PROPOSAL TO REQUIRE DEPARTMENTS TO FILE PLANS FOR QR2

In connection with idea to ask departments with GE courses to file a statement of their plans for the second round of the quadrennial review, Profs. Yanowitz and Fears volunteered to review completed feedback forms to identify the issues that proved to be frequently problematic, all so that departments could be prepared to avoid these problems. If the Yanowitz/Fears review, is completed early to mid-April, it would possible to communicate on this matter with departments before the end of the academic year.
