Welcome to the **2022-2023 Arkansas State University System Factbook!** The ASU System Factbook is a publication produced by the Office of Strategic Research that outlines enrollment, faculty and staff data, and other comprehensive information for the Arkansas State University System campuses. The ASU System Factbook is produced annually and is intended to provide answers to questions that are frequently asked by the administration, faculty, staff, students, alumni and other university constituents.

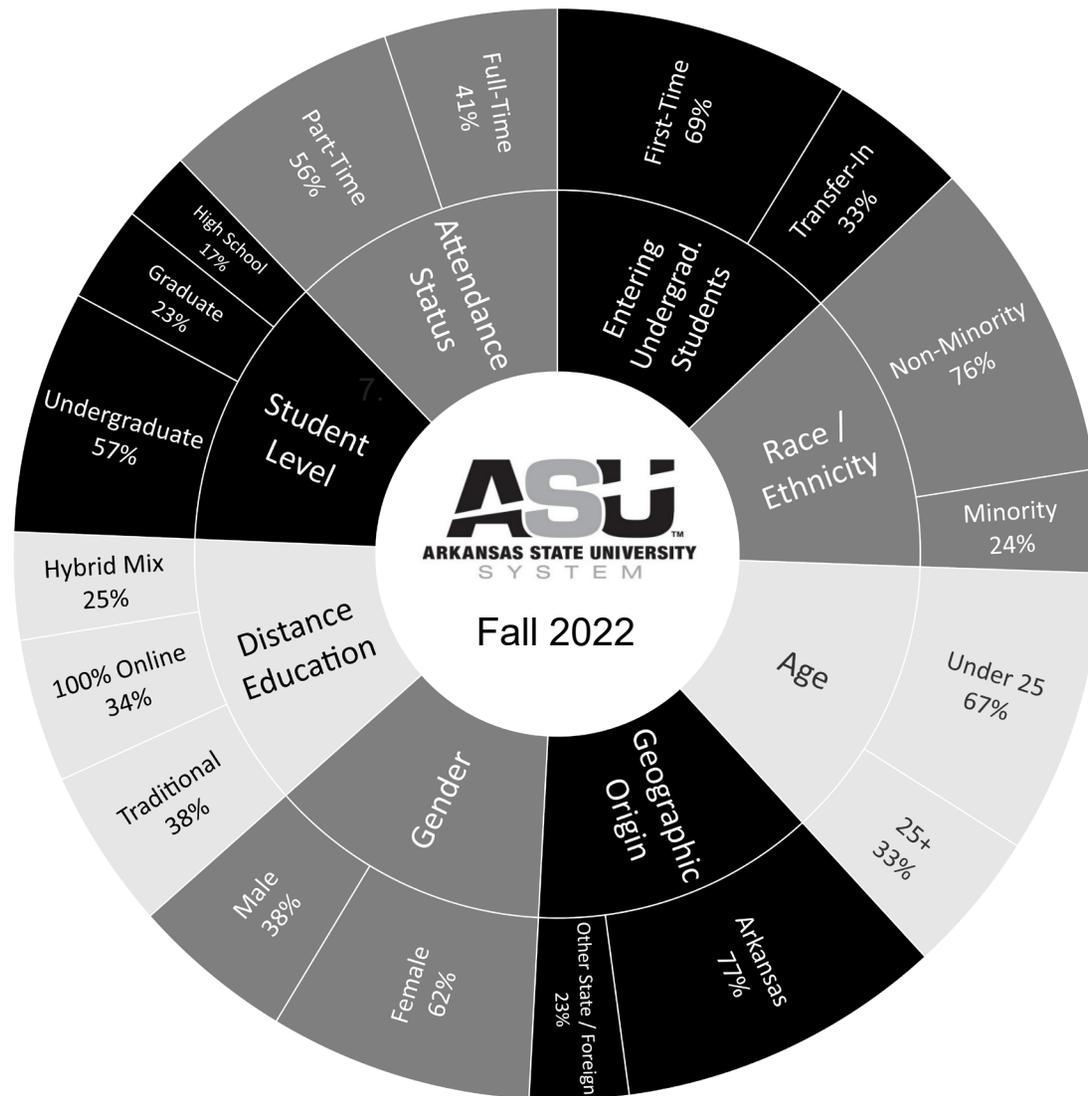

The definitions and guidelines used to compile this information are provided by the Integrated Postsecondary Education Data System (IPEDS), Arkansas State University Office of Strategic Research, and the Arkansas Division of Higher Education (ADHE). It is important to note that where possible data reported by the Office of the Strategic Research matches information reported to federal, state and regional agencies. However, due to differences in reporting guidelines, definitions, and the timing of when the information was prepared, not all of the information contained herein is aligned.

In order to make information more readily available to all constituents, the ASU System Factbook is available in PDF format on the ASU System web page. You can reach our web page through the Arkansas State University System web site, or you can go to our site directly at

*<https://www.asusystem.edu/research>*

A comprehensive document of this magnitude requires the assistance of a number of people on the various ASU System campuses. Many thanks to all who helped make the **2022-2023 Arkansas State University System Factbook** a successful reality. Should you have any questions, comments or corrections regarding this document, please contact the ASU System.

## BOARD OF TRUSTEES

The Trustees of the Arkansas State University System serve as a board of management and control of institution campuses in Jonesboro, Beebe, Mountain Home, Newport, West Memphis, Malvern, and Arkadelphia.

In this capacity, the Trustees hire the ASU System president to serve as the Chief Executive Officer, approve the curriculum of the institution, annually approve an operating budget, establish policies for the efficient operation of the institution, and approve those matters which require participation of the governing board of the System. Trustees' duties include: appointing, supporting, and assessing the performance of the president; maintaining the clarity of the mission of ASU System; approving strategic plans; approving the educational program; ensuring the well-being of the students, faculty and staff; ensuring strong financial management; approving significant faculty and staff appointments and dismissals; ensuring adequate resources for quality programs; preserving institutional autonomy; interpreting the campus to the community; and interpreting the needs of society to the campus.

