

CURRICULUM VITAE

Name: Wilton Remigio
Name of Institution: Arkansas State University

Education: post high school from most recent to earliest

Degree, MSc
Institution: King's college of London, GB
Major: Science- Applied Neuroscience
Started -October 2019 --

Degree: DSc
Institution: Loma Linda University, CA
Major: Doctorate of Science
Date awarded (June 2010):

Degree: MPT
Institution: Loma Linda University, CA
Major: Post Professional Masters in Physical Therapy
Date awarded (June 2004):

Degree: MSc
Institution: Andrews University, MI
Major: Administration – Concentration on International Health
Date awarded (April 2003):

Licensure Information: Licensed in home country: Brazil.

Certifications (eg, ABPTS):

Employment and Positions Held: from most recent to earliest

Assistant Professor
Arkansas State University
Neuroscience, Physiology, Pathology and Differential Diagnosis, Movement Sciences, EBP
City: Jonesboro, AR
Duration: August, 2020 to present

Title/position: Associate Professor
Faculty rank, if applicable:
Tenure status or other institutional status, if applicable: NA
Institution: Kettering College
City and State: Kettering, OH
Duration (Sep 2019 -2020)
Obs: The Network did not proceed with the plans of creating the DPT program for which I was called to be involved in.

Title/position: Assistant Professor
Faculty rank, if applicable:
Tenure status or other institutional status, if applicable: Tenured tract
Institution: Misericordia University
City and State: Dallas, PA
Duration (August 2014- May2019)

Title/position: Assistant Professor/Lecturer
Faculty rank, if applicable: Assistant Professor
Tenure status or other institutional status, if applicable: N/A
Institution: Rosalyn Franklin
City and State: North Chicago, IL
Duration (August 2013-April 2014):

Title/position: Assistant Professor
Faculty rank, if applicable:
Tenure status or other institutional status, if applicable: Tenure Tract
Institution: Clarkson University, NY
City and State: Potsdam, NY
Duration (February 2011-June 2013-):

Title/position: Professor
Faculty rank, if applicable: Adjunct faculty
Tenure status or other institutional status, if applicable: N/A
Institution: Western University of Health Sciences,
City and State: Pomona, CA
Duration (May 2010 – December 2010):

Title/position: Professor
Faculty rank, if applicable: Adjunct Faculty
Tenure status or other institutional status, if applicable: N/A
Institution: Chapman University
City and State: Orange, CA
Duration (July 2010 to November 2010-):

Duration (August 2006- May 2007):

Peer Reviewed Publications:

From the most recent to the earliest (include those accepted for publication but not yet published, but indicate as such) Include papers in journals, A-V materials published, monographs, chapters in books and books: **provide full bibliographic citation.**

Peer Reviewed Scientific and Professional Presentations: From the most recent to the earliest

Presenter(s): Hot at Dawn: The Thermal Roots of Hippocratic medicine

Title: Presenter

Occasion: Annual Meeting of the Society of Thermal Medicine

Date: May 2018

Presenter(s): Wilton Remigio

Title: Translational Research- Can PTs keep up with the Science? Editorial, J Phys Res.2018;8(3)

Date: 2018

Presenter(s): Wilton Remigio

Title: Inter-Rater and Intra-Rater Reliability of the fluid Goniometer for Measuring active knee Flexion in Painful knees. Correlations do not mean agreement. Journal of Physical Therapy Science. Jun:29(6): 984-988, 2017

Date: 2017

Presenter(s): Is Heat the New NSAID

Title: Presenter

Occasion: Stanford Medicine X

Date: Sept 2017

Presenter(s): co author

Title: Acute effect of a single high-fat meal on forearm blood flow, blood pressure and heart rate in healthy male Asians and Caucasians: a pilot study. Southeast Asian J Trop Med Public Health. 2010

Mar;41(2):490-500. Co-author.

Date: 2010

Presenter(s): co author

Title: The use of an isometric handgrip test to show autonomic damage in people with diabetes. (2008). Diab Tech Ther.

