

Heidi E. (Cox) Banse, DVM, PhD, Diplomate ACVIM (LA)
College of Veterinary Medicine
Arkansas State University
PO Box 1200
State University, AR 72467
hbanse@astate.edu

Employment/Positions:

July 2024-Present: Dean, College of Veterinary Medicine, Arkansas State University
July 2024-Present: Professor with Tenure, Arkansas State University
January 2022-July 2024: Associate Dean for Educational Strategy, Louisiana State University
July 2021-July 2024: Associate Professor with Tenure, Louisiana State University
September 2020-December 2021: Director of Education, Louisiana State University
August 2017-July 2021: Assistant Professor, Louisiana State University
February 2013-August 2017: Assistant Professor, University of Calgary
September 2011-February 2013: Graduate Research Assistant, Oklahoma State University
July 2008-July 2011: Resident, Equine Internal Medicine, Oklahoma State University
June 2007-July 2008: Intern, Large Animal Medicine and Surgery, University of Georgia

Education:

<u>Degree</u>	<u>Conferring Institution</u>	<u>Year</u>
Graduate Certificate, <i>Teaching in the Health Professions</i>	Louisiana State University	2019
PhD, <i>Veterinary Biomedical Sciences</i>	Oklahoma State University	2013
DVM	Washington State University	2007
BS, <i>Veterinary Science</i>	Washington State University	2004
Undergraduate Studies	Montana State University	1999-2003

Professional Certifications:

FEI Treating Veterinarian (2013-2016)
Diplomate, American College of Veterinary Internal Medicine (Large Animal): 2011

Teaching-Arkansas State University

<u>Course</u>	<u>Title</u>	<u>Role</u>	<u>Dates</u>	<u>Hrs/Year (average)</u>
ANSCI 1003	Intro to Agribusiness	Instructor	09/2024 10/2025	1 h
ANSCI 3203	Companion Animal Care and Management	Instructor	10/2024	1 h

Teaching—Louisiana State University

<u>Course</u>	<u>Title</u>	<u>Role</u>	<u>Dates</u>	<u>Hrs/Year (average)</u>

VETM 590	Clinical Pharmacology Rotation	Coordinator	11/2016	11/2016	10 h

VETM 590	Clinical Pharmacology Rotation	Instructor	07/2013	11/2016	2 wk rotation/year
VETM 590	Sport Horse Medicine Rotation	Instructor	06/2013	04/2015	3 wks rotation/year
VETM 690	Equine Sports Medicine	Co-coordinator	01/2014	04/2014	15 h
VETM 690	Equine Sports Medicine	Instructor	01/2014	04/2014	16 h lecture
VETM 690	Nutritional Physiology	Instructor	03/2014	05/2014	5 h lecture

Other teaching/mentoring-related duties at University of Calgary:

Instructor, AAEP Student Chapter Dentistry Lab, March 2017. Taught regional anesthesia for dentistry to UCVN students (2 h).

Coached fourth year students during fourth year assessment weeks (~15 hours, 2016-2017)

Student Chapter AAEP advisor, Spring 2015-August 2017

Coordinated and served as a primary instructor for Equine Intern Clinical Skills Day, 2014 and 2015

Paul L, Ericsson A, Andrews F, **Banse H** (2023). Bile acid profiling of pyloric gastric fluid in horses with equine glandular gastric disease. Presented at the ACVIM Forum, June 2023, Philadelphia, PA.

Redmond JS, **Banse HE**, Baker RE, Jackson KS, Hunt J. Comparison of massed versus spaced instruction for teaching equine nasogastric intubation and rectal exam in veterinary students. Presented at International Veterinary Simulation in Teaching (InVeST) Conference, February 2023, Grenada, West Indies.

Banse H, Baker R, Domaracki C, McCauley C, Duhon B, Grandt B, Jackson K, Spangler D, Hunt J. Is 'one session, one skill' better? The impact of spaced versus massed instruction of core surgical skills on cognitive load, skill acquisition, and skill retention in novice veterinary students. Presented at the Veterinary Educator Collaborative, July 2022, Manhattan, KS.