***The governor of Arkansas appoints members of the Board of Trustees for a period of seven years. The Senate of the General Assembly must confirm each appointment.***

## VISION AND MISSION STATEMENTS

**Vision:** The Arkansas State University System will create better educated citizens prepared for a global and technological society by providing quality undergraduate and graduate education, useful research and dedicated public service.

**Mission:** *The mission of the Arkansas State University System is to contribute to the educational, cultural, and economic advancement of Arkansas by providing quality general undergraduate education and specialized programs leading to certificate, associate, baccalaureate, masters, professional and doctoral degrees; by encouraging the pursuit of research, scholarly inquiry and creative activity; and by bringing these intellectual resources together to develop the economy of the state and the education of its citizens throughout their lives.*

Each component of the Arkansas State University System will be characterized by:

-A supportive learning environment; personal development, leadership and service opportunities; and facilities, technologies and support necessary to meet the needs of students, faculty and staff;

-Racial, ethnic, gender and cultural diversity in the faculty, staff and student body, supported by practices and programs that embody the ideals of an open, democratic, and global society;

-Instructional technologies, student support services, and on-line and distance education to advance the purposes of teaching and learning;

-A commitment to sharing human, physical, information and other resources among system components, and with state agencies, schools and higher education institutions, to expand and enhance programs and services available to the citizens of Arkansas.

# Arkansas State University

**Dr. Todd Shields, Chancellor since 2022**

**Arkansas State University Mission Statement:**  
*Arkansas State University educates leaders, enhances intellectual growth and enriches lives.*

Arkansas State University is located in Jonesboro. Jonesboro is the fifth-largest city in the state with a trade, cultural and medical center for a market area of more than a half million people.

## HISTORY

Arkansas State University (A-State) was established in 1909 as a state agriculture school. The institution opened as a vocational high school in 1910 and changed to State Agricultural and Mechanical College in 1925. Authority to extend the curriculum, offer senior college work and grant degrees was given to the institution by the legislature in 1925. Senior college work was initiated in 1930, and the first bachelor's degrees were granted in 1931. In 1933, the legislature changed the name of the college to Arkansas State College. Master's degree graduate programs were initiated in 1955. Arkansas State College was granted university status in July 1967, with the first doctoral program added in 1992. The university established a residential location in Mexico, Campus Querétaro, which recorded its first class in 2017.

