## **Bachelor of Applied Science\***

University Requirements:		
Students interested in pursuing a Bachelor of Applied Science degree must schedule a personal interview with a BAS advisor. During this interview, the advisor will outline in detail the requirements for the BAS program. The advisor and the student will analyze the appropriateness of the degree given the student's goals and career objectives, the degree's requirements and the student's academic progress to date.  The BAS program requires completion of the following program prerequisites:  1. Associate of Applied Science (AAS) or other recognized technical-professional associate degree from an accredited institution.  2. Minimum GPA of 2.00 on all transfer work.  3. Completion of the ASU admission application process with acceptance.  4. Completion of the State Minimum General Education Core.		
5. Completion of a total of 120 hours of which 45 hours are upper-level (3000-4000)
