

## Learning Portal Login

The DocuSign University Learning Portal provides access to a complete catalog of resources to help you get up and running and expand your skills.

### 1/ Deep Dive course enrollment

Go to [DocuSign University](#) and explore the catalog

Search using the exact course title. From the course page, select the session date and time, then click “Enroll.”

#### Deep Dive course titles

- DocuSign CLM Essentials DocuSign
- DocuSign CLM Process Automation
- DocuSign CLM Process Automation with Salesforce®
- How to Accelerate Agreements
- Template Fundamentals
- Web Application Administration

### 2/ Click “Enroll” and log in with your DocuSign product credentials

#### Don't have a DocuSign production account yet?

Select “Register” below the yellow bar to create an account using a personal email address. The account will be approved within one business day. Once enrolled in a specific date/time of a Deep Dive course you will receive a notice that you are on a waitlist. DocuSign University will respond within one business day to arrange invoicing or confirm payment has been processed.

#### Complimentary course enrollment

From the home page, scroll down and search the catalog to enroll in courses that interest you. Filter the catalog based on language, role-type, or preferred style of learning. If searching for a specific course, use the exact course title. For live, instructor-led Learning Labs, select the session date and time, then click “Enroll.” You can join live courses up to 15 minutes prior to the scheduled date and time. When you enroll in a course it will be added to My Courses on your dashboard.
