Disclosure on Transferability of Credits per Tennessee Higher Education Commission

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 7, Part 1, is amended by adding the following language as new, appropriately designated section: § 49-7-1_.

Credits earned at Arkansas State University may not transfer to another educational institution. Credits earned at another educational institution may not be accepted by Arkansas State University. You should obtain confirmation that Arkansas State University will accept any credits you have earned at another educational institution before you execute an enrollment contract or agreement. You should also contact any educational institutions that you may want to transfer credits earned at Arkansas State University to determine if such institutions will accept credits earned at Arkansas State University prior to executing an enrollment contract or agreement. The ability to transfer credits from Arkansas State University to another educational institutions may be very
limited. Your credits may not transfer and you may have to repeat courses previously taken at Arkansas State University if you enroll in another educational institution. You should never assume that credits will transfer to or from any educational institution. It is highly recommended and you are advised to make certain that you know the transfer of credit policy of Arkansas State University and of any other educational institutions you may in the future want to transfer the credits earned at Arkansas State University before you execute an enrollment contract or agreement.

The Tennessee Higher Education Commission’s website maintains useful information for students and the public: http://www.state.tn.us/thec/index.html

Texas

Arkansas State University meets the standards set forth in the rules of the Texas Higher Education Coordinating Board and qualifies for an exemption pursuant to Subchapter G, Chapter 61, Texas Education Code and, Defined in Chapter 7.3 of Board rules. Arkansas State University is authorized to conduct courses, grant degrees, grant credit toward degrees, and to use certain protected academic terms in the State of Texas. Authority of for this exemption will continue as long as the institution maintains its accreditation status with the North Central Association of Colleges and Schools, The Higher Learning Commission (NCA-HLC) and standards acceptable to the Coordinating Board.

Accreditation: Arkansas State University is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools; 312/263-0456, www.ncahlc.org/.
**Student Responsibility**

Each student should study this Graduate Bulletin and become completely familiar with the organization and the regulations of the university. Failure to do this may result in serious mistakes for which the student shall be held fully responsible.

---

**Policy Statement**

Policies and procedures stated in this bulletin—from admission through graduation—require continuing evaluation, review, and approval by appropriate university officials. All statements reflect policies in existence at the time this bulletin went to press, and the university reserves the right to change policies at any time and without prior notice.

University officials determine whether students have satisfactorily met admission, retention, or graduation requirements. Arkansas State University reserves the right to require a student to withdraw from the university for cause at any time.

---

**Equal Opportunity/Affirmative Action**

Arkansas State University is an Equal Opportunity/Affirmative Action Employer with a strong institutional commitment to the achievement of excellence and diversity among its faculty and staff. To that end, the University provides opportunities in employment practices, admission and treatment of students without regard to race, color, religion, age, disability, gender, national origin, or veteran status. ASU complies with all applicable federal and state legislation and does not discriminate on the basis of any unlawful criteria.

Questions regarding this policy should be addressed to the Affirmative Action Program Coordinator, P.O. Box 1500, State University, Arkansas 72467. Telephone (870) 972-3658.

---

**Services for Individuals with Disabilities**

Arkansas State University’s Coordinator of Services to students, faculty and staff with disabilities is also the university’s compliance coordinator for Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) and the ADA Accessibility Guidelines (ADAAG). In this capacity, the coordinator arranges for academic adjustments and auxiliary aids to be provided to qualified students and coordinates workplace accommodations. The coordinator also is the individual to whom concerns about physical access to facilities, buildings and grounds should be addressed. The coordinator’s office is located on the second floor (Room 2181). The telephone number is (870) 972-3964. The number for the Telecommunications Device for the Deaf (TDD) is (870) 972-3458.

Arkansas State University will provide auxiliary aids, without cost, to those students with verified disabilities who require such services. If service providers are necessary, Arkansas State University will provide appropriately trained providers (other than paid tutors).
This is a supplement to the full Arkansas State University Graduate Bulletin that provides specific information regarding the Academic Partnership on-line programs in the College of Education. Additional information regarding Arkansas State University, the Graduate School, and the College of Education is available in the full ASU Graduate Bulletin.

Oak Ridge Associated Universities:

Since 2004, students and faculty of Arkansas State University have benefited from its membership in Oak Ridge Associated Universities (ORAU). ORAU is a consortium of 98 colleges and universities and a contractor for the U.S. Department of Energy (DOE) located in Oak Ridge, Tennessee. ORAU works with its member institutions to help their students and faculty gain access to federal research facilities throughout the country; to keep its members informed about opportunities for fellowship, scholarship, and research appointments; and to organize research alliances among its members.

Through the Oak Ridge Institute for Science and Education (ORISE), the DOE facility that ORAU operates, undergraduates, graduates, postgraduates, as well as faculty enjoy access to a multitude of opportunities for study and research. Students can participate in programs covering a wide variety of disciplines including business, earth sciences, epidemiology, engineering, physics, geological sciences, pharmacology, ocean sciences, biomedical sciences, nuclear chemistry, and mathematics. Appointment and program length range from one month to four years. Many of these programs are especially designed to increase the numbers of under-represented minority students pursuing degrees in science- and engineering-related disciplines. A comprehensive listing of these programs and other opportunities, their disciplines, and details on locations and benefits can be found in the ORISE Catalog of Education and Training Programs, which is available at [http://www.orau.gov/orise/educ.htm](http://www.orau.gov/orise/educ.htm), or by calling either of the contacts below.

ORAU’s Office of Partnership Development seeks opportunities for partnerships and alliances among ORAU’s members, private industry, and major federal facilities. Activities include faculty development programs, such as the Ralph E. Powe Junior Faculty Enhancement Awards, the Visiting Industrial Scholars Program, consortium research funding initiatives, faculty research and support programs as well as services to chief research officers.