Since 1909, the institution that evolved into A-State has been served by thirteen presidents/chancellors.

**Previous presidents/chancellors and their terms of service were:**

- ◆ Mr. V.C. Kays, 1909-43; ◆ Dr. Horace Thompson, 1943-45;
- ◆ Dr. William J. Edens, 1946-51; ◆ Dr. Carl R. Reng, 1951-75;

# Arkansas State University-Beebe

**Dr. Jennifer Methvin, Chancellor since 2018**

**Arkansas State University-Beebe Mission Statement:**  
*Transforming lives through quality learning experiences.*

## HISTORY

As the oldest two-year college in the state, ASU-Beebe has delivered quality, affordable education in Central Arkansas since its founding in 1927. ASU-Beebe has been affiliated with the Arkansas State University System since 1955.

ASU-Beebe has a recognized reputation for providing quality, affordable education and technical training programs to its surrounding communities from its campuses located in Beebe, Heber Springs, Searcy, at Little Rock AFB and On-line. The Beebe campus is located 31 miles north of Little Rock. ASU-Beebe is the third largest community college in the state, and until 2019 was the only Arkansas two-year college with on-campus residence halls. These residence halls are living and learning facilities that provide students from across the state options to attend one of the unique programs only available at ASU-Beebe. ASU-Beebe positively impacts the economy of Central Arkansas, contributing to the regional economy through its operations, capital spending, workforce training and industry partnerships.

## CORE VALUES

While strengthening our practice of being student-centered, we will guide our internal conduct as well as our relationships with those we serve by applying the values of integrity, diversity, quality, community and student success.

## STRATEGIC GOALS

**Strong From The Start:** Arkansas State University-Beebe is committed to providing students and employees the resources and support they require to be successful.

**Policies, Practices, and Procedures to Be One College (P32B1):** While recognizing and valuing the uniqueness and strengths of individual campuses, Arkansas State University-Beebe is committed to a one-college approach to serving students.

**ASUBe Connected:** Arkansas State University-Beebe is committed to making a positive impact on the quality of life outside the classroom for our students, employees, and the communities we serve.

## PROGRAMS OF STUDY

ASU-Beebe's faculty and staff are devoted to academic excellence, and their achievements are reflected through programs which are continually ranked among the top in Arkansas and competitive with similar programs across the nation. In fact, the Aspen Institute has ranked ASU-Beebe in the top 150 community colleges in the nation five times since the ranking began in 2011. Additionally, ASU-Beebe has 17 programs that are fully accredited by national boards or professional associations. ASU-Beebe currently offers associate degrees and certificates in more than 60 programs and is continually working to expand 2 + 2 transfer agreements with four-year institutions to establish clear degree paths for its graduates.

ASU-Beebe offers several unique programs not found at any other institution in the state including the #1 ranked John Deere Agriculture Technology program. Other unique programs include Marine Technology where students earn industry certifications from Yamaha Marine and an Altec, Inc., sponsored diesel technology program. The institution boasts the only Associate of Fine Arts degree program in the state in Music, Theatre, and Graphic Design. ASU-Beebe has a long history as a leader in the state for vocational and technical education. In addition to the transfer associate degrees, the college offers certificates of proficiency and one-year technical certificates in high-wage high-demand fields designed to prepare students to meet the needs of today's rapidly evolving industry and workforce. Its Division of Career Education programs train students on state-of-the-art software and equipment, and partner with area industry professionals to keep students informed on the fast-changing needs of industry. In addition to its credit students, ASU-Beebe provides the communities with adult education, continuing education and workforce development programs.

Academic Accessibility, and  
Diverse Experiences*

## HISTORY

In 1991, the Arkansas General Assembly created technical colleges from the Baxter County Vocational-Technical Center and the North Arkansas Community/Technical College Center in Mountain Home. Mountain Home Technical College was established on July 1, 1991. In 1992, the Mountain Home Technical College agreed to seek affiliation with Arkansas State University to form a sister campus. On July 1, 1993, Mountain Home Technical College became Arkansas State University Mountain Home Technical College.

