumni. ASU was designated a tier I Southern Regional institution of higher education by the editors of *U.S. News & World Report* in the 2012 edition of "America's Best Colleges." *Military Times Edge* magazine listed ASU among the top 10 most veteran friendly institutions of higher education, and the editors of *Military Advanced Education* listed ASU among the top military friendly institutions of higher education in 2010-11. More information about ASU-Jonesboro is available at its web site, www.astate.edu.

Degree Programs

Master degree graduate programs were initiated in 1955, and ASU began offering its first doctoral degree, in educational leadership, in the fall of 1992. Additional doctoral programs are now offered in environmental science, heritage studies, molecular biosciences, and physical therapy. Programs at the specialist, master, bachelor and associate degree levels are available through the various colleges: Agriculture and Technology, Business, Communications, Education, Engineering, Fine Arts, Humanities and Social Sciences, Nursing and Health Professions, Sciences and Mathematics, and University College. Classes also are offered through The Honors College and the independent Department of Military Science. More information about the various colleges and academic departments is available through the Office of Academic Affairs and Research.

Accreditation

Arkansas State University's commitment to excellence in higher education is demonstrated by its accreditation by The Higher Learning Commission of the North Central Association, as well as 20 specialized accrediting organizations. In addition, the university holds membership in numerous national organizations which support the highest educational standards.

The ASU System

The ASU System includes campuses at Jonesboro (Craighead County), which offers degree programs through the doctoral level; Beebe (White County), Mountain Home (Baxter County), and Newport (Jackson County), where associate degree programs are offered; and at Heber Springs, Marked Tree and Searcy. Dr. Charles L. Welch is president of the Arkansas State University System, which was created by Board of Trustees resolution, effective July 1, 2006. Arkansas State University-Beebe became part of ASU in 1955. White River Vo-Tech at Newport became associated with ASU-Beebe in 1992; that campus is now Arkansas State University-Newport. The Mountain Home campus officially became ASU-Mountain Home on July 1, 1995. Delta Technical Institute at Marked Tree merged with ASU and became Arkansas State University Technical Center on July 1, 2001. ASU-Heber Springs operates as a sister campus of ASU-Beebe. Foothills Technical Institute at Searcy was merged with ASU-Beebe on July 1, 2003, and is now ASU-Searcy, a technical institute of ASU-Beebe.

ASU offers bachelor degree programs, master degree programs and upper level courses through ASU degree centers at ASU-Beebe, ASU-Mountain Home, and three other cities—Blytheville, Forrest City and West Memphis—where partnership agreements have been established in cooperation with the local community colleges. ASU also operates instructional sites at nearby Paragould in Greene County, and at Little Rock Air Force Base.

Enrollment Growth

ASU has grown significantly over the past three decades. The Jonesboro campus enrollment in the fall of 1981 was 7,448; in the fall of 2011, it was 14,200. Today, because of the close partnerships between the campuses, ASU reports a combined enrollment for the ASU System. Total ASU System enrollment in the fall of 2011 was 22,081.

Arkansas State University

Mission, Core Values, and Vision

Mission

Arkansas State University **educates** leaders, **enhances** intellectual growth, and **enriches** lives. (ASU = e³)

Core Values

Arkansas State University values the following as central to our success:

- **Student-Centered:** We are committed to education, inquiry and service in order to meet students' changing needs. We foster lifelong learning, civic and social responsibility, leadership, and individual and career growth.
- **Learning-Centered:** We nurture intellectual flexibility, knowledge and skills by integrating teaching, research, assessment and learning to promote continuous improvement of our scholarly community.
- **Excellence:** We pursue excellence within the campus community through opportunities for achievement in teaching, research, scholarship, creative activity and service.
- **Diversity:** We embrace diversity in all of its dimensions realizing that mutual respect for individuality and the inclusion of all are vital for both personal and institutional success.
- **Service:** We support and recognize service at all levels of the university. We strive to contribute to the benefit of the university, the Delta, the state, the nation and the world.
- **Integrity:** We hold high standards of character and integrity as the foundations upon which the University is built.

