

**Arkansas State University
School of Nursing**

RN-to-BSN Program

What is the cost?

The cost includes tuition, library and technology fees, books, and supplies. You will need a dependable internet connection and a computer. Included in the supplies is a Remote Proctor which is both hardware and software. These costs may vary depending where you purchase your computer, internet supplier, and other supplies. Tuition is set each year by the Board of Trustees and can be located on ASU's webpage.

Tuition information

Please use this link to calculate tuition costs.

<http://degree.astate.edu/tuition.aspx>

This has the most current costs for online classes. Please use the BSIS to figure costs.

Why do I have to have a Remote Proctor?

Unfortunately, not everyone is honest and we must proctor exams. This device allows you to test from home without having to schedule a time with an approved proctor. Graduate schools want to know that efforts to curb academic dishonesty are in place.

How are the courses offered?

Courses are offered each semester in 7 week sessions. You may take 2 nursing courses each 7 weeks. This would be like taking a full time semester but allows you to focus on only 2 courses each time rather than juggling 4 courses then entire semester. There is a week between each 7 week cycle.