THE UNIVERSITY

MISSION
Arkansas State University educates leaders, enhances intellectual growth, and enriches lives. (ASU=e^3).

CORE VALUES
Arkansas State University values the following as central to our success:

• Student-Centered: We are committed to education, inquiry and service in order to meet students’ changing needs. We foster lifelong learning, civic and social responsibility, leadership, and individual and career growth.

• Learning-Centered: We nurture intellectual flexibility, knowledge and skills by integrating teaching, research, assessment and learning to promote continuous improvement of our scholarly community.

• Excellence: We pursue excellence within the campus community through opportunities for achievement in teaching, research, scholarship, creative activity and service.

• Diversity: We embrace diversity in all of its dimensions realizing that mutual respect for individuality and the inclusion of all are vital for both personal and institutional success.

• Service: We support and recognize service at all levels of the university. We strive to contribute to the benefit of the university, the Delta, the state, the nation and the world.

• Integrity: We hold high standards of character and integrity as the foundations upon which the university is built.

VISION
Arkansas State University aspires to be an academic leader recognized for innovation and quality in teaching and learning, international standing in strategic research areas, and commitment to outreach and service to the Delta and beyond.

LOCATION
The university is located about halfway between the Mississippi River Valley, one of the most fertile areas in the world, and the Ozark Mountains, rich in American folklore and tradition. The university campus occupies an area of 800 acres on the gently rolling slopes of Crowley’s Ridge, in the City of Jonesboro.

HISTORY
Arkansas State University enjoys a reputation as a quality regional institution of higher education and is recognized for offering special services to the people of the Arkansas Delta. It is the only comprehensive public university located in this region. Dedicated to teaching, research, and service, the university provides students with the broad educational foundations that help develop critical thinking and analytical skills, decision-making capabilities, and communication skills. Dr. Les Wyatt has been president of Arkansas State University since July 1, 1995.

This institution was founded in Jonesboro in 1909 by the Arkansas Legislature as a regional agricultural training school. It began offering a two-year college program in 1918, then became "First District Agricultural and Mechanical College" in 1925. A four-year degree program was begun in 1930, and A & M College became "Arkansas State College" in 1933. The Arkansas Legislature elevated the college to university status and changed the name to Arkansas State University in 1967. Today, the institution has more than 55,000 alumni.
DEGREE PROGRAMS

Master's degree graduate programs were initiated in 1955, and ASU began offering its first doctoral degree, in educational leadership, in the fall of 1992. A second doctoral program, in Environmental Sciences, was begun in the fall of 1997, and the doctoral program in Heritage Studies began in the fall of 2001. The doctoral program in Molecular Biosciences began in the spring of 2006 and the doctoral program of Physical Therapy began in the fall 2009. Programs at the specialist's, master's, bachelor's and associate's degree levels are available through various colleges: Agriculture, Business, Communications, Education, Engineering, Fine Arts, Humanities and Social Sciences, Nursing and Health Professions, Sciences and Mathematics, and University College. Classes are also offered through The Honors College and the independent Department of Military Science. More information about the various colleges and academic departments is available through the Office of Research and Academic Affairs.

ACCREDITATION

Arkansas State University's commitment to excellence in higher education is demonstrated by its accreditation by The Higher Learning Commission of the North Central Association, as well as 18 specialized accrediting organizations. In addition, the university holds membership in several national organizations which support the highest educational standards.

THE ASU SYSTEM

The ASU System includes campuses at Jonesboro (Craighead County), which offers degree programs through the doctoral level; Beebe (White County), Mountain Home (Baxter County), and Newport (Jackson County), where associate degree programs are offered; and at Heber Springs, Marked Tree and Searcy. Arkansas State University-Beebe became part of the ASU system in 1955. It associated with White River Vo-Tech at Newport in 1992; that campus has attained stand-alone status and is now Arkansas State University-Newport. The Mountain Home campus officially became ASU-Mountain Home on July 1, 1995. Delta Technical Institute at Marked Tree merged with ASU and became Arkansas State University Technical Center on July 1, 2001. A new campus is being built for ASU-Heber Springs, which operates as a sister campus of ASU-Beebe. Foothills Technical Institute at Searcy was merged with ASU Beebe on July 1, 2003, and is now ASU-Searcy, a technical institute of ASU-Beebe.

ASU offers bachelor's degree programs, master's degree programs and upper level courses through ASU degree centers at ASU-Beebe, ASU-Mountain Home, and three other cities -- Blytheville, Forrest City and West Memphis -- where partnership agreements have been established in cooperation with the local community colleges. ASU also operates an instructional site at nearby Paragould, in Greene County.

LIBRARY

The Dean B. Ellis Library, centrally located in an eight-story building, functions as an educational center for the university community. It houses an open shelf collection which includes over 604,568 books and periodical bound volumes, 581,675 federal and state documents, and 585,913 units in microform. The collection includes most subject fields, but emphasizes education, history, fine arts, general reference, law, and American and English literature. The Library of Congress classification system is used for the arrangement of books, and an online catalog provides access to its book collection and electronic resources. Reserve items are available at the Circulation Desk.

The library meets the informational needs of the university by offering a variety of services. A staff of 15 professional librarians and 22 support personnel acquires, organizes, and services the collection. Reference librarians assist users in locating information and in the use of the library. The reference staff also offers an active library instruction program which reaches numerous university classes. Online databases provide access to thousands of journals and books not housed within the library. Materials that are not contained in the library's collection are accessible by interlibrary loan through the OCLC network.

Special collections include 1) the Cass S. Hough Aeronautical Collection of 14,000 books and memorabilia which has been described as the single most valuable collection of aviation
materials in private hands; 2) an outstanding collection of Lois Lenski books for children; 3) collections of notable Arkansas authors of children's books: Charlie May Simon, Lois Snelling, Faith Yingling Knoop; and 4) a collection of Arkansas writer John Gould Fletcher.

