## What is a Banner Page?

A Banner page (previously called a form) is an online document where you can enter and look up information in your database. A page visually organizes information so it is easier to enter and read. A Banner page is similar to a paper form, except information is entered once and then used by other pages, reports, and jobs.

## Basic Navigation

All Banner pages consist of the Page Header, the Key Block, Sections, Notification Center, and Buttons.

The screenshot displays a Banner page for requisition entry. The top header includes a close icon, the title 'Requisition FPAREQN 9.3.7 (RACT)', and navigation buttons for 'ADD', 'RETRIEVE', 'RELATED', and 'TOOLS'. Below the header, the 'REQUISITION ENTRY: REQUESTOR/DELIVERY' section contains fields for 'Requisition' (NEXT), 'Order Date' (07/20/2018), 'Transaction Date' (07/20/2018), and 'Delivery Date'. It also shows 'Commodity Total' and 'Accounting Total' both at 0.00, and a checked 'Document Level Accounting' option. The 'REQUESTOR/DELIVERY INFORMATION' section is divided into two columns. The left column lists 'Requestor' (Nikki Turner), 'Organization' (311071 Sponsored Programs Accounting), 'COA' (J Arkansas State University-Jonesboro), 'Email' (anturner@astate.edu), and various phone and fax numbers. The right column lists 'Street Line 2' (Sponsored Programs Accounting), 'Street Line 3' (2713 Pawnee), 'Contact' (Sponsored Programs Accounting), 'Attention to' (Sponsored Programs Accounting), 'Building' (C/O Central Rec), 'City' (State University), 'State or Province' (AR), 'Zip or Postal Code' (72467), 'Nation', 'Area Code' (870), 'Phone Number' (9722400), and 'Extension'. A 'SAVE' button is located at the bottom right of the form.
