

THREE MINUTE THESIS WINNERS

3rd Place (Tie)	Swapnali Halder	Could oral nicotine be a safer choice for smoking cessation? Let's ask the rat.	Molecular Biosciences
3rd Place (Tie)	Lana Elkins	"Plant-Powered" Fish Food: An Environmentally Sustainable Immune Stimulant for Improved Aquaculture Practices	Molecular Biosciences
2nd Place	Mike Gray	The Relationship Between Gender Identity and Flirting Style	Communication Studies
1st Place	Rachel Welicky	Direct and Indirect Effects of the Caribbean Cymothoid Parasite <i>Anilocra Haemuli</i> on Host Energetics, Behavior, and Trophic Interactions	Environmental Science
People's Choice	Rachel Welicky	Direct and Indirect Effects of the Caribbean Cymothoid Parasite <i>Anilocra Haemuli</i> on Host Energetics, Behavior, and Trophic Interactions	Environmental Science

Video Pitch Competition Winners

3rd Place	Bridgette Riley	Vending Machine Offering Travel Size/One Time Use Products	Business Management
2nd Place	Kirsten Druckenmiller	Breathalyzer & iPhone App Pair to Prevent Drunk Phone Use	Business Management
1st Place	Dylan Gamble	Rigs-On-A-Roll: Pre-Tied Fishing Rigs	Business Administration

Oral Presentation Winners

Science, Technology, Engineering & Mathematics Undergraduate

2nd Place	Zach Marsh	Secondary Metabolite Enhancement in Hairy Root Cultures of <i>Scutellaria Lateriflora</i> by Treatment with Cyclodextrin and Methyl Jasmonate	Biological Sciences
1st Place	Cheyenne Gerdes	Degradation of Bat Wings by <i>Geomyces Destructans</i> Proteases	Wildlife Ecology and Management

Science, Technology, Engineering & Mathematics Graduate

2nd Place	Ningning Zhang	Engineering Hydroxyproline-O-Glycosylated Peptide Motifs In Hairy Roots For An Enhanced Bioproduction Platform	Molecular Biosciences
1st Place	Muhsin Aydin	Rapid Identification of <i>Salmonella Serovars</i> by Flow Cytometry-Based Multiplexing Analysis System	Molecular Biosciences

Social Sciences, Behavioral Sciences & Nursing Undergraduate

2nd Place	David Beck	The Innocent Eye: Personal and Political Change Through a Child's Lens	English
1st Place	Hunter Sadler	Cross-Cultural Perception of Common Colors	Psychology

Social Sciences, Behavioral Sciences & Nursing Graduate

2nd Place	Elizabeth Snow	Developmental Play and Sensitivity to Nicotine	Psychology
1st Place	Mark Lovins	The Impact of Honesty in <i>The Tenant of Wildfell Hall</i>	English
Poster Presentation Winners			
<i>Science, Technology, Engineering & Mathematics Undergraduate</i>			
2nd Place	Yachi Wu	A Zone Management Approach to Tarnished Plant Bug (<i>Lygus lineolaris</i>) Control Termination in Cotton	Plant Science Agriculture
1st Place	Jennifer Roberts	Plant-based Fish Protein Production as an Alternative Antimicrobial Therapeutic Strategy for Aquaculture	Biological Sciences
<i>Science, Technology, Engineering & Mathematics Graduate</i>			
2nd Place	Swapnali Halder	Long Term Oral Nicotine Exposure is Associated with Changes in Sera Cotinine and Uterine Histology but not the Estrous Cycle in Female Rats	Molecular Biosciences
1st Place	Cesar Nopo-Olazabal	Bioproduction of Stilbenoids in Hairy Root Cultures of Muscadine Grape (<i>Vitis rotundifolia</i> Michx.)	Molecular Biosciences
<i>Social Science & Behavioral Sciences Undergraduate</i>			
2nd Place	Meggen Horwatt, David Barrera, Brandin Stehle, Susan Shelley	Effects of Handling Techniques on Stress in Female Adolescent Rats	Psychology
1st Place	Amanda Harris, Molly Bryson, Trisha Arnold	Assessment of Writing Across the Curriculum: Is Psychology a Writing Intensive Discipline According to University Trajectory?	Psychology
<i>Social Science & Behavioral Sciences Graduate</i>			
2nd Place	Jonathan Wilson, Keri Holder, Kelly Lansford, Shannon Rogers, Brittany White	Immigration Reform and Higher Education	Social Work
1st Place	Elizabeth Snow	The Impact of Developmental Play on Voluntary Nicotine Intake in Female Rats	Psychology
<i>Nursing & Health Professions Undergraduate</i>			
2 nd Place	Paula Weaver, Melissa Lee, Jalessa Cross, Melissa Russell	The Great Escape	Social Work
1 st Place	Melissa Bowman Summer Corker, Kei-Lynn Swindle, Stephanie Gryner	Educating Adolescents About Dating Violence	Social Work
<i>Nursing & Health Professions Graduate</i>			
2 nd Place	Eric Haertling	Do Previously Deployed Soldiers in Northeast Arkansas Relate Increased	Family Nurse Practitioner

		Feelings of Hopelessness After Return From Afghanistan or Iraq?	
1 st Place	Ashlee Gill	Acute Bronchitis and Treatment Guidelines	Family Nurse Practitioner

Best Overall Oral Presentation Undergraduate

Aaron Hattle	MARY SUES IN LITERATURE	English
--------------	-------------------------	---------

Best Overall Oral Presentation Graduate

Ashton Erwin	Bounded Area Tests for Comparing the Dynamics Between ARMA Series	Mathematics
--------------	---	-------------

Best Overall Poster Presentation Undergraduate

Brett Shirley Ezra Rodgers Devin Harper Kasha Shannon	Assessment of High DFW Courses: General Chemistry I Focus Groups	Psychology
--	--	------------

Best Overall Poster Presentation Graduate

Taylor Gregory Brandi Koschmann Tracy Mallard Melody McCaig	Extending the Medicaid Program to More Uninsured Arkansans will be Beneficial to the State as a Whole	Social Work