Date: 2008

Presenter(s): co author

Title: Microvascular function after a single High-fat meal in healthy Asians and Caucasians, Thai J Nutr, 2010

Date: 2010

Presenter(s): co author

Title: Current distribution under electrodes in relation to stimulation current and skin blood flow: are modern electrodes really providing the current distribution during stimulation we believe they are? J Med Eng Technol. 2006 Nov-Dec; 30(6):368-81.
Date: 2006

Funded/In Review Grant Activity:

Authorship/participation:

Amount of funding awarded: \$2.800,00

Nature of project: (experimental Research) (Investigates the difference in the frequency and Spectral domains of heart rate variability in college male students using 20 in machine (treadmill) based versus free running controlled intensity aerobic exercise.

Date and source: 2015

Authorship/participation: Wilton Remigio

Amount of funding awarded: \$11.000,00

Nature of project: (experimental Research- Exercise immunology- Title: Salivary cytokine profile after a bout of controlled intensity aerobic exercise in the common cold and flu like illness

Date and source: 2016

Current/Active Research Activity: N/A

Authorship: Wilton Remigio and students.

Nature: Systematic Review. Abstract accepted and presented at the Experimental Biology (annual meeting of the American Physiological Society and Partners), Orlando, April 2019

Funding (external, grant, internal)

Membership in Scientific/Professional Organizations:

Organization

Duration (from – to -)

Position, if applicable

Consultative and Advisory Positions Held:

Advisory committee for the implementation of online Student Evaluations on the campus of Misericordia University. 2018

NHI Grant research committee for the project: The effects of vibratory stimulator spectrum on acral and non-acral skin Blood flow, Loma Linda University School of Medicine. 2010

Community Service:

Title or nature: Pro Bono Clinic support and assistant student mentoring

Agency: Misericordia University

Duration: - 2016-2018

Function: support

Title or nature: **Wellness fest** (free event -health fair): screening for Auditory Loss, Glycemia, and Blood pressure and posture for the general population in the city of Wilkes Barre at the Kirby Park in

Agency: Partnership with local churches, Volunteers of Medicine and the Academic Medicine of the local General Hospital

Duration: 1-day July 2017

Function: Organizer

Title or nature: Health Fair Memorial Day, for the city of Wilkes Barre at the Kirby Park. July 2016
Agency: Partnership with local Churches and local health professionals
Duration: 1 Day July 2016
Function: Organizer

Title or nature: Wellness Fair for the Hispanic community in Winthrop, IL 2013
Agency: Partnership with local Clinics and churches
Duration: 1 day
Function: Organizer

Title: Get Well Day (health screening and health education) for the community of Forest Falls in Southern California, 2004
Agency: Partnership with the Forest Falls-Sda Church
Duration: 1-day June 2014
Function: Organizer

Title: Mobile Clinic activity in the city of Salvador, State of Bahia, Northeast Brazil.
Agency: Adventist Development and relief Agency (Adra.org)
Duration: from 1996-2001
Function: Director and Project Manager

Services to the University/College/School on Committees/Councils/Commissions:

College-wide

Dates: October 12, 2016

Continuing Education Attended: list ONLY courses taken **within the last five (5) years** that **specifically relate** to responsibilities in the entry-level program.

1. Mooc: General Pathology, Coursera, 2020, Saint Petersburg State University, Russia,
2. Mooc: Medical Neuroscience, Coursera, 2019 Duke University- Dr. Leonard White
3. Educys: Cupping therapy for Physical Therapists, 2019
4. PRIME: Lipid Care Guideline Update, 2019
5. PRIME: Pulmonary Hypertension Update and Guidelines, 2019
6. VINDICO: Multidisciplinary Perspectives on Systemic Sclerosis, 2019
7. Internal Medicine Board Preparation online course Part 1. Medquest Reviews, NY , 2018
8. Step 2 USMLE, Conrad Fisher -Medquestreviews, online, Feb-Oct 2017,
9. CE credit: Pharmacology for Rehabilitation, Physical Therapy.com, February 2017.
10. Mooc: The Biology of Cancer. Johns Hopkins University. Coursera , June 2017
11. Differential Diagnosis: When to refer. From the Learning Dynamic Group online: in progress, 2016
12. Medical Neuroscience, Certificate, (on line-MOOC) Duke University- 2014

Current Teaching Responsibilities in the Entry-Level Program for Academic Year of Site Visit: (in sequence, by term; do **NOT** include courses taught at other institutions!)

Classes: DPT Program- Arkansas State University