The Tom Love Collection forms the nucleus of an extensive "Arkansas Collection." It is comprised of manuscripts, documents, and other historic materials relating to the state of Arkansas. In addition, the Arkansas Room collection contains Arkansas topographic and other maps, Arkansas State University publications, and the student newspaper, The Herald.

The Honorable E. C. Gathings Collection is comprised principally of correspondence from Arkansas' long-time congressional representative, making available primary research materials relating to the First Congressional District during Gathings' time of service in the Congress.

The Honorable Bill Alexander Collection expands and extends the research materials relating to the First Congressional District through Congressman Alexander's tenure as a member of the U.S. House of Representatives. The Alexander and Gathings collections cover 53 years, 1939 to 1992.

The collection of creation science papers, donated by former Arkansas Attorney General Steve Clark, includes the state's side of the landmark creation science case.

The Judd Hill Collection, Mabel H. Gieseck Collection, and the Ira Twist, Jr. Collection form the core of a primary research emphasis on the agricultural development and environment transformation of Eastern Arkansas.

An Oral History Program, housed in the library, has conducted and taped interviews with a number of local citizens and state leaders. The tapes are available for use by any interested patron holding an ASU library card.

Other collections include the Curriculum Materials Center which contains K-12 teacher education materials. In addition to materials directly related to classroom and research work, the library provides students with general and recreational reading materials. Exhibits and displays presenting ideas and issues are also a regular part of an ongoing service program.

Media Services offers a wide range of audio and visual services for both students and faculty engaged in university functions. The staff produces overhead transparencies, produces audio and video recordings, and provides laminating services. Additionally, Media services lends audio-visual materials and equipment for short-term use to students and faculty.

DELTA STUDIES CENTER

The Delta Studies Center at Arkansas State University has been established to increase understanding and address needs of the seven-state Lower Mississippi River Delta, as well as to focus national and international scholarly attention on the region.

The Delta Studies Center works with all colleges and programs across campus to focus on and seek support for interdisciplinary studies and activities directed toward the people, institutions, economy, health care issues, history, folklore, culture, arts, and biological and physical environments characteristic of the Delta. Specific activities of the center include archival development; public service; dissemination of information; support for program development, teaching and applied research; and collaboration with other agencies and institutions in the seven-state region.

MUSEUM

Arkansas State University Museum is a general museum housed in the Museum Building connected to the west end of the Dean B. Ellis Library. Providing resource materials for teaching and research, it exhibits strong collections of Arkansas artifacts: birds, archaeological objects, minerals and fossils, mammals, Pioneer items, and military history. Arkansas Indian cultures—Quapaw, Osage, Caddo, Chickasaw, and Choctaw—as well as Southwest Indian cultures constitute multiple exhibits. The nationally known Lutterloh glass collection forms the nucleus of an extensive decorative arts collection. Dolls and toys extend the many historic collections.

The museum, accredited by the American Association of Museums, is a public as well as an institutional museum by classification. It is one of five accredited museums in the state and is open on a regular schedule Mondays through Fridays as well as Saturday and Sunday afternoons.
ARKANSAS HERITAGE SITES

Arkansas Heritage SITES (System Initiatives for Technical and Educational Support) at Arkansas State University develops and operates heritage sites of regional and national significance in the Arkansas Delta. These sites provide educational resources for formal and informal learning, including serving as laboratories for the Heritage Studies Ph.D. program. In addition, they serve as economic catalysts in communities where they are located by attracting heritage tourists from around the country. These sites currently include the Hemingway-Pfeiffer Museum and Educational Center in Piggott, the Southern Tenant Farmers Museum in Tyronza, and the Lakeport Plantation in Lake Village.

ADMISSION

ADMISSION TO GRADUATE SCHOOL
The Graduate School is open to persons holding at least a bachelor's degree from an accredited college or university and whose undergraduate or graduate work has been of sufficient quality and scope to enable them to profitably pursue graduate study. Arkansas State University offers equal educational opportunity to all persons without regard to race, religion, sex, age, creed, color, national origin, or physical disability.

ACADEMIC RECORDS PRIVACY RIGHTS
Arkansas State University intends to comply fully with the Family Educational Rights and Privacy Act (FERPA) of 1974 which was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with FERPA office concerning alleged failures by the institution to comply with the Act.

Questions concerning the Family Education Rights and Privacy Act should be referred to the Registrar's Office.

ADMISSION OF STUDENTS FROM OTHER INSTITUTIONS
Graduate students transferring to Arkansas State University from other institutions must be in good standing with the institution from which they seek to transfer, must have a "B" average in all graduate work completed, and must meet Arkansas State University's criteria for admission to graduate study. For admission to a particular degree program, transferring graduate students must meet the established criteria of the degree program.

ADMISSION REQUIREMENTS
Please read the admission guidelines for the program in which you are interested. For specific questions or more details, view our Admission FAQs.

Unconditional Admission Requirements
• Complete online application and submit a nonrefundable $30 fee.
• Official transcript(s) sent from the registrar of the college/university attended. Official transcripts are sealed transcripts sent from the sending institution.
• A valid teaching certificate
• No record as a felon or sex offender
• Have a baccalaureate degree from an accredited institution with a cumulative undergraduate grade point average (GPA) of at least 3.0 on a 4.0 scale, or have at least a 3.0 on graduate work and be in good standing with a graduate school from an accredited institution.
• Submit all documents to:
  Office of Academic Partnerships
  P.O. Box 2520
  State University, AR 72467
  Fax: 870.972.3548

Applicants who do not qualify for unconditional admission may qualify for conditional admission (see requirements below).

