REQUEST TO INSTALL ICE MACHINE IN RESIDENCE HALL

Short Title: This resolution requests that an ice machine be placed in the appropriate, appointed location in one residence hall or an accessible central location.

Whereas, This resolution increases the quality of living in a residence hall by adding a more convenient aspect to those residing in campus housing. The installation of an ice machine allows for students within the residence hall to have access to ice that they otherwise would not have access to due to the type of refrigerators a student is authorized to possess, and

Whereas, Students would have the opportunity to obtain ice from the central location (i.e. front desk, laundry room, main floor, etc.) of the residence hall when needed and/or desired for any purpose, and

Whereas, A maintenance agreement will be implemented to ensure that the ice machine meets health code standards, operates satisfactorily, and identifies the university department responsible for the yearly upkeep of the ice machine.

**BE IT THEREFORE RESOLVED BY THE STUDENT GOVERNMENT ASSOCIATION OF
ARKANSAS STATE UNIVERSITY THAT:**

An ice machine will be installed in the proper and relevant location in a residence hall to ensure a more comfortable quality of living during a student's experience at Arkansas State University.
