LAST WEEK- WRAP UP

Multicultural Monday

We had our first Multicultural Monday on August 28, 2017. The event featured trivia about Diversity awareness, and prizes such as free t-shirts, sunglasses, and earbuds were given out. We also had light refreshments available for students. The next multicultural Monday will be September 11, 2017 from 11:00 a.m. to 1:00 p.m. Stop by for your chance to win prizes and learn about Religious Diversity.

MC Ambassadors

The 2017-2018 MC Ambassadors were selected last week after two days of interviews with the MC Staff. They begin their duties this week, with office hours beginning Tuesday, September 5, 2017. Of those interviewed, ten were selected, and began training Friday, September 1. Please stop by the center to meet our new team!

EVENT SPOTLIGHT

Multicultural Monday, August 28, 2017.

We had a blast playing trivia with students last Monday. We highlighted Diversity Awareness with a fun, Jeopardy-style game. We had the opportunity to hand out some prizes and eat some sweets! We hope our Multicultural Mondays pick up in popularity so we can give away more prizes while increasing A-State Students knowledge about diverse topics.

STUDENT SPOTLIGHT

This week's student Spotlight is Diana Smith! Diana is a front desk student worker and an MC Ambassador. Diana is passionate about diversity at A-State and has a heart for welcoming international students. This past summer she studied abroad in Japan, and learned so much while having a wonderful time abroad. Diana is a go-getter who never shy's away from a challenging task. She has already shown initiative by volunteering at the 2017 MC Mixer and by doing research for various MC initiatives.

Q & A with Diana Smith

Why did you choose Japan for your study abroad this past summer?

I have always wanted to visit Tokyo. When the opportunity presented itself, it was affordable and I have friends from Japan that I was able to meet with while I explored a country of interest.

What do you look forward to after graduation?

I look forward to being able to study more for the MCAT, and becoming an adult!

Where do you see yourself in 10 years?

Being a medical professional, with a family and enjoyable life.