Vision

Arkansas State University aspires to be an academic leader recognized for innovation and quality in teaching and learning, international standing in strategic research areas, and commitment to outreach and service to the Delta and beyond.

Jonesboro, Arkansas

You and the members of your class are important to the Alumni Association and the alma mater we serve. Much that you have enjoyed here has been made possible by the generous support of graduates who have preceded you. As alumni, we are proud of the time and energy we have shared to help provide a quality program for the current students at Arkansas State.

We invite you to continue this tradition by participating in Alumni Association activities such as homecoming, class reunions and other alumni events scheduled in your area. The Cooper Alumni Center is open and will be your permanent home on the ASU campus. I invite you to stop by and see this wonderful place that was designed for you. Please keep us informed of your current address and your accomplishments so we can keep you advised of University and Alumni Association events of interest. The friendships and associations you have built while at Arkansas State University will continue through your participation in these activities.

We look forward to serving you and working with you in your new role as alumni of Arkansas State University.

Sincerely,

STATE OF ARKANSAS
MIKE BEEBE
GOVERNOR

December 17, 2011

It gives me great pleasure to join your friends and families in congratulating you as you graduate from Arkansas State University. In reaching this milestone, you have proven to yourself and to others that education matters to you and that perseverance will be rewarded. I applaud you for your commitment and hard work in reaching this important moment in your life.

Every generation passes the torch to the next, in a continuing process that is punctuated with highlights and events like the one you celebrate today. The world into which you graduate is a rapidly changing one, filled with new and exciting challenges. I urge you to embrace this moment and use your skills to work toward a brighter future for all. I want you to be excited about the possibilities you face. Your ideas, your efforts, your decisions will collectively shape our tomorrow.

On behalf of the State of Arkansas, I wish you continued success and the best of luck in your future endeavors. Congratulations to all of those being honored here and to all those who helped you achieve your goals. I hope that your journey forward will be a meaningful and satisfying one.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Beebe", written in a cursive style.

Mike Beebe

COMMENCEMENT SPEAKER

State Senator Robert Thompson

Robert Thompson was born and raised in Paragould and attended Paragould schools. He graduated from Hendrix College, summa cum laude, and from the University of Arkansas School of Law in Fayetteville, where he served as editor-in-chief of the Arkansas Law Review. Thompson also received a graduate degree in history from the University of St. Andrews in Scotland, where he studied on a Rotary International Scholarship.

Upon graduation from law school, Thompson served as a law clerk to Chief Judge Richard S. Arnold of the United States Court of Appeals for the Eighth Circuit. He is a member of the Arkansas Bar Association, and in June was awarded the bar association's Equal Justice Distinguished Award for commitment to providing legal services to low-income Arkansans.

In 2004, Thompson was elected to the Arkansas House of Representatives, where he served one term. He was elected to the Arkansas Senate in 2006 and currently represents Greene, Clay, and Lawrence Counties, and part of Craighead County, in the Senate.

Thompson currently serves as the Senate Majority Leader. He is a member of the Joint Budget Committee, the Senate Judiciary Committee and the Senate State Agencies and Governmental Affairs Committee. He serves as vice-chair of the Arkansas Legislative Council.

Thompson is also a partner with the Paragould law firm of Branch, Thompson, Warmath & Dale, P.A. He and his wife Tori live in Paragould with their three children.

ACADEMIC APPAREL

The present-day academic costume probably originated at Oxford and Cambridge universities and is a survival of the ecclesiastical garb of the late middle ages. As the universities passed from ecclesiastical control, the academic gown used brighter colors to distinguish it from the totally drab clerical robe. Although colonial American universities used academic gowns based upon the British system, people continued to associate them with the clergy.