Conditional Admission Requirements
Applicants who do not qualify for unconditional admission may apply for a conditional admission.
• Complete online application and submit a nonrefundable $30 fee.
• Official transcript(s) sent from the registrar of the college/university attended. Official transcripts are sealed transcripts sent from the sending institution.
• A valid teaching certificate
• No record as a felon or sex offender
• Meet one of the following academic requirements:
  1. Have a baccalaureate degree from an accredited institution with a cumulative undergraduate grade point average (GPA) of at least 2.75 on a 4.0 scale, or
  2. Be in good standing with a graduate school from another accredited institution, or
  3. Have a baccalaureate degree from an accredited institution with a minimum cumulative undergraduate grade point average (GPA) of 2.50 on a 4.0 scale or 2.75 GPA on the last 60 hours. Admission with this grade point is contingent on a letter of recommendation from the school superintendent or principal.

• Have a baccalaureate degree from an accredited institution with a cumulative undergraduate grade point average (GPA) of at least 2.75 or be in good standing with a graduate school from another accredited institution.
• Conditional admission requires that the candidate make a grade of B or better during the first twelve hours of graduate work at Arkansas State University.
• Submit all documents to:
  Office of Academic Partnerships

ACADEMIC POLICIES AND PROCEDURES

GRADUATE COURSES AND CREDIT

Graduate credit will be given only for courses described in this bulletin under the heading Graduate Course Descriptions. Master's degree candidates must complete a minimum of 18 semester hours in courses numbered at the 6000 level. For master's degrees requiring more than 30 hours, at least 50 percent of the credit hours must be completed at the 6000 level. A course completed at the 4000 level for undergraduate credit cannot be taken again at the 5000 level for graduate credit. No more than three semester hours of credit earned through independent study may be applied toward a graduate degree.

Graduate students enrolled in courses numbered 5000 through 5999 must do special work in addition to that required of undergraduates in the courses numbered 4000 through 4999. A masters degree program traditionally consists of courses numbered 5000 and 6000. Courses numbered 7000 and above are normally reserved for specialist and doctoral programs. Check the particular degree program section for program specific restrictions or deviations.

TRANSFER CREDIT

Subject to the approval of the student's adviser and the graduate dean, a student who has a "B" grade average or above in graduate work from another approved institution may be permitted to transfer a maximum of nine semester hours of credit. Only work with "B" or better grades earned at an accredited graduate school and acceptable toward a graduate degree at that institution will be considered for transfer. No correspondence courses may be transferred.

GRADING SYSTEM

The letters, A, B, C, P, D, F, FN, I, IP, and CR are used in grading, indicating the following qualities:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
</tr>
<tr>
<td>C</td>
<td>Fair</td>
</tr>
<tr>
<td>P</td>
<td>Pass</td>
</tr>
<tr>
<td>D &amp; F</td>
<td>Failure</td>
</tr>
<tr>
<td>FN</td>
<td>Failure for Non Attendance</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
<tr>
<td>IP</td>
<td>In Progress (Thesis and Dissertation only)</td>
</tr>
<tr>
<td>CR</td>
<td>Credit Awarded for completed thesis/dissertation</td>
</tr>
<tr>
<td>NC</td>
<td>No Credit awarded for thesis/dissertation work</td>
</tr>
</tbody>
</table>

For the purpose of computing cumulative and collective grade averages, grade points are assigned as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>2</td>
</tr>
<tr>
<td>P</td>
<td>0</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>
Students' grade point averages are computed by multiplying the number of hours credit of each grade by the grade points assigned to that grade and dividing the sum of these several products by the total number of hours in which the students were enrolled.

An incomplete grade not removed within one semester unless extenuating circumstances are provided in writing to the Graduate School, will be recorded as "F."

No grade below “C” will be accepted for graduate credit.

ELIGIBILITY FOR DEGREE
A cumulative graduate GPA of 3.00 or higher on all coursework used toward the graduate degree is required and a cumulative graduate GPA of 3.00 or higher on all coursework taken from the academic college of the graduate degree sought is required before a graduate degree can be awarded.

PROBATION
Any graduate student whose cumulative GPA on all courses taken for graduate credit falls below 3.00 will be placed on probation. Students may be removed from probation by raising their cumulative GPA to 3.00 or better. Failure to make a grade of "B" or better in each course taken while on probation will result in suspension from further graduate work if the student's cumulative GPA continues below 3.00. A graduate student on probation may not hold an assistantship and is not eligible for candidacy or graduation.

SUSPENSION
Any graduate student who receives a grade of "F" in any graduate-level course will be ineligible to register for further graduate work. A grade of "I" will be converted to "F" if it is not removed before the last day to withdraw during the next semester in which the student is enrolled at the university or within one calendar year if the student does not enroll.

READMISSION OF SUSPENDED STUDENTS
After one regular semester or full summer in suspended status, students may be readmitted on probation, but only upon recommendation of their adviser and department chair and with the approval of the dean of the Graduate School. Readmission to Graduate School does not imply readmission to a particular degree program. The student must reapply to the program.

GRADUATE SCHOOL APPEALS AND GRIEVANCE PROCESSES
Graduate student appeals and grievance processes are outlined in the ASU Student Handbook available in the Office of Student Affairs and reproduced below:

Student Rights Grievance Procedure

Step 1
Since the faculty has the primary responsibility for course development, course delivery, the assessment of student achievement, and the sanction for academic misconduct, any student who has a complaint related to an academic issue should first consult with the course instructor within ten (10) working days of the incident and try to resolve the complaint. If the grievance involves a faculty member who is no longer employed at the university, or with whom the student does not feel comfortable approaching the student should move to step two of this process. If the complaint is resolved, the grievance process ends.

