none

### Recap:

The August 3 meeting was held on the third floor of the library in Room 340. As promised last meeting, Henry has secured Room 340 Library for testing/collaboration from 8-5 daily – the room will have additional machines and the area has full time support people. Thanks to Kevin Downum for his help.

Absent any new agenda items being submitted Henry began the round table for updates:

KV: report on documentation posted to Banner 9 site and emails announcing the posting. Lori Winn requested Kassie Pratt be added to Karen's emails. Donna requested to be added as well.

SM, JH, KA: updates from Systems areas

RH: Moving forward with planning, working with CT, LW to address issues

Mahir- questioned response times of reports – variances of same reports different days. Ht discussed Ellucian consultants will be asked to review.

CH, MH: No updates from Advancement

TC: Finaid plans to bring staff to bunker in small groups to expose them to B9 and will encourage them to open B9 as they are doing regular B8 processes for comparison and testing....

BH, MG- No updates from Controllers Office

CT – No update from Process Improvement

DM – No update from Budget Office

KP – first meeting/no update

LW –HR hopes to utilize bunker as described by TC as time permits

MW – no update

TF via HT – Admissions/Registrar's team has been testing. Have provided bug list/findings to KV. Have been using space in Lib for this. Will continue as planned.