Arkansas State University-Mountain Home (ASUMH) was established on July 1, 1995 due to the commitment of the residents of Baxter County and the cooperation of the Department of Higher Education and Arkansas State University in Jonesboro.

ASUMH has an open door admissions policy. This policy is designed to enhance access to educational opportunities. Standards of quality are maintained and students are required to remove deficiencies before entering certain programs or courses.

Nestled in the beautiful Ozark Mountains, 156 miles north of Little Rock, the environment at ASUMH encourages free expression, leadership and innovation. Small class size means personal attention and support from instructors. Additionally, the construction of a new campus accommodating 1,200 students offers an even more appealing setting for students to pursue higher education.

## PROGRAMS OF STUDY

An Associate of General Studies is offered for those students needing flexibility in the selection of a course of study to meet individual employment and educational needs. The Associate of Arts is designed to meet the General Education requirements for those individuals planning to transfer to a four-year institution in order to complete a bachelor's degree.

Associates of Applied Science are offered in Automotive Systems Repair, Business Administration, Computer Technology and Networking, Criminal Justice, Cybersecurity, Digital Design, Funeral Science, Mechatronics, Paramedic Technology, Programming/Mobile Development, Registered Nursing, and Welding Technology. Also offered is an Associate of General Studies and an Associate of Science in Business, Criminal Justice, Agriculture, Education, and an Associate of Science in Liberal Arts and Science.

Technical Certificates are offered in Accounting/Finance, Automotive Systems Repair, Construction Technology, EMS, Funeral Directing, General Business, Health Professions, Health Sciences, Hospitality, Information Systems Technology, Machining Technology, Mechatronics, Paramedic Technology, Practical Nursing, Pre-Nursing, Pre-Physical Therapist Assistant, Professional Medical Coding, Programming/Mobile Development, Web Development and Welding.

A-State and ASUMH have formed a partnership to offer various bachelor's degree programs through the University Center on the Mountain Home campus. The degrees are offered by building on the existing Associate of Arts degree offered at ASUMH. The Center currently offers bachelor's degrees in Early Childhood Education, Middle-Level Education, Special Education, Nursing, Physical Therapist Assistant, Management and Technology.

## ACCREDITATION

ASUMH is accredited by the Higher Learning Commission, the Commission on Accreditation of Applied Health Education Programs, and the Arkansas State Board of Nursing.

## **Arkansas State University-Newport Mission Statement:**

*ASU-Newport will provide accessible, affordable, innovative learning opportunities that transform lives and strengthen the regional economy.*

## **HISTORY**

The White River Vocational Technical School opened in Newport, Arkansas, in 1975. In 1991, the Arkansas Legislature passed Act 1244 merging the White River Vocational Technical School with ASU-Beebe. In 1992, it became ASU-Beebe/Newport, and in 1997, it became ASU-Newport. In April 2000, the Arkansas Higher Education Coordinating Board gave approval for ASU-Newport to become a standalone college. In February 2001, the Arkansas Legislature passed Act 297 creating a separate budget appropriation for ASU-Newport effective July 2001. The Higher Learning Commission granted ASU-Newport initial accreditation for stand-alone status for five years in August 2002. In April 2007, ASU-Newport received ten-year accreditation status. In 2008, the ASU Technical Centers in Jonesboro and Marked Tree became campuses of ASU-Newport. The satellite campuses are now known as ASU-Newport at Jonesboro and ASU-Newport at Marked Tree. In 2013, ASU-Newport added instructional locations at the Arkansas Department of Corrections Grimes and McPherson Units. In 2017, ASU-Newport reaffirmed its accreditation status with the HLC.

## **PROGRAMS OF STUDY**

ASU-Newport is committed to providing students the support and resources they need to succeed. From application to graduation, programs and services are designed to assist students (both traditional and nontraditional) in determining and achieving their educational, personal and career goals.