Step 2
If the complaint is not resolved in step one, and if the student wishes to pursue the complaint further, the student shall consult with the department chair/unit supervisor within fifteen (15) working days of the academic incident. The appropriate chair/unit supervisor shall consult informally with the student and the individual against whom the complaint has been made to attempt to resolve the complaint. The chair/unit supervisor shall notify the student and the individual against whom the complaint has been made in writing of the resolution or lack thereof within ten (10) working days of the student's first consultation with the chair/unit supervisor. If the complaint is resolved, the grievance process ends.

Step 3
If the complaint is not resolved in step two, and if the student wishes to pursue the complaint further, the student shall file a formal written complaint with the department chair/supervisor
within thirty five (35) working days from the academic incident. The written complaint must specify the academic right(s) the student alleges has (have) been violated and must include:

a. Date and details of the alleged violation;

b. Any available evidence of the alleged violation;

c. Names, addresses, and phone numbers of witnesses to the violation;

d. The requested remedy to the alleged violation.

The chair/unit supervisor shall investigate the complaint using whatever processes are appropriate including, but not being limited to, written responses from or interviews with faculty members, other students, and other parties. The chair/unit supervisor shall notify the student and the individual against whom the complaint has been filed in writing of the chair/unit supervisor's finding and recommendation within ten (10) working days of receipt of the written complaint. If both parties in the complaint accept the recommendation, they will sign a statement to that effect and the grievance process ends. The chair/unit supervisor shall retain the written records of the process for five calendar years. Upon request, the chair/unit supervisor shall provide either or both parties with copies of all information gathered during the investigation.

**Step 4**

If the complaint is not resolved in step three, either party may request that the dean appoint a college hearing committee. The request for a college hearing committee review must be made in writing to the dean within ten (10) working days of completion step three in the process.

Complaints should be directed to the Dean of the Graduate School at:
Arkansas State University
Dean, Graduate School
PO Box 60
State University, AR 72467-0060
870-972-3029

For Tennessee residents, if a complaint is not settled at the institutional level, the student may contact the Tennessee Higher Education Commission, 404 James Robertson Parkway Nashville, TN 37243-0830. Telephone: 615-741-5293.

All grievances should first be taken to the student's graduate adviser, who will inform the student of the correct procedures to follow. Following proper channels for appeals and grievances is essential to obtain a timely and efficient resolution.

**APPLICATION FOR THE DEGREE**

All candidates are required to submit an intent to graduate notification for the degree and pay the graduation fee at the time they enroll for the final registration period before completing all requirements for the degree, except that students who expect to complete the requirements for the degree during the second summer term must submit an intent not later than the registration date for the first summer term. A new intent to graduate notification must be submitted if the degree is not completed in the term within which the original application was filed. Acceptance of candidates’ intentions will be determined by the students’ advisers and the graduate dean.

**PLACEMENT ASSISTANCE**

Arkansas State University does not have a policy with regards to offering placement assistance to students.
GRADUATE SCHOOL MASTER’S DEGREE POLICIES

GENERAL REQUIREMENTS
The program of study must include a minimum of 30 semester hours of graduate coursework and in the case of the Master of Arts, Master of Music Education, Master of Science, Master of Science in Agriculture and a Master of Science in Education in secondary teaching fields must include at least 21 semester hours in the major. (See major department section for specific degree requirements.)

TRANSFER CREDIT
Subject to the approval of the students' advisers and the graduate dean, master's students who have a "B" grade average or above in graduate work from another approved institution may be permitted to transfer a maximum of nine semester hours of credit. Only work with "B" or better grades earned at an accredited graduate school and acceptable toward a graduate degree at that institution will be considered for transfer.

TIME TO DEGREE
The time allowed for completion of the master’s degree is six years, exclusive of time spent in the armed forces of the United States. Graduate work completed prior to six years from the students' date of completion of the degree cannot be used to satisfy degree requirements. Transfer credit taken prior to admission at Arkansas State University will be included in the six year limit.

GRADUATION POLICIES
Arkansas State University confers degrees and offers graduation ceremonies three times a year, in May, August and December. It is possible you will complete your degree requirements prior to the conferral date. If so, your degree will be conferred at the next available conferral date. You are welcome to participate in the graduation ceremony closest to your date after you complete your degree requirements.

All students are required to complete an Intent to Graduate form, which will be emailed to them, and submit the $65 graduation fee, regardless of intent to participate in the graduation ceremony. Students will submit the Cap and Gown Form to order their regalia if participating in the graduation ceremony.

Students will be given the option to walk at the graduation ceremony; however, if final grades are not in at the time of graduation, a diploma will not be distributed that day. Diplomas will be mailed to students once final grades are in and verified.

Students not participating in the graduation ceremony should please notify ASU Registrar’s office, and their diplomas will be mailed within the first business week following the posting of grades. Please ensure your correct mailing address is on file.

*When paying by course, a $25 administration fee per course is assessed.

All prices are subject to modification by the Board of Trustees for Arkansas State University. The Arkansas State University System Faculty and Staff tuition waiver or the Silver Scholars discount benefit do not apply for any degrees offered through the Academic Partnerships initiative.

**Refund Policy**
Students must drop by 11:59 P.M. Central Time the day before the class begins to receive any credit/refund on tuition.

**Lock-in Tuition Rate**
To avoid future rate increases, students must pay full program tuition/fees prior to the tuition/fee deadline of the first course start date and remain continuously enrolled in courses through program completion.

**Tuition Grant/Scholarship Eligibility**
To maintain eligibility for any grant/scholarship awarded through the Academic Partnership program, in addition to any academic standard, students must remain continuously enrolled in courses through program completion.
FREQUENTLY ASKED QUESTIONS (FAQS)
Below is a listing of frequently asked questions arranged by topic.

