RED WOLF SUCCESS

“My journey as a transfer student to A-State has been nothing short of amazing! From leading the pack as a Pack Leader, to studying abroad in France, and giving back through the campus food pantry and beyond, I have been blessed with incredible opportunities. Without a doubt, my transfer has given me a **HOWL** of an experience!”

Keeping true to the Natural State, our **1,376+ acre campus** hosts a variety of walkable paths and shady study spots, while still saving space for native plants and wildlife. Home to everything from a bustling student life, with **over 200 clubs and organizations**, to R-2 level laboratories seeking to solve the world's most complicated problems. A-State has something to offer everyone.

We encourage you to **schedule a time** to visit campus and hear from our own students and staff about your opportunities at A-State! **Visits are offered year-round** and include an admissions and financial aid overview, a full tour of campus and the opportunity to request a meeting with a member of your prospective academic department.

FINISH YOUR DEGREE WITH THE PACK

Our transfer program provides a seamless process for you to earn a bachelor's degree. We have **Transfer Counselors** available to assist you throughout the admissions process. Once we finish assisting you with admission to A-State, we will send you to an adviser in your respective program study, i.e. nursing, health professions or education. Ultimately, your adviser will assist you in registering for classes at A-State. Don't forget your Transfer Counselor is always a phone call, Zoom or email away.

Go to **astate.edu/apply** to fill out an application* and join the Pack! Please note the requirements for admission:

- 13 transferrable college hours with a **2.0 GPA**
- Proof of 2 MMR vaccines (*required for on-campus enrollment*)
- Completion of English I and College Algebra **or** placement exam scores (*English I and College Algebra are still required for the degree plan to graduate. exam scores are used for admission purposes only.*)

**\$30 application fee is required. Fee is waived if students transfer from ASU System school.*