Banse H, Kedrowicz A, Michel K, Burton E, Yvorchuk K, Anderson J, Anderson S, Barr M, Boller E, Chaney K, Inzana K, Matthew S, Rollins D, Salisbury S, Schmidt P, Smith N, Trace C. Implementing CBVE: Opportunities, challenges, and strategies for success. Poster abstract presented at the Veterinary Educator Collaborative, July 2022, Manhattan, KS.

Paul L*, Ericsson A, Andrews F, Keowen M, St Blanc M, **Banse H**. (2021). Pilot field study comparing the microbiome in horses with and without equine glandular gastric disease. Poster abstract presented at the 13th International Colic Symposium, July 2021 (virtual).

Banse HE, Andrews FM, St. Blanc M, Keowen ML, Garza F, Paul L, Whitfield-Cargile C. Impact of concurrent treatment with omeprazole on gastrointestinal health in horses. Poster abstract presented at the 13th International Colic Symposium, July 2021 (virtual).

Banse H, Gibbons, Like B, Welborn N, Boudreaux B, Dehghanpir S, Collins B, Bourgeois J, Taboada J. Information resource selection in veterinary medicine: implications for teaching information literacy skills to DVM students. Short communication presented the Veterinary Schools Council Veterinary Education Symposium, July 2021 (virtual).

Patel M*, Chapman A, Hazard N, Fletcher J, **Banse H**. ACTH stability in frozen equine plasma. Poster abstract presented at the Veterinary Scholars Program Symposium, July 2021 (virtual).

Ricord M*, Andrews F, Morales Yniguez FJ, Keowen M, Garza F, Paul L, and **Banse H**. Impact of concurrent treatment with omeprazole on phenylbutazone-induced gastric ulceration in horses. Presented at the 66th Annual American Association of Equine Practitioners' Convention, November 2020, Las Vegas, NV.

St Blanc M, **Banse H**, Retif M, Arana-Valencia N, Keowen M, Garza F, Lui, C-C, Gray, L, Andrews F. Effects of supplements containing Turmeric and Devil's Claw on equine gastric ulcer scores and gastric juice pH. Presented at the 66th Annual American Association of Equine Practitioners' Convention, November 2020, Las Vegas, NV.

Rumfola E, **Banse H**, Ireland J, McGowan C. Survey of perspectives on veterinary diagnosis and management of laminitis in the field. Poster abstract presented at the Veterinary Scholars Program Symposium, July 2020 (virtual).

Paul L*, Ericsson A, Andrews F, Keowen M, St Blanc M, **Banse, H**. Comparison of the gastric microbiome in horses with and without equine glandular gastric disease: preliminary analysis of a field study. ePoster at the ACVIM Forum, June 2020, Baltimore, MD.

Banse H, Chapman A, Hazard N, Fletcher J. ACTH stability in frozen equine plasma. Presented at the 4th Global Equine Endocrine Symposium, January 2020, Gut Ising, Germany.

Banse H, Whitehead A, McFarlane D, Chelikani P. Comparison of skeletal muscle mass and skeletal muscle proteolysis in horses with and without PPID. Presented at the 4th Global Equine Endocrine Symposium, January 2020, Gut Ising, Germany.

Banse HE, Terumi Negrao Watanabe T*, Abarca-Garcia N*, Andrews F, Cruz-Sanabria J, Morales Yniguez FJ, Keowen M, Del Piero F. Relationship of gastric and small intestinal inflammation in equine gastric disease. Presented at the British Equine Veterinary Association Congress, September 2019, Birmingham, England.

Banse HE, McMillan CM, Anderson S, Hecker K, Skorobohach B, Carter R, Lewin A, Baker R, Dehghanpir S, Hale L, Grandt B, Kondro D*, Dorosz S, Ungrin M, Warren A. Validation of a canine ocular simulator for use in fundic examination. Short communication presented at the Veterinary Schools Council Veterinary Education Symposium, July 2019, Harpenden, England.

Paul L*, **Banse H**, Andrews F, Keowen M, Morales Yniguez FJ, Garza F and Ericsson A. Comparison of the gastric fluid and glandular mucosal microbiome in horses with and without equine glandular gastric disease. Presented at the Dorothy Havemeyer Foundation Workshop: Focus on Colic, August 2019, Granby, CO.

