

Grade Center Scroll Bars for Blackboard- MAC OS X

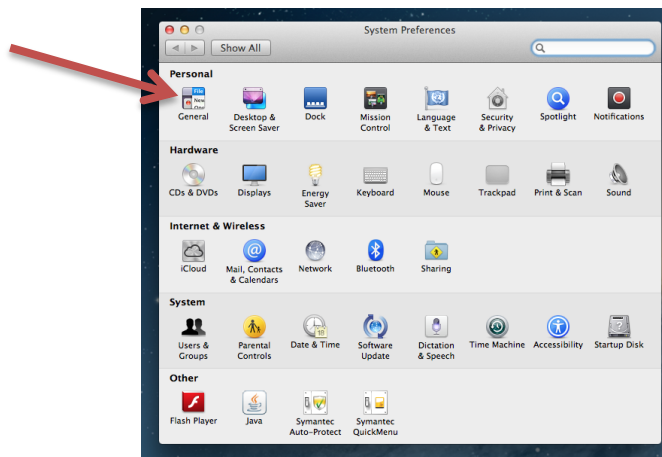

For users of Chrome, Firefox, or Safari on the Mac OS X

The following manual is for users who are unable to view the scrollbars in the Blackboard Grade Center on Mac OS X web browsers.

1. Click on desktop to get the finder menu bar. (This is located in the top left corner of the screen). Then click on SYSTEM PREFERENCES

2. In the System Preferences window, click on General

3. In the General Preferences window, select the ALWAYS option under the Show Scroll Bars
