

Installation Instructions

Uninstall Minitab Express

1. Click **Go** and open the **Applications** folder
2. Drag **Minitab Express** to the **Trash**.

Install Minitab Express Multi-User

1. Download Minitab Express using the following link:
<http://fs1.minitab.com/prodinstalls/minitabexpress/minitabexpress1/1.5.3.0/mac/multi-user/Minitab Express MU v1.5.3.pkg>
2. Double-click the "**Minitab_Express_MU_v1.5.3.pkg**" file to launch the setup.
3. Click **Continue**.
4. Click **Continue**.
5. You will be presented with the software license agreement. Click **Agree**.
6. Click **Install**. You may be prompted to enter your password. If prompted, enter the password and click **Install Software**.
7. Click **Close**.
8. Copy the attached license file (minitab.lic) to this location. (/Library/Application Support/Minitab/Minitab Express)
9. From Applications, launch Minitab Express.
10. When prompted to specify the License Server System or License File, choose **Specify the License File**.
11. Browse to choose the license file **minitab.lic**, which is located in /Library/Application Support/Minitab/Minitab Express.
12. Click **Open**.
13. Click **OK** to launch the software.

At this point, the installation is complete, and Minitab should be open.