Cresci L*, Ericsson A, Lascola K, Johnson P, Martin L, LaCarubba A, Shaffer S*, **Banse H**, Paul L*, Barrell E. Identification of disease diagnostic and prognostic biomarkers in the equine gastrointestinal microbiome. Poster abstract presented at the Veterinary Scholars Program Symposium, July 2019, Worcester, MA.

Ricord M*, Andrews F, Morales Yniguez FJ, Keowen M, Garza F, Paul L, and **Banse H**. Impact of concurrent treatment with omeprazole on phenylbutazone-induced gastric ulceration in horses. Poster presented at the Veterinary Scholars Program Symposium, July 2019, Worcester, MA.

Paul L*, **Banse H**, Andrews F, Keowen M, Morales Yniguez FJ, Garza F and Ericsson A. Comparison of the gastric microbiome in horses with and without equine glandular gastric disease. Presented at the ACVIM Forum, June 2019, Phoenix, AZ.

Garcia-Abarca N*, **Banse H**, Terumi Negrao Watanabe T*, Andrews F, Cruz-Sanabria J., Morales Yniguez F.J., Keowen M., and Del Piero F. Relationship of endoscopic appearance, macroscopic, and histopathologic findings in equine glandular gastric disease. Poster presented at the ACVIM Forum, June 2019, Phoenix, AZ.

Paul L*, **Banse H**, Andrews F, Keowen M, Morales Yniguez FJ, Garza F and Ericsson A. Comparison of the gastric microbiome in horses with and without equine glandular gastric disease. Poster presented at Phi Zeta Day, February 2019, Baton Rouge, LA.

Garcia-Abarca N*, **Banse H**, Terumi Negrao Watanabe T*, Andrews F, Cruz-Sanabria J., Morales Yniguez F.J., Keowen M., and Del Piero F. Relationship of endoscopic appearance, macroscopic, and histopathologic findings in horses with and without equine glandular gastric disease. Poster presented at Phi Zeta Day, February 2019, Baton Rouge, LA

Connard S*, **Banse H**, Baker R, Del Piero F. Case report: Lymphoma in a Thoroughbred mare. Poster presented at the 64th Annual American Association of Equine Practitioners' Convention, December 2018, San Francisco, CA.

McMillan CM, **Banse HE**, Read M, Ungrin M, Kondro D*, Dorosz S, Skorobohach B. Comparison of the technical and decision-making steps of fundoscopy performed on a live dog compared to a 3D printed model. Presented at the InVeST Conference, October 2018, Knoxville, TN.

Garcia-Abarca N*, Watanabe T*, Del Piero F, Andrews F, Cruz-Sanabria J, **Banse H**. Relationship between endoscopic and histopathologic findings of the gastric glandular mucosa in horses. Poster abstract presented at the Veterinary Scholars Program Symposium, August 2018, College Station, TX.

Shaffer SK*, Johnson PJ, Austin SM, Lascola K, Wilkins PA, Blikslager AT, Davis E, Beard L, **Banse H**, Barrell E, Ericsson AC. Equine intestinal microbiome: the future of enteric disease prognostics. Poster abstract presented at the Veterinary Scholars Program Symposium, August 2018, College Station, TX.

Moser K* and **Banse HE**. Comparison of insulin and glucose responses in horses using two different formulations of corn syrup. Presented at the ACVIM Forum, June 2018, Seattle, WA.

Banse HE and Whitehead AE. How to diagnose and treat EGGD. Presented at the 64th Annual American Association of Equine Practitioners' Convention, November 2017, San Antonio, TX.

Moser K* and **Banse HE**. Evaluation of a Canadian formulation of corn syrup used in an oral sugar test for the diagnosis of equine insulin dysregulation. Poster abstract presented at the Summer Undergraduate Research Experience Program, August 2017, Calgary, AB.

Banse H, McFarlane D, Chelikani P. Clinical and endocrine parameters in horses with pituitary pars intermedia dysfunction treated with pergolide. Research report presented at the ACVIM Forum, June 2017 National Harbor, MD.

