

## Restart Application-Page 1

To help students be successful following an academic suspension, the Restart@state Program encourages students to give thoughtful consideration to their future academic plans. For this reason, a completed application packet is required prior to enrollment in the Restart@state Program. Once a completed application is accepted, students will be registered for classes by a Wilson Advising Center Advisor and provided information about the Restart Program Expectations. Participating students will complete the Restart Agreement the first week of class. Failure to attend will result in the student's schedule being dropped. The application process must be successfully completed prior to the start of classes.

### Checklist for Application: Complete all steps before turning in application

#### Δ **STEP ONE: Ensure Ability to Register:**

**Confirm Suspension.** Check your transcript and confirm with your advisor or the Wilson Advising Center the date of your last enrollment and that this is a first academic suspension.

**Remove all holds from your student account.** Holds include Advisor, Account Balance, etc...**NOTE:** Wilson Advising Center will clear Suspension holds upon acceptance of completed application.

**Academic Advising:** See your academic advisor for appropriate course selections for the semester (ensure your advising pin has been set). Your advisor MUST sign the form prior to completing the remaining steps. With assistance from your academic advisor, create a realistic schedule this semester based on your prior course selections (taking the greatest possible advantage of A-State's grade recomputation policy) and considering your current outside influences (ex: work schedule, family needs, day care, financial burdens). \*Please verify all proposed courses are still available for enrollment. Students waiting for permission to be added to classes must find an alternate course to submit a completed application. All changes must be complete the first week of class.

#### Δ **STEP TWO: Determine Cost:**

**To ensure you get off to the best start, take some time to review your financial obligation this semester considering supplies/housing, etc...Textbooks & Course Supplies:** Use your proposed course schedule (that you and your advisor have created on page two) and visit the campus bookstore to get an exact cost for each book. The Restart Text will be available in Blackboard Learn. **NOTE:** There is a \$50.00 fee for Restart.

**Tuition, Fees, Room and Board Costs:** Use your proposed course schedule to estimate the cost of enrollment this semester. Record the approximate cost of tuition and fees associated with each of the courses listed on page two. You can find tuition and fees information listed on the A-State website under "Tuition" by visiting <http://www.astate.edu/info/costs/>. Add room and board if appropriate. To get costs for room and board, you can visit [http://www.astate.edu/a/university-housing/index\\_dot](http://www.astate.edu/a/university-housing/index_dot). \*Direct questions regarding your account balance to the Treasurer's Office at 972-2285.

#### Δ **STEP THREE: Ensure Ability to Meet Cost:**

**See a Financial Aid Advisor in the Office of Financial Aid regarding your financial aid status.** You can get more information by visiting the Financial Aid and Scholarship's website at: <http://www.astate.edu/a/finaid/>

**See a Student Account Advisor in the Treasurer's Office.** To discuss payment arrangements etc... You can get more information by visiting the Treasurer's Office website at: <http://www.astate.edu/a/treasurers-office/student-account-information/>.

#### Δ **STEP FOUR: Create Statement of Personal Responsibility:**

Properly format your statement as an official letter to the Restart Coordinator.