ASU-Newport offers multiple degree options and methods of delivery. Awards include technical certificates, certificates of proficiency, and associate degrees. ASU-Newport continuously works with four-year institutions throughout Arkansas to ensure well-articulated transfer pathways for its students who desire to pursue a bachelor's degree. ASU-Newport also works hand-in-hand with local industry to provide high-demand programming to support a skilled workforce.

It is ASU-Newport's goal to meet every student where they are and provide them with options and services necessary for success. ASU-Newport offers online courses and degrees, facilities Adult Basic Education programming at a variety of locations throughout Northeast Arkansas, has a well-established prison education program, partners with 13 area high schools to provide concurrent credit, and has a secondary center for high school students in grades 10-12 to earn certificates while completing their diplomas.

ASU-Newport's programs of study include: Advanced Manufacturing, Agriculture Technology, Automotive Service Technology, Business, Certified Nursing Assistant, Commercial Driver Training (the largest program in the state on a community college campus), Computer Networking Technology, Cosmetology and Esthetics, Criminal Justice, Diesel Technology, Education, Energy Control Technology, Emergency Medical Technician, General Education, General Technology, High Voltage Lineman Technology, Culinary Arts, Industrial Maintenance, Liberal Arts and Sciences, Medication Assistant-Certified, Natural Sciences, Nursing (PN, LPN to RN, and traditional RN), Patient Care Technician, Phlebotomy, Pre-Health Professions, Surgical Technology and Welding.

# Arkansas State University Mid-South

**Dr. Debra West, Chancellor since 2015**

## **Arkansas State University Mid-South Mission Statement:**

*The mission of Arkansas State University Mid-South is to enrich lives through high quality educational programming that fosters student success, workforce development, and lifelong learning.*

### **HISTORY**

Arkansas State University Mid-South is a public two-year institution serving Crittenden County, Arkansas.

In early 1979, the Arkansas Legislature approved the establishment of Mid-South Vocational Technical School, and the institution selected a 30-acre tract on U.S. Highway 70, just off Airport Road, for construction of the initial facilities.

In 1991, the Arkansas Legislature passed Act 1244, known as the "Two-Year Postsecondary Education Reorganization Act". The legislation focused on converting or upgrading the state's vocational-technical schools into technical colleges or branches of four-year institutions.

Lawmakers selected Mid-South Vocational Technical School for conversion, and upon transfer from the State Board of Education to the State Board of Higher Education on July 1, 1991, the institution became Mid-South Technical College. The governor appointed a seven-member board of trustees who, one year later, determined the community and institution would be best served by converting to a community college. After a campaign to secure the invaluable support of the citizens of Crittenden County, the school moved forward as Mid-South Community College in 1992.

On January 9th, 2015, the Board of Trustees of Mid-South voted unanimously to join the Arkansas State University System in order to expand opportunities for residents of Crittenden County and ensure long-term sustainability for the college. The change became effective July 1, 2015.

ASU Mid-South has enjoyed phenomenal growth and local support. Named one of the Great Colleges to Work For in 2017, 2018, and 2020 by the Chronicle of Higher Education and one of the National Institute for Staff and Organizational Development's Most Promising Places to Work in 2019, and recognizing exceptional commitment to diversity, ASU Mid-South maintains a welcoming and secure environment for both students and staff.

### **PROGRAMS OF STUDY**

ASU Mid-South remains committed to the future of Crittenden County. Located on approximately 84 acres at the intersection of Broadway Street and College Boulevard in West Memphis, the institution remains aggressive and determined in its efforts to meet the current and future employment needs of the region so that students will be prepared for the jobs of today and tomorrow.

Today the college offers for-credit academic and career-technical education, non-credit workforce training, Adult Education/Literacy/ESL, and community education courses including the Associate of Arts degree; Associate of Science, Associate of Applied Science degrees, and a range of Technical Certificates and Certificates of Proficiency. Current programs include: Allied Health (EMT, Nursing Assisting, Medical Assisting, Phlebotomy, and Respiratory Technology); Business; Transportation (Aviation Maintenance, Diesel Technology); Digital Media; Hospitality; Information Technology; Advanced Manufacturing (Machining, Mechatronics, Welding); and Teaching (K-6, 4-8).