Banse H and McFarlane D. Comparison of seasonal TRH stimulation test results in horses with PPID treated with Prascend® or placebo. Dorothy Havemeyer International Equine Endocrine Summit Poster Abstract, January 2017, Coral Gables, FL.

Pedersen SK*, Cribb AE, Read EK, French D, **Banse HE**. Impact of phenylbutazone on equine gastric glandular prostaglandin concentration and ulcer score. Presented at the ECEIM Congress, November 2016, Helsinki, Finland.

Banse SK*, Read EK, French D, Cribb A, **Banse H**. Prevalence and risk factors for gastric ulceration in showjumping warmbloods. Presented at the ACVIM Forum, June 2015, Indianapolis, IN.

Banse H, Levy M, Getachew, F, Chrenek A, Crosby C, Gruber C, Schaal S, Whitehead A, Smits J. Hair cortisol in PPID. ACVIM Forum Poster Abstract, June 2015, Indianapolis, IN.

MacLeod H*, Windeyer C, Crosby C, **Banse H**. Prevalence and risk factors for gastric ulceration in polo horses. ACVIM Forum Poster Abstract, June 2015, Indianapolis, IN.

Banse HE, McFarlane D. Transcriptional regulation of proteolysis in skeletal muscle of aged, underweight horses. Presented at the 2nd Dorothy Havemeyer Foundation Geriatric Workshop/3rd Equine Endocrine Summit, Middleburg, VA, November 2014.

McFarlane D, **Banse HE**, Yang F, Maxwell D. Pharmacokinetics and pharmacodynamics of pergolide mesylate after chronic administration in horses with PPID. Presented at the ACVIM Forum, June 2014, Nashville, TN.

McFarlane D, **Banse HE**, Yang F, Maxwell D. Pharmacokinetics and pharmacodynamics of pergolide mesylate after chronic administration in horses with PPID. Presented at the European Equine Endocrinology Symposium, May 2014, Windsor, England.

McFarlane D, **Banse H**, Yang F. Response of serum insulin, oral sugar testing, and body weight in horses treated with Prascend. Presented at the European Equine Endocrinology Symposium, May 2014, Windsor, England.

McFarlane D, **Banse HE**, Frederic J, Yang F. The use of ACTH response to TRH stimulation for monitoring horses with PPID and those receiving pergolide treatment. European Equine Endocrinology Symposium, May 2014, Windsor, England.

Banse HE, McCann J, McFarlane D. Comparison of two immunoassays for detection of serum insulin in horses. Presented at the ACVIM Forum, June 2013, Seattle, WA.

Banse HE, McFarlane D, Frank N. Skeletal muscle oxidative stress in horses with equine metabolic syndrome. Presented at the Equine Endocrinology Summit, September 2012, Boston, MA.

Banse HE, Holbrook TC, Frank N, McFarlane D. Relationship between circulating inflammatory biomarkers and TNF- α concentrations in skeletal muscle of horses with equine metabolic syndrome. Equine Endocrinology Summit Poster Abstract, September 2012, Boston, MA.

Banse HE, Holbrook TC, Frank N, McFarlane D. Systemic and tissue inflammatory biomarkers in equine obesity. Presented at the 2012 ACVIM Forum: Equine Endocrinology Special Interest Group, June 2012, New Orleans, LA.

Banse HE, McFarlane D, Frank N. Absence of oxidative stress in the skeletal muscle of obese horses. Presented at the 2012 ACVIM Forum, June 2012, New Orleans, LA.

Banse HE, McFarlane D. Association of body condition score with metabolic regulatory gene expression and mitochondrial content in skeletal muscle of horses. Presented at the 2011 ACVIM Forum, June 2011, Denver, CO.

Elfenbein JR, House AM, Pusterla N, Carr E, **Banse H**, et al. A retrospective evaluation of erythrocytosis in horses with liver disease. 2011 ACVIM Forum Poster Abstract, June 2011, Denver, CO.

Banse HE, McFarlane D. Relationship of metabolic gene expression and mitochondrial content with body condition score in horses. Presented at the 7th Annual Harold Hamm Oklahoma Diabetes Center Research Retreat, November 2010, Oklahoma City, OK.

