**F-1 STUDENT SUPERVISOR ACKNOWLEDGMENT OF  
LEGAL LIMITATIONS ON WORK HOURS  
AND LOSS OF STATUS**

I am the supervisor of a student worker in F-1 Student Status. **I know that F-1 students are strictly limited in the hours they may work.** I acknowledge that the law allows an F-1 student to work a maximum of twenty (20) hours per week when school is in session, regardless of the number of on-campus jobs, and that an F-1 student may work only on the campus of Arkansas State University. *(A session is defined as when classes officially start and not when the class first meets)*

I am aware that if an F-1 student violates the law by working more than twenty (20) hours in any week, **that international student's I-20 form will be TERMINATED and he/she will lose his/her international student status** and must return to his or her home country immediately where he or she will have to re-apply for a student Visa to return to the United States.

I understand that the law allows an F-1 student to work in excess of twenty (20) hours per week only during official breaks of Arkansas State University and as long as the student is not enrolled in classes at which time the F-1 student may work a maximum of twenty-eight (28) hours per week.

**I hereby agree to comply with all laws, rules, and regulations regarding working hours of F-1 students and will limit the working hours of F-1 students under my supervision to those set out above.**