In addition to education and training for adult students, ASU Mid-South provides opportunities for high school students to earn concurrent credit, degrees, and certificates in both academic and technical programs of study while still enrolled in high school.

The award-winning Arkansas Delta Training and Education Consortium (ADTEC), established in 2005, allows the college to establish broader connections throughout the region, leveraging the resources of the five community colleges in the Delta region in order to better serve and respond to the economic development needs in Eastern Arkansas.

Thanks in part to funding provided by the State of Arkansas to ADTEC, local students have the option to enroll in baccalaureate and master's degree programs on the Mid-South campus through University Center partnerships with Arkansas State University, the University of Central Arkansas, and the University of Arkansas at Fort Smith. This unique arrangement provides pathways to careers for students for whom time and transportation constraints might be a barrier to furthering their education.

### **ACCREDITATION**

ASU Mid-South is accredited by the Higher Learning Commission. ASU Mid-South's Nursing Assistant Program is certified by the Arkansas Department of Human Services Division of Medical Services Office of Long-Term Care. The Emergency Medical Assistant Program is certified by the Arkansas Department of Health Section of Emergency Medical Services. The Respiratory Care program is accredited by the Commission on Accreditation for Respiratory Care. The Aviation Maintenance Technology program is certified by the Federal Aviation Administration.

# Arkansas State University Three Rivers

**Dr. Steve Rook, Chancellor since 2016**

## **Arkansas State University Three Rivers Mission Statement:**

*Arkansas State University Three Rivers is a public, two-year institution of higher education that continually identifies and addresses the changing learning needs of the communities it serves*

## **HISTORY**

The College began as Ouachita Vocational Technical School (OVTS) as authorized by the State Board of Education in July 1969 to serve the vocational training needs of a five-county area surrounding Malvern and Hot Spring County. In 1985, OVTS was designated as a high school vocational center as the state attempted to make vocational education accessible to all Arkansas high school students. In 1988, the Arkansas Business Council Foundation recommended transferring postsecondary vocational programs from the State Board of Education to the State Board of Higher Education, expansion of general education programs in vo-tech schools, technical workforce training, and converting existing vo-tech schools into colleges along with support and funding.

The 1991 Arkansas Legislature responded to the recommendations with Act 1244, Two-Year Postsecondary Education Reorganization Act of 1991. OVTS was not in the original legislation; but, at the urging of local business leaders and educators, Senator George Hopkins introduced separate legislation to redesignate OVTS as Ouachita Technical College. The legislation (Act 617 of 1991) was signed into law prior to Act 1244, making Ouachita Technical College Arkansas' first technical college. The College received initial accreditation in 1996 and has continuing accreditation with the Higher Learning Commission.

The Board of Trustees approved a name change in 2010 to communicate the College's broad mission of higher education and service. In July 2011, the name of the College was officially changed to College of the Ouachitas. In February 2019, the college signed a merger agreement with Arkansas State University System, and announced a new name for the institution in September 2019. On January 1, 2020, College of the Ouachitas became Arkansas State University Three Rivers.

## **PROGRAMS OF STUDY**

Programs and services provide associate degree transfer programs that prepare learners to succeed at universities and in the workforce. Academic and support services respond to personal, social, and career planning needs. Customized training and services assist businesses and individuals and aid economic development.

The Associate of Arts and Associate of Science Business are for those planning to transfer to a four-year institution. Associates of Applied Science are offered in Computer Information Systems, Criminal Justice, General Technology, Apprenticeship Trades, Mechatronics, Welding Technology, Accounting, Management, Medical Office Administration, Office Administration, Early Childhood Education, and Registered Nursing. Certificates are offered in Practical Nursing, Electrical Apprenticeship, Plumbing Apprenticeship, and Truck Driver Training.

# Henderson State University

**Dr. Charles Ambrose, Chancellor since 2021**

## ***Henderson State University Mission Statement:***

*Henderson State University opens the door of access and opportunity to college for all students, mobilizes a learning community that builds seamless pathways from school to work, and prepares students for careers in high-demand fields.*

## **HISTORY**

Of the nine Arkansas public universities, Henderson is one of only two originally established as a four-year, degree-conferring institution and is the second oldest state university. The university has operated for more than a century under six names: Arkadelphia Methodist College (1890-1904), Henderson College (1904-1911), Henderson-Brown College (1911-1929), Henderson State Teachers College (1929-1967), Henderson State College (1967-1975) and Henderson State University (1975-).

