August 1, 2022

Dr. John Hall
Arkansas State University
2105 East, Aggie Rd,
Jonesboro, AR 72401

Dear Dr. Hall,

Enclosed is the report concerning the review of your *specialist* program by the National Association of School Psychologists (NASP). Reviewers with training in the application of the NASP *Standards for Graduate Preparation of School Psychologists* evaluated your submission followed by review of the site visit team in Spring 2022. The materials were carefully analyzed for evidence of program compliance with NASP standards. The NASP Program Accreditation Board then considered all evaluations and comments.

It was the decision of the Program Accreditation Board to grant ***NASP Accreditation-Full*** to your program for the period of August 1, 2022 through August 1, 2029. Congratulations! Your program's next submission is scheduled by Fall 2028 with a site visit in Spring 2029.

An official list of NASP-Accredited Programs is published on the NASP website. Your program will be included in that list. Candidates who graduate from your program while it holds NASP-accredited status are automatically eligible for the National Certificate in School Psychology (NCSP), pending the attainment of a passing score on the Praxis II Examination in School Psychology and documentation of an internship consistent with NASP standards.

As a NASP Accredited program, you are required to publish your program's Annual Report on your program's landing page. You can do so either by linking your program's page within the NASP Program Database to your landing page or by publishing an Annual Report directly to your landing page. This must be completed by August 31st 2022.

A full submission will be required for your next program review using the NASP Standards for Graduate Preparation of School Psychologists and according to the instructions and deadlines located on the NASP website at <https://www.nasponline.org/standards-and-certification/graduate-program-approval-and-accreditation>.

On behalf of the Program Accreditation Board, and the National Association of School Psychologists, I wish to congratulate you and your colleagues on your efforts to develop a strong program. We hope the information we have provided will be of assistance in your continuing efforts to advance your program. If the Board can be of any further assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Politikos".