Late in the nineteenth century, a student movement centering in New England instigated the establishment of a "senior badge" to improve commencement week exercises and revive the traditions of university life. In the 1890's, American universities and colleges established a uniform code for caps, gowns, and hoods for the various degrees, thereby standardizing academic styles in this country. The gown, the cap, and the hood are the characteristic elements of academic apparel.

The *gown* is usually of black material. However, some doctors' gowns are of the school color. Bachelors' gowns have pointed sleeves; masters' have long, closed sleeves, with slits from which the arms protrude; the doctors' have wide, round, open sleeves. Doctors' gowns are faced with panels of velvet down the front and three bars of velvet across each sleeve.

The *cap*, the square mortar-board in American universities, but a round, soft, flat velvet hat in British, Canadian, and some European universities, bears a tassel which may be black for all ranks and degrees, or may be of gold thread for doctors and the color of the degree for bachelors and masters.

The *hood*, worn around the neck to hang down the back, is the principal emblem of the nature and source of the degree held. It is edged with velvet of the color of the degree, while its lining of silk bears the colors of the institution which granted the degree. Hoods may be worn only after the degree has been granted.

Originally, the hood had three uses: as a head covering, as a shoulder cape, and as a bag in which alms could be collected. When large wigs were in vogue in Britain, the cape part of the hood was split in front and a narrow neckband inserted. The entire cape and hood was allowed to fall back as it is today, and it was never restored to the original style.

The *degree* colors in the hood are appropriate to the category of the degree, rather than to the scholar's major subject. Appropriate colors for degrees:

Black tassels are correct for all degrees, but gold metallic tassels may be worn by holders of doctoral degrees or by presidents of universities and colleges. The tassel should be worn draped over the left front quarter of the cap.

THE MEDALLION

Medallions were used as adornments in biblical days and also served as symbols of authority. The Arkansas State University medallion, designed and cast by Robert Mitchell, a former member of the ASU art faculty, is made of sterling silver and bears the seal of the university. It is worn by the president of the university at official academic ceremonies.

THE MACE

Originally a weapon of the Middle Ages, the mace gradually became ceremonial in character. The mace was carried by church officials, guards of kings, and other high officials. Today it is used symbolically in academic ceremonies.

The Arkansas State University mace was designed and crafted by former faculty member Robert Mitchell. It was presented to the university on April 12, 1981 by the men of Arkansas Gamma Chapter, Sigma Phi Epsilon Fraternity, Arkansas State University.

The mace is composed of three parts: the head, the staff, and the finial. The three blades of the head symbolize the three diamond-shaped torches of the ASU seal, representing teaching, research, and service. The central core supports the seal, surrounded by the blades and protected by them. The contrast of the highly polished and shaped surfaces of the sterling silver blades with the hammered edges magnifies the dual roles of education—refinement of rational thought and strength of hard labor and intellectual work.

The staff is made of rosewood, a material commanding as high a place among woods as silver among metals. The finial, also of sterling, symbolizes the foundation of university excellence: students, faculty, and alumni. It also contains the crest of the donor.

The marks on the finial collar are quality marks of the maker. The sterling stamp attests to the metal's purity, and the "M" is the personal hallmark of the maker.

THE SEAL

The official seal of Arkansas State University has been designed for the purpose of authentication, and to both represent and build upon the impact of an education at ASU.

The current design of the Arkansas State University seal was adopted by the Board of Trustees in 1998. The new design incorporates current concepts and goals of the University.

The seal has three distinct characteristics:

- 1) The torch symbolizes leadership, a call to action, learning, and education.
- 2) The arch symbolizes a portal or entrance to new life, balance in form, and university tradition.
- 3) The inset date of 1909 is the date the institution was established.