The institution was founded on March 24, 1890 as a four-year, coeducational baccalaureate liberal arts college. The college opened on September 3, 1890, with 110 students and 10 faculty members. The name was changed to Henderson College in 1904 to honor Charles Christopher Henderson, a trustee and prominent local businessman. In 1911, the name was amended to Henderson-Brown College to honor Walter William Brown, who was also a trustee. From its founding in 1890 until 1925, the college also operated an academy, which provided instruction for students desiring high school courses and for those not prepared to enter the collegiate curriculum.

Henderson was a sister institution of Hendrix College. In 1929, the educational commission of the Arkansas Methodist Conferences proposed that the two colleges merge in Little Rock. However, through the efforts of Arkadelphia citizens and religious and political leaders of south Arkansas, the institution, then known as Henderson-Brown College, was offered to the State of Arkansas. The Arkansas General Assembly enacted legislation (Act 46) to "establish a standard Teachers College in Arkadelphia," and Henderson became a state university. Henderson State University joined the Arkansas State University System in 2021.

## **PROGRAMS OF STUDY**

Henderson State University offers academic programs in the areas of business, innovation and entrepreneurship; applied professional science and technology; health, education, and social sustainability; and the arts and humanities. Graduate degrees include Master of Arts in Teaching, Master of Business Administration, Master of Science in Clinical Mental Health Counseling, Developmental Therapy and Sport Administration, Master of Science in Education, Master of Science in Nursing, and Educational Specialist.

## **ACCREDITATION**

Henderson State University is accredited by the Higher Learning Commission. Program accreditations include Association to Advance Collegiate Schools of Business (AACSB International), Arkansas State Board of Nursing, Council for the Accreditation of Educator Preparation (CAEP), Council for Accreditation for Counseling and Related Educational Programs (CACREP), Commission on Collegiate Nursing Education (CCNE), Engineering Accreditation Commission of Accreditation Board for Engineering and Technology (ABET), and National Association of Schools of Music (NASM).

## 2022-2023 Organizational Structure

# Institutional Classifications

## Southern Regional Education Board (SREB) Institutional Categories & Carnegie Classifications

### SREB CLASSIFICATIONS\*

The SREB system for categorizing postsecondary education institutions is based upon a number of factors relevant to determining resource requirements. Institutions are classified based on size (numbers of degrees or full-time-equivalent enrollment), role (types of degrees), breadth of program offerings (number of program areas in which degrees are granted), and comprehensiveness (distribution of degrees across program areas).

Institutions are assigned to categories for a report year using the previous academic year's data on program completions. To keep the statistical comparison groups relatively stable over time and to assure that institutions change categories only when their measures on a criterion are relatively stable, institutions change categories when they meet the criterion for another category for the third consecutive year.

◆ **Four-Year 3:** Institutions awarding at least 100 master's, education specialist, post-master's, or doctoral degrees with master's, education specialist, and post-master's degrees distributed among at least 10 CIP categories (2-digit classification). (*Arkansas State University*)

◆ **Four-Year 4:** Institutions awarding at least 30 master's, education specialist, post-master's, or doctoral degrees with master's, education specialist, and post-master's degrees distributed among at least 5 CIP categories (2-digit classification). (*Henderson State University*)

◆ **Two-Year 2:** Institutions awarding associate's degrees and offering college transfer courses with FTE enrollment of 2,000 to 4,999; some certificates and diplomas also may be awarded. (*Arkansas State University-Beebe*)

◆ **Two-Year 3:** Institutions awarding associate's degrees and offering college transfer courses with FTE enrollment of less than 2,000; some certificates and diplomas also may be awarded. (*Arkansas State University-Mountain Home, Arkansas State University-Newport, Arkansas State University Mid-South, and Arkansas State University Three Rivers*)
