## Policies

**Students with Disabilities:** [Disability Services has three statements appropriated for syllabi insertion. Please see <http://www.astate.edu/a/disability/faculty-resources/>]

**Inclement Weather Policy:** The university remains open for academic classes and all other services during inclement weather except in extreme circumstances determined solely by the Chancellor of the University. Regional and local news media will publicize the closing. Commuter students are encouraged to use good judgment in deciding whether to drive to campus during inclement weather. In those cases where the decision is made not to travel to campus under this policy, it is the responsibility of the student to immediately contact each of his/her professors upon return to explain the circumstances and to determine the need to complete any missed assignments. The student is responsible for all missed assignments during inclement weather within a time frame to be determined by the professor.
