

Guidelines for Student Travel Vouchers

Study Abroad Office Funding Supporting Travel Related to Credit-Bearing Academic Experiences Outside the United States

As part of an institution-wide effort to prepare students for the rigors of a globally competitive and interconnected marketplace, Arkansas State University (A-State) is actively encouraging its students to engage in educational activities outside the United States (U.S.). To help achieve this goal, A-State is providing funds that are available to students in the form of travel vouchers to help defray transportation costs, subject to eligibility requirements and conditions described below.

Deadlines: Spring: Nov. 30th, Summer: March 15th, Fall: July 15th

When will the travel voucher be awarded? Application reviews will begin after the deadline has passed. Recipients will hear a decision within one month after the application deadline as to whether they have been awarded the travel voucher.

Who can apply? Full-time undergraduate and graduate students in good academic standing as determined by A-State. Students must have completed at least one semester of academic study at A-State to participate in an A-State approved program offering academic credits in any of the following activities:

- ✓ Faculty-Led Programs
- ✓ Full year, Semester, Summer Study Abroad Programs
- ✓ International Independent Study, Service-Learning Experiences

- ✓ Enrich, or broaden an existing A-State Program rather than developing new relationships
- ✓ Participate in academic experiences of four (4) weeks or more (excluding faculty-led programs), as well as shorter programs involving significant projects in a related field study and/or research

Eligibility requirements:

- ✓ Must provide proof of acceptance or enrollment in an academic program. Awards will not be given until proof has been provided
- ✓ International students enrolled at A-State may not apply for a travel voucher to their home country

- ✓ Participate in outreach activities at A-State for at least six (6) hours upon return is required
- ✓ Provide content for program promotion, video, blogs, photos, etc.

Travel voucher support provided:

There are two options available:

- ✓ The general \$500 Travel Voucher, which is available to any student who meets the above requirements. These travel vouchers are limited to providing funds to acquire

coach/economy class roundtrip airplane tickets.

- ✓ A \$1,500 Travel Voucher (which cannot be combined with the \$500), for students whose family contribution is less than \$10,000 for additional support.

Should the trip be cancelled for any reason, except for cancellations on the part of A-State or if the U.S. government prohibits or discourages travel to that country, the student recipient is responsible for refunding the full amount of the travel voucher to A-State. Travel vouchers will not be awarded to support travel to countries/regions under U.S. Department of State travel advisories or bans.
