## Dissertation

- Candidates must maintain continuous enrollment until the dissertation is completed.
- Extenuating circumstances for not being continuously enrolled will be considered on an individual basis

\*Doctoral Sub-Core will be completed while enrolled in the doctoral program. The Doctoral Sub-Core is required of those who are entering with only a Master's Degree. **The Doctoral Sub-Core core must be completed by the end of Semester 4.**

\*\*Failure to complete the requirements of Research Seminars I, II, and III or Dissertation Seminar I and II will result in a grade of I (Incomplete) for the course. If receiving a grade of Incomplete, the candidate must register for the course in the following semester and complete its requirements. Failure to complete those requirements in the next consecutive semester will result in dismissal from the doctoral program. Students will be allowed one (1) Incomplete (I) in the Doctoral Research and Dissertation Core. More than one (1) Incomplete will result in dismissal from the program.

**3 Years + 1 Semester (3.3 years)**

**Start in Spring of 2020 – Graduate in Spring of 2023**