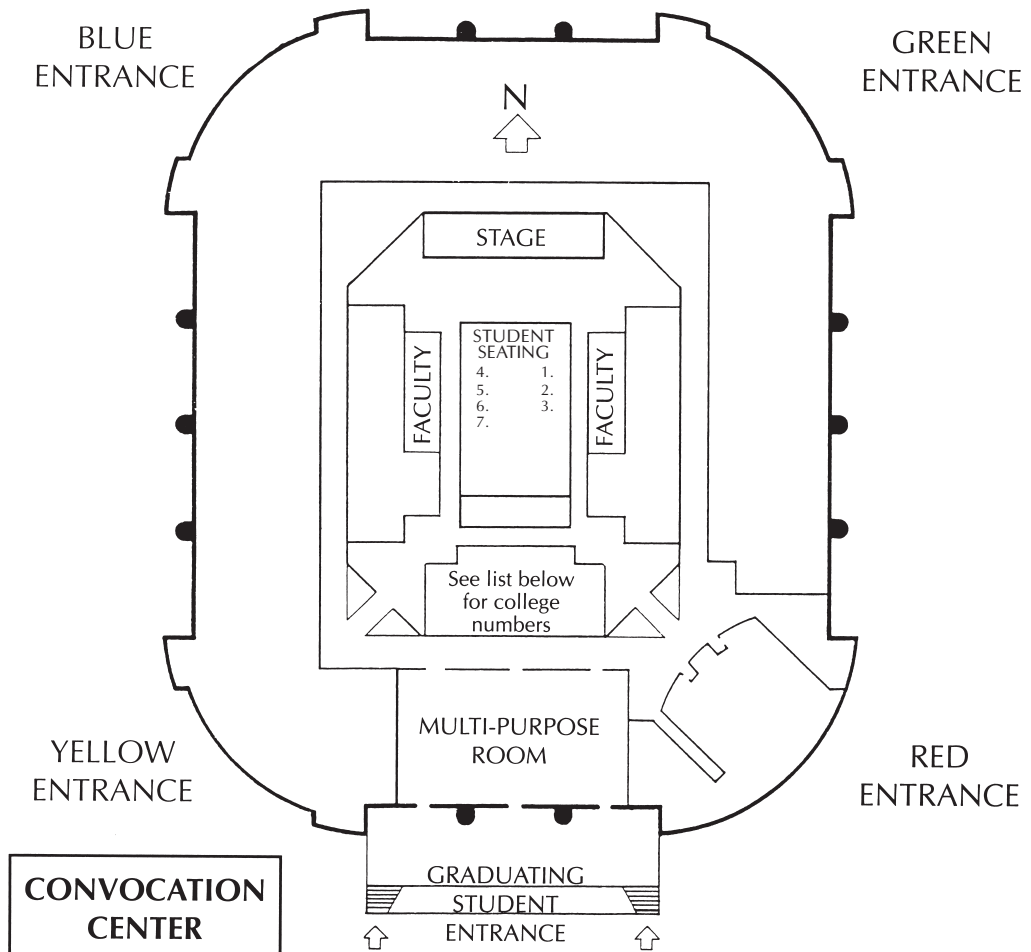

These three features represent qualities of tradition, authority, and integrity of the University.

GRADUATION WITH ACADEMIC DISTINCTION/HONORS

Arkansas State University recognizes the academic achievement of graduating baccalaureate-degree students in the following ways:

1. Students graduating *summa cum laude* (4.00 grade point average) will wear a gold cord.
2. Students graduating *magna cum laude* (3.80-3.99 grade point average) will wear a red cord.
3. Students graduating *cum laude* (3.60-3.79 grade point average) will wear a white cord.
4. Students who complete the Honors Program or the University Honors program shall be designated as graduating "In Honors" or "In University Honors." The ASU Honors Medal, developed in 2006, is a means of recognizing undergraduate students who graduate from The Honors College at Arkansas State University. The medal's design is taken from "The Scholar" character which is an architectural relief on Wilson Hall, the university's oldest building on campus. There are two separate medals, gold and silver. Students who graduate "In Honors" are awarded the silver medal. Students who complete an honors thesis and graduate "In University Honors" are awarded the gold medal. Students graduating "In University Honors" or "In Honors" will wear blue cords.