Admission FAQs
Where do I find in.Astate?
http://in.astate.edu. Alternately, this site can be reached from a quick link on the current student tab of the ASU homepage.

What documents do I need to submit if I live in Tennessee?
Students who live in Tennessee will need to print out, fill out and fax the below 2 documents to 866-954-5976.

- TN Enrollment Agreement (http://www.stateu.com/astate/documents/TN_Enrollment_Agreement.pdf)

What do I do if I need to move my application term?
Applications are good for a year. If you are not able to start classes within one year of the date of your original application, you will need to complete a new application when you are ready to start courses. If you apply for one term, but need to change terms, we will need the request in writing via email to academicpartnerships@astate.edu. For example, if you apply seeking to start courses in January and are unable to start until April, your application is still valid. You merely need to email us your intent to change terms.

Registration FAQs
How do I register for classes?
Students can register for courses inside the ASU portal, in.Astate. Students will need to click on the Self Service tab. To avoid any trouble with registration, please check your account in Self Service so that you can take care of any holds before your assigned registration time. You can check your holds in Self Service by clicking on "Student and Financial Aid," "Student Records," and then "View Holds." An office and phone number should be displayed. If you find you have a hold, please call the number that is displayed so that you can find out the proper steps needed to take care of the hold.

You may also view the Registration Guide Slideshow for information on how to register.

Do I have to register for all of the courses at one time?
Registering for all courses available in the term will assist in your financial aid processing. If you are not receiving financial aid and are paying for courses individually, you will not be required to pay for those courses all at once. However, you can register for each one individually before the course deadline.

Whom do I contact if I am unable to log in to in.Astate?
Students can contact the help desk by email (OnLineHelp@astate.edu) or by phone at (866)986-2010.

Whom do I contact if I have changed my mind and can not participate in the program at this time?
Students who wish to withdraw from an Academic Partnership Program will need to drop all but the last course in which they are registered. Once this step is complete, the student will need to email (apartnershipregistrar@astate.edu) the Registrar confirming that they wish to withdraw from the program completely.
How do I drop a course?
You may view the Course Drop Guide Slideshow for information on how to drop a course.

Coursework FAQs
Can I email assignments directly to my teaching assistant?
No. The university requires a record of your assignment within the course. Submitting your assignment in the course shows documentation of completing course requirements.

Will I need to document sources in my assignments?
Yes. Please use APA (American Psychological Association) formatting guidelines for documenting sources.

Can I toggle in and out of my exam?
Once you begin, you cannot stop and start or navigate out of the exam.

What is scholarly writing
Scholarly writing uses peer-reviewed sources and edited publications including journals and books. Peer-reviewed articles are reviewed or judged by a panel of experts, including scientific or scholarly peers.

How do I buy my textbooks?
Textbook information can be found on the Academic Partnership website.

How do I know if one of my courses will transfer?
To receive credit for prior graduate work, you will need to submit an official transcript from the university you attended. You will also need to complete the Graduate Transfer Credit Evaluation Form and mail or fax it to:
Office of Admissions
P.O. Box 2520
State University, AR 72467

Fax: 870.972.3548
Once the form is received, the courses you wish to transfer will be evaluated. The Office of the Registrar will send you an email letting you know the amount of credit hours and the specific course(s) for which you have received credit.

When will I have access to my courses?
This information will be sent to your campus email account the Friday before classes begin, provided you have paid for the course.

How do I find out about the supervised internships?
The internship handbook and videos that are normally included at the beginning of your course are temporarily unavailable. The handbook will be available in early August and the videos will be available in early September. This information is being updated and streamlined to provide you information about the course and to allow more flexibility for students.

During your first course of the program there will be a list of activities made available to you through your Epic Player. You work on this list of items throughout the course of the program. You will not register for this course until the last course in your program and at that time will start compiling your data and documents you have worked on prior to this course and some additional tasks during the course to create the portfolio.

What is Live Text?
Live Text is an on-line repository for students' assignments, portfolios, lesson plans and projects. More information is available from ASU-Jonesboro Student Support on the Academic Partnership website.

**Financial Aid FAQs**

Is financial aid available?
Financial aid is available for qualified students.

When is the deadline to apply for financial aid?
Students should apply for financial aid as soon as possible. Students should allow up to 4-6 weeks for the financial aid process to be completed.

How do I start the financial aid process?
It's easy! Steps are located on the Academic Partnership website.

Do I need to register for my courses?
Yes. Students must register for at least two courses per semester for financial aid eligibility.

How do I receive my excess financial aid?
The ASU Student Account Services office will process excess financial aid.

Can I start my course if my financial aid process is in progress?
Courses must be paid for by the tuition deadline even if your financial aid has not arrived. No exceptions can be made to this policy.

How will I be contacted regarding my financial aid information?
The ASU financial aid office will communicate with students via their Astate email account.

Who determines the amount of my loan?
Arkansas State University's Financial Aid & Scholarships Office determines loan amounts.

How can I get loan deferment information?
Students can obtain enrollment verifications in Banner Self-Service. This feature is located under the Student Tab. Under this tab select "Student Records." Click on the last choice, "Enrollment Verification through Student Clearinghouse." Outside agencies can obtain enrollment verifications from the Student Clearinghouse or by calling 703-742-4200.

**Payment FAQs**

How do I make a payment?
Students are encouraged to make payments via Self Service. Students unable to meet this requirement should contact Student Account Services at 866.881.3168 prior to the beginning of the semester. Should you choose, you can pay in person at the cashier's window located on the second floor of the student union. You may also mail a check to:

Student Account Services  
Cashier's Window  
P.O. Box 2640  
State University, AR 72467

For credit card payments, you may call 866.881.3168.
Graduation FAQs
Do I have to pay the $65 graduation fee if I am not going to attend the ceremony?
Yes. The fee is assessed regardless of participation and covers the cost of posting your degree and maintaining the record.

