Meal Plans

Meal plans are mandatory for all residence hall students and may only be changed prior to the opening date for the residence halls. Students with the 5-Day meal plan option may enter Acansa Dining Hall unlimited times Monday through Friday. Students with a block meal plan may dine in the dining hall up to the number of block meals purchased. The block plan allows the holder to use the plan to bring in guests. Each swipe equals one meal. Flex operates like a declining cash balance account that can be used at any of our dining venues. Unused flex will carry over from fall to spring- if a spring plan is purchased, but any remaining flex at the end of the spring term will be forfeited. Voluntary meal plans (VMP) do not renew each semester and run from August through July 31 of the following year. VMP are only available to off campus students and on campus apartment residents. Additional flex can be purchased for any meal plan on A-State Marketplace.
