

# PAC Paths Loops

Using every part of the PAC Paths – cyclepaths, shared-use paths, multi-use trails, bike lanes and sharrows roads – you will see every major building or attraction on the A-State campus. Start behind the Dean B. Ellis Library and wind through the campus core before riding past First National Bank Arena, Centennial Bank Stadium and through the campus Living-Learning Communities.

Visitors may park in designated visitor parking zones (no charge) indicated with the blue and white visitor signage. Two parking lots have visitor spaces near the PAC Paths Family Path and Wide Loop. SE-1A is adjacent to the Campus Loop. S18 is next to the Family Loop. Remember, during business hours, all other parking on campus requires a permit.
