

**Request for the Selection of a MS (Practicum) Advisory Committee  
Environmental Sciences Program, Master of Science**

The Graduate School accepts recommendations from the student's advisor for committee members. The program director has the responsibility of assigning the advisor. This action is to be taken in the student's first year of study within the program.

1. Master's committees must have a minimum of four members.
2. Each committee must have at least one member from both the natural and social sciences.
3. Majority of committee members must be employed by Arkansas State University.
4. Members can be from outside the University but must have graduate faculty status. If graduate faculty status is needed, please contact the EVS Office to submit an application.