What are the requirements for graduation?
All students who wish to graduate must register and pay for their graduation fee and submit the Intent to Graduate form online.

What happens if I fail to meet the deadline for submitting the Intent to Graduate form and fees?
You must reapply for graduation for the following semester and repay the graduation fee. Graduation fees are not refundable. All students must pay the graduation fee even if they are not attending the ceremony.

Technology FAQs
How do I activate my campus email and Digital ID?
Your email account is created when you are admitted to the program. To activate this email account, go to the Automated Account Manager and follow the instructions.

What is my PIN?
You will use two different PINs (Personal Identification Numbers) when applying for ASU Jonesboro Academic Partnership programs. The first PIN is one you will choose when completing the application online. You will create it when logging into the Self-Service system. This PIN will be used each time you log back in to check the status of your application. The second PIN will be assigned to you when you are admitted to the program. The initial PIN is your date of birth in a MMDDYY format. Once this PIN is assigned, you will be able to change it to a more secure, secret number combination, and we encourage you to do so.

Do I have to use the University email?
Yes. Once you have been officially admitted into the program, you need to set up your University email. All official communication will be sent only to this account.

How can I get technology support?
See the technology support page for all technical needs.

How do I navigate through the course?
You can navigate from the ASU Homepage via the course title on the right.
From the ASU Homepage:
1. Click once on Course Title (on the right).
2. Using the navigation tree on the left, click once on the Week in which you want to work.
3. Click once on the task you wish to complete (reading, lecture, etc).
4. Use the back and forward blue arrows in the top right corner of your screen to move forward and backward between screens.

The software remembers where you left off and will return you there the next time you visit the course. Use the arrows in the top left corner if you wish to move from that place in the course.

How do I navigate through the lectures?
Use the blue arrow key located at the top right corner to navigate through the lectures. The blue arrow key will allow you to view the weekly lectures from start to finish. Written transcripts of lectures and slides can be located by clicking on Resources in the Course Map.
How do I print materials from my course?
Open the document you want to print and save it to your desktop. From there, you can print it.

Where are the course expectations located?
Course expectations are located in the syllabus of each course.

How do I expand discussion threads?
Click on the arrows located to the right of the discussion board window so that the arrows point down to expand the threads.

Whom do I contact for questions about assignment and course content?
You will email your instructional associate with your questions.

How long will I be able to view my course material once I have completed the course?
After the course is over, students will have access for an additional two weeks. You should take this opportunity to save any documents you might need in the future.

What are the computer/technology skill requirements for the Epic Learning Management System?
1. You will need regular access to a computer with an Internet connection. The minimum computer requirements for the virtual classroom are:
   • Windows 2000/XP/Vista/Windows 7 / Mac OS 9 or better / Linux
   • Any current Flash-compliant browser (eg. Internet Explorer 7 or Firefox 3.0)
   • 512 MB of RAM, 1 GB or more preferred
   • Broadband connection required – courses are heavily video intensive
   • Video display capable of high-color 16-bit display – 1024 x 768 or higher resolution
   • A sound card and speakers or headphones
   • Current anti-virus software must be installed and kept up to date

   Some classes may have specific class requirements for additional software. These requirements will be listed on the course offerings page.

   Most home computers purchased within the last 3-4 years meet or surpass these requirements.

2. You will need some additional free software for enhanced web browsing. Ensure that you download the free versions of the software.
   • Adobe Reader
   • Adobe Flash Player

3. At a minimum, you must have Microsoft Office 2003, XP, 2007 or OpenOffice. Microsoft Office is the standard office productivity software utilized by faculty, students, and staff. Microsoft Word is the standard word processing software, Microsoft Excel is the standard spreadsheet software, and Microsoft PowerPoint is the standard presentation software. Copying and pasting, along with attaching/uploading documents for assignment submission, will also be required.

   If you do not have Microsoft Office, you can check with the bookstore to see if they have any student copies.
MISSION STATEMENT

The faculty of the College of Education teach, conduct research, and provide community and professional service in the areas of pedagogy, behavioral sciences, physical education and leisure studies, and advanced education-related professional studies. Instructional programs are offered within a student-centered organizational context that values diversity, innovation, and professional reflection; these programs are delivered by a faculty committed to the beliefs that (a) every student can learn, and (b) teachers themselves model commitment to learning by visibly demonstrating their own continuing personal and professional growth.

The College of Education offers work leading to the following graduate degrees with emphasis areas as noted:

      b. Instructional Specialist Grades 4-12
      c. Gifted, Talented, and Creative
J. Master of Science in Sports Administration
K. Certificate in Mental Health Counseling

All programs listed above are governed by the general requirements for graduate degrees conferred by the Graduate School unless specific requirements are designated.

GRADUATE COURSES AND CREDIT

Graduate students enrolled in courses numbered 5000 through 5999 must do special work in addition to that required of undergraduates in the courses numbered 4000 through 4999. Courses numbered 6000 or above are open to fully qualified graduate students only. Except for the introductory courses in Community College Teaching (CCED 7003 and CCED 7013), and the foundation courses in Educational Administration (EDFN 7773 and EDFN 7783), enrollment in 7000 level courses is restricted to those students who have been officially admitted to pursue the Specialist in Education of the Specialist in Community College Teaching degree and will not count toward the master's degree. Exceptions may be made for those holding an appropriate master's degree in a relevant field as accepted by the Department of
Educational Leadership, Curriculum and Special Education. Enrollment in 7000-level courses with COUN and PSY prefixes requires admission to the Ed.S in Psychology and Counseling, unconditional admission to another university's accredited post-master degree program with a major in psychology or counseling, or (with permission) admission to the Ed.S in Educational Leadership, the Specialist in Community College Teaching Program, or the Ed.D in Educational Leadership. Enrollment in 8000 level courses is restricted to those who have been admitted to pursue doctoral degrees.

