## FAMILY NURSE PRACTITIONER

### PROFESSIONAL PROFILE

Family Nurse Practitioner graduate seeking employment in nursing education with critical care nursing experience and a health care background in pediatric, medical-surgical, obstetrics, and emergency medicine.

- Hardworking provider who adapts quickly and is experienced in prescribing medications, performing procedures, and ordering medical tests.
- Effective communicator who is passionate about providing the highest quality of care and educating the next generation to do the same.

### EXPERIENCE

#### ASSISTANT PROFESSOR OF NURSING

Arkansas State University, Jonesboro, AR | 2022 - present

Nurse educator utilizing specific nursing skills to educate students on best practice as a registered nurse. Education was provided through development of course material, collaboration with colleagues, and clinical instruction in the hospital setting.

- Nursing knowledge and leadership skills were improved upon in this role through the facilitation of nursing courses.
- Hands on learning was implemented through demonstration and instruction in the hospital setting.

#### REGISTERED NURSE

St. Bernard's Regional Medical Center, Jonesboro, AR | 2018 - 2022

Intensive care nurse in a 45-bed intensive care unit providing direct care for diverse and critically ill patients of all ages. Care was managed holistically with aspects of pharmacology, collaboration, and critical thinking as aspects of care.

- Application of executive decision-making skills were executed in this position through acute patient care of 2 patients at a time, as well as quick decision-making in emergent medical situations.
- Lead and mentored newly licensed nurses in developing professional and career expertise
