

Survey of Graduating Bachelor's Degree Recipients

Future Plans

In order to assess the future plans of Arkansas State University graduating bachelor's degree recipients, an online survey is administered by the Office of Institutional Research, Planning, and Assessment. The survey is sent to undergraduates who are scheduled to graduate either in December, May, or August. The survey asks the undergraduates the following question:

Which of these options are you most likely to pursue? (*Choose one.*)

- Additional undergraduate studies
- Graduate or professional studies
- Employment
- Volunteer service
- Military service
- Start or raise a family
- None of the above

Results of the 2010-2011 bachelor's degree respondents: 1,539 surveyed 54.9% responded.

I am likely to pursue:	Frequency	Percent
Additional undergraduate studies	79	9.3
Graduate or professional studies	240	28.4
Employment	432	51.2
Volunteer service	12	1.4
Military service	10	1.2
Start or raise a family	29	3.4
None of the above	43	5.1
