► TO BE COMPLETED BY STUDENT

Please check each of the following items before signing and submitting this form.

I am eligible to receive the TEACH Grant, based on the following:

Indicate with a checkmark the qualification that applies to you:

I am a current, former or retired teacher pursuing a master's degree.

***Please attach a copy of Teacher Certification with this application.**

My current cumulative GPA is at least 3.25.

I understand that if I initially received the TEACH Grant under the qualification of being a current, former or retired teacher, then I must maintain a cumulative 3.25 GPA.

I understand that this grant is intended only for students who plan to become teachers in a high-need subject field, and who plan to teach in low-income schools as determined by the federal government or state, which is subject to change.

I understand that I will have to complete an A-State TEACH Grant application each award year that I am eligible.

I understand that I will have to complete an Entrance Counseling for the TEACH Grant each year that I am eligible.

I understand that I will have to sign an Agreement to Serve for the TEACH Grant each year that I am eligible.

I understand that if I am not able to meet the conditions outlined in the Agreement to Serve, the TEACH Grant will convert to a Federal Direct Unsubsidized Loan, and interest will be added to the principle from the disbursement date of the TEACH Grant, which I am responsible for repaying.

I understand that if I have already been awarded up to my cost of attendance, receiving the TEACH grant will result in the reduction of my federal subsidized, unsubsidized loan, and/or PLUS loan award.

I understand that transfer credit hours must meet the 3.25 GPA eligibility requirement to be a recipient of the TEACH Grant.

I further understand that in order to prevent the TEACH Grant from becoming a Federal Direct Unsubsidized loan upon completion or withdrawal from the program for which the TEACH Grant was received, I must:

Serve as a full-time teacher for a least four academic years within eight calendar years in the subject area for which the TEACH Grant was received, and

Teach at a school that is designated to be a low-income school based on the Teacher Cancellation Low Income Directory.
