Arkansas State University is committed to the safety and well-being of all campus members. In accordance with that commitment, these statistics are compiled to provide awareness for students, employees, and loved ones.

These statistics are released as part of our efforts adhering to the Higher Education Act of 1965, as amended. The Arkansas State University Office of Emergency Management requests the reporting of all suspected fires on our campus to our office. These reports can be addressed to Wyatt Reed (wreed@astate.edu OR 870-972-3352).

A-State highly recommends campus members review current emergency procedures and evacuation information to prepare for any incident that may impact our campus. The resources are readily available by contacting our office or visiting the emergency management webpage [here](#).