Banse HE, House AM, Gilliam LL, et al. Persimmon phyto bezoars in horses associated with colic, weight loss, and diarrhea: thirteen cases (2001-2008). Presented at the 56th Annual American Association of Equine Practitioners' Convention, December 2009, Las Vegas, NV.

McKenzie EC, Lupfer C, Pastey M, **Banse H**, et al. Serum total globulin and IgA, IgE, IgG, and IgM concentrations in Alaskan sled dogs participating in the Iditarod Trail Sled Dog Race. 2008 ACVIM Forum Poster Abstract, June 2008, San Antonio, TX.

Banse HE, McKenzie, EC, Nelson S Jr., et al. Serum antibody titers to distemper, infectious hepatitis, and parvovirus of Alaskan sled dogs before and after the Iditarod Trail Sled Dog Race. 2007 ACVIM Forum Poster Abstract, June 2007, Seattle, WA.

Banse HE, Nelson S Jr., and Foreyt WJ. Prevalence pilot study of gastrointestinal parasites in Iditarod sled dogs. Presented at the Eighth Biennial Meeting and Congress of the International Sled Dog Veterinary Medical Association, September 2006, Grand Junction, CO.

Table Topics/Panel Discussions

Management of Gastric Ulcers (1.5 h). Co-facilitated question and answer session on equine gastric ulcer syndrome, American Association of Equine Practitioners Virtual Round Table, December 2023.

Management of Gastric Ulcers (1.5 h). Co-facilitated question and answer session on equine gastric ulcer syndrome, 69th Annual American Association of Equine Practitioners Convention, San Diego, CA, December 2023.

Fat, Fuzzy, or Foundered: Approach to diagnosis and management of horses with endocrine disease (1.5 h). Co-facilitated question and answer session on equine endocrine disease. American Association of Equine Practitioners Virtual Wednesday Round Table, August 2022.

Metabolic diseases (1.5 h). Co-facilitated question and answer session on equine metabolic diseases. 67th Annual American Association of Equine Practitioners Convention, Nashville, TN, December 2021.

Presentations-Regional or National

Equine glandular gastric disease: uncovering potential mechanisms. **Banse H.** Invited plenary Speaker, Spring Research Conference, April 2024, Stephens College, Columbia MO.

SOCI Workshop: Making Curricular Changes to Enhance Spectrum of Care Pedagogy. Fedesco H, **Banse H**, Brodsky J (1 h). AAVMC Annual Conference, Washington DC, April 2024.

Remediation in a competency-based curriculum (30 min). Read E and **Banse H.** AAVMC Annual Conference, Washington DC, April 2024.

Developing a competency-based employer survey: an AVMA-AAVMC Collaboration (30 min). **Banse H**, Tornquist S, Parker P, Brodsky J. AAVMC Annual Conference, Washington DC, April 2024.

CIVME and AVE: Development of organizations to support communities of practice among educators (1 h). **Banse H**, Hammond J, Fogelberg K. AAVMC Annual Conference, Washington DC, April 2024.

Equine glandular gastric disease: approach to diagnosis and management (45 min). **Banse H** and Paul L. American Association of Equine Practitioners Annual Convention, December 2023.

Approaches to development of methods to implement assessment of entrustable professional activities: perspectives from multiple institutions. (50 min) Burton E, Rollins D, **Banse H.** Presented at the Veterinary Educator Symposium, Amarillo, TX, September 2023

Development of a curricular thread to support day one readiness for clinical reasoning and evidence-based veterinary practice. (25 min) **Banse H**, Redmond J, Muir A, Mitchell M, Taboada J, Welborn M, Gaschen F, Sasaki E, Rademacher N, St. Blanc A, Welborn N, Dehghanpir S, Tully T, Collins B, Riggs L. Presented at the Veterinary Educator Symposium, Amarillo, TX, September 2023.

More than one way to revise a curriculum: experiences incorporating the CBVE Framework in curriculum revision efforts at three different institutions. (50 min) Schmidt P, Burton E, **Banse H.** Presented at the Veterinary Educator Symposium, Amarillo, TX, September 2023.

