Creating a University-Wide Common Hour

Short Title: A resolution that will establish a University-wide common hour in which the registrar will not schedule any classes for one hour on a specified day of the week during the Fall and Spring semesters.

Whereas, student organizations do not currently have a common hour during the day on campus in which all students are available to attend meetings, and

Whereas, not every student is able to attend University-sponsored events due to the interference of class schedules, and

Whereas, some student organizations have reported a decrease in size and/or student participation due to conflicting class schedules, and

Whereas, students have requested a common lunch hour in which they would be able to participate in lunch programs without interference of classes.

Be It Therefore Resolved By The Student Government Association Of Arkansas State University That:

A University-wide common hour be established on the campus of Arkansas State University in which the registrar will not schedule classes for a period of one hour on specified days of the week for the Fall and Spring semesters. Days and hours can be determined by the registrar to best fit the Banner system; however, some suggested times included Tuesdays and Thursdays from 12:30 pm – 1:30 pm or Tuesdays and Thursdays from 1:30 pm – 2:30 pm.
