Wrap - Up

There were no official events in the MC last week, but the MC Staff was able to attend the Sexual Assault and Domestic Violence Candlelight Vigil, as well as the "Cassandra on Campus" Lecture by Dr. Catherin Clinton.

The MC also finalized the event details for several upcoming events. The Non-Trad Fall Festival, October 7th; The DACA Forum, October 3rd; and The Mental Health Matters Discussion Panel, October 4th.

Please check our website or our Facebook page for more information.

EVENT SPOTLIGHT

Last week the MC Staff had the privilege of participating in the Sexual Assault and Domestic Violence Candlelight Vigil, as well as the "Cassandra on Campus" Lecture by Dr. Catherin Clinton. The counseling center staff read the stories of the Domestic Violence victims of 2016 while those in attendance held white candles. We then enjoyed a lecture by the very knowledgeable Dr. Clinton. The lecture was a call to action to end campus sexual harassment and sexual assault.