COLLEGE OF EDUCATION
GRADUATE COURSE DESCRIPTIONS

Department of Educational Leadership, Curriculum, and Special Education

Curriculum and Instruction

ELCI 6043 Reflective Teaching  A focus on assisting teachers to enhance their reflective skills via observation data collection techniques. This course is restricted to students in the MSE in Educational Theory and Practice or with permission from the course instructor.

ELCI 6063 Curriculum Management  Presents perspectives, skills, and processes necessary for administrators to manage district and building level curriculum and to formalize the curriculum decision-making process.

ELCI 6083 Supervision and Evaluation of Teaching  This course combines attributes of supervising teaching with the formal aspects of teacher evaluation. Emphasis is upon adult development, clinical supervision, and evaluation process and models extant in public schools.

ELCI 6323 Elementary School Curriculum  This course stresses principles and criteria for the selection and organization of instructional materials and activities for the elementary school.

ELCI 6423 Middle School Curriculum  A practical and contemporary study of the organization and development of middle school curricula. Emphasis is on the study of subject field content trends, scheduling, curriculum scope and sequence, and student activities.

ELCI 6493 Curriculum Internship  This capstone course provides students with practical hands-on clinical experience in a school setting. The course will focus on authentic problems and activities that require students to demonstrate dispositions, skills, and practices integral to the performance of the curriculum specialist.

ELCI 6523 Secondary School Curriculum  Curriculum planning, improvement, and evaluation in the secondary schools. Emphasis upon the selection and organization of content, the study of factors affecting curriculum revision, and current issues of curriculum development in the modern secondary school.

ELCI 6533 Theories of Instruction  A review of learning theories followed by an intensive study of various models of teaching available to the classroom teacher with emphasis upon mastery of selected models.

ELCI 6773 Experimental Learning  Capstone experience designed to help teachers develop descriptive, analytical, and reflective thinking and writing skills that demonstrate application of the National Board’s five core propositions. ELCI 6773 is the last course students take in the MSE in Educational Theory and Practice. All other courses required for this program are prerequisites for ELCI 6773. This course is limited to students enrolled in the MSE in Educational Theory and Practice.

Educational Leadership

ELAD 6003 School and Community Relations  A study of concepts, programs and procedures for establishing and maintaining positive relations between the school, its constituents, and related agencies. Areas covered include media and public relations, publications, community and parental involvement. Special emphasis is on transitional student support services through interagency collaboration with non-school agencies such as social services,
law enforcement, and providers of direct services to persons with disabilities.

**ELAD 6033 Administration and Supervision of Special Education**  This course will provide an in-depth study of and an exploration into the administrative processes of special education.

**ELAD 6053 Planning and Resource Allocation**  This course addresses planning and resource allocation in public schools. Special attention is given to site-based management responsibilities of the principal.

**ELAD 6073 School Law**  A study of the legal aspects of education for the purpose of familiarizing school personnel with the legal features of school organization and administration. The course will consider constitutional and statutory provisions, but the major emphasis will be directed to the study of court decisions relating to education.

**ELAD 6103 Ethical Leadership**  This course presents an overview of educational administration for practitioners within the context of ethical and professional behavior.

**ELAD 6423 Special Education Law**  A study of the legal aspects of special education with emphasis given to the following six principles of special education law: (1) zero project, (2) nondiscriminatory classification, (3) individualized and appropriate education, (4) least restrictive placement, (5) due process, and (6) parent participation.

**ELAD 6593 Supervised Internship**  This capstone course provides students with practical hands-on clinical experience in a school setting. The course will focus on authentic problems and activities that require students to demonstrate leadership skills, and practices integral to the performance of the school administrator at the building level.

### Educational Foundations

**ELFN 6763 Philosophies of Education**  Presuppositions of various philosophies with emphasis on the implications of these presuppositions on educational theory and practice.

**ELFN 6773 Introduction to Statistics and Research**  An introductory course in methods and techniques of research, and the statistical treatment and interpretation of research data.

### Special Education

**ELSE 5033 Behavior Intervention and Consultation**  Techniques of systematic behavioral analysis and intervention for students at-risk for school failure or students with disabilities. Emphasis is placed on both direct and consultative interventions.

**ELSE 5043 Educational Diagnosis and Assessment in Special Education**  A study of the principles and practices for assessment and identification of individuals with disabilities. Administration of formal and informal assessment instruments, and interpretation and reporting of assessment data is emphasized.

**ELSE 5083 Collaboration for Special Education Service Delivery**  A study of the team planning process, working with families, and service delivery options for special education, including special class placement, consultation, and collaborative teaching.

**ELSE 5733 Gifted Children in the Regular Classroom**  A study of gifted children to facilitate the education of regular classroom teachers as they strive to assist in the identification of gifted children and to further enhance the education of the gifted while in the regular classroom. Specific areas of giftedness will be studied pertaining to characteristics, identification, and differentiated instruction.

**ELSE 5743 Assessment of Young Children with Exceptionalities**  A study of
evaluative and diagnostic instruments and procedures used with young exceptional children from birth to five years of age.

**ELSE 5753 Methods for Working with Young Children with Exceptionalities**  
A study of current theories, practices, and procedures used to develop programs for exceptional children from birth to five years of age.

**ELSE 6023 Characteristics of Individuals with Disabilities**  
Advanced in-depth study designed to develop knowledge of the characteristics and issues related to individuals with disabilities.

**ELSE 6053 Educational Procedures for Individuals with Mild Disabilities**  
A study of models for the planning and delivering of instruction to students with disabilities who require an individualized general curriculum. Includes techniques and materials for teaching reading, math, and writing.
