

## **MAcc Course Rotation**

Minimum hours required for the program: 30

It is possible to complete the MAcc within one calendar year

One suggested course sequence would be:

### **Summer** – 6 hours

ACCT 6083 Ethics and Professional Responsibility

ACCT 6183 CPA Examination Review 2 (a program elective)\*

### **Fall** – 12 hours

ACCT 5173 Advanced Cost Accounting

ACCT 6043 Tax Planning and Research (requires Tax II as a prerequisite)

ACCT 6063 Contemporary Auditing Issues

ACCT or MBA Elective\*

### **Spring** – 12 hours

ACCT 5023 Advanced Accounting and International Issues

ACCT 6073 Seminar in Financial Accounting Theory

ACCT 6173 CPA Examination Review 1 (a program elective)\*

MIS 6543 Business Analytics

\*Students who did not take Tax Accounting II (ACCT 4113/5113) and Governmental and Not-For-Profit Accounting (ACCT 4123/5123) as part of their undergraduate program must include these courses in the course of study for the MAcc and should be substituted as electives. Students beginning the Spring would take an ACCT or MBA elective in the Spring and the ACCT 6073 Seminar in Financial Accounting Theory in the Fall.