Operationalizing CBVE on the clinic floor: Using milestones and EPAs to guide student progress. (45 min) **Banse H.** SEVEC Educator Bootcamp, Knoxville, TN July 2023.

Procedural skills training: promoting readiness for practice. (1.5 h) **Banse H.** SEVEC Educator Bootcamp, Knoxville TN July 2023.

SEVEC peer evaluation training team workshop. (3 h) Conner B, **Banse H**, Hofmeister E, Sheats MK, Watson J. SEVEC Educator Bootcamp, Knoxville TN July 2023.

Assessment of EPAs to encourage feedback on the clinic floor. (1.5 h) **Banse H**, Burton E, and Read E. CBVE Summer Workshop, Columbus, OH June 2023.

Opportunities for assessment. (1.5 h) Foreman J, **Banse H**, Chaney K, Hodgson J. CBVE Summer Workshop, Columbus, OH, June 2023.

Remediation. Read E and **Banse H**. (1.5 h). CBVE Summer Workshop, Columbus, OH, June 2023.

Translating competency-based veterinary education into residency training. **Banse H** and Chaney K. (1 h) ACVIM Forum, Philadelphia, PA, June 2023.

Competency-based Education: current status at several schools of veterinary medicine. **Banse H**, Burton E, Schmidt P. (1.5 h). Education Day, College of Veterinary Medicine, University of Minnesota, St. Paul, MN, May 2023.

Planning for the Future: Evaluating Veterinary Workforce Demand. **Banse H**, Roush J, Schleining J, Chaney K, Stough-Hunter A, Navarre C, Boudreaux B, Shivley J, Anderson S, Ward J, Althouse G, Garden O. (30 min) AAVMC Annual Conference, Washington DC, March 2023.

Revisiting the AAVMC's Veterinary Competency-based Veterinary Education Model: CBVE 2.0. **Banse H**, Read E, Chaney K, Hodgson J. (1 h) AAVMC Annual Conference, Washington DC, March 2023.

Creation of a dashboard to support the assessment of EPAs in veterinary student training. **Banse H**, Khalil N. (30 min). AAVMC Annual Conference, Washington DC, March 2023.

Equine glandular gastric disease: new insights into etiologies. Paul L and **Banse H**. American College of Veterinary Internal Medicine Virtual Forum, September 2022

Diagnosing, managing, and feeding the PPID horse. Adams A, Bamford N, Harris P, **Banse H**. (2 h) American College of Veterinary Internal Medicine Forum, Austin, TX, June 2022.

CBVE Update and Implementation of EPAs. Chaney K and **Banse H**. (2.5 h) Presented at the Primary Care Veterinary Educator's Conference, Stillwater, OK, April 2022.

Development of pre-clinical milestones to support competency-based curricular redesign. **Banse H**, Welborn N, Baker R, Chapman A, Baker D, Dehghanpir S, Dugas T, Godfrey J, Green H III, Johnson S, Langohr I, Hale-Mitchell L, Mitchell M, Mirza M, Osborn M, Scully C, Taboada J, Vatta A, Watkins D, Boudreaux B. (30 min) AAVMC Annual Conference, Washington, DC, March 2022.

Aging Gracefully: How to manage the geriatric horse. **Banse H.** (1 h) CanWest Veterinary Conference, virtual, October 2021.

Pain or Inflammation? How to approach NSAID selection in horses. **Banse H.** (1 h) CanWest Veterinary Conference, virtual, October 2021.

Equine glandular gastric disease: Lesions or ulcers. **Banse H.** (1 h) CanWest Veterinary Conference, virtual, October 2021.

Approach to diagnosis of endocrinopathic laminitis. **Banse H.** (1 h). Southwest Veterinary Symposium, San Antonio, TX, September 2021.

Approach to management of endocrinopathic laminitis. **Banse H.** (1 h) Southwest Veterinary Symposium, San Antonio, TX, September 2021.

Antimicrobials in equine practice: how to choose which one to use. **Banse H.** (1 h) Southwest Veterinary Symposium, San Antonio, TX, September 2021.

New insights into equine glandular gastric disease. **Banse H.** (1 h). Southwest Veterinary Symposium, San Antonio, TX, September 2021.

NSAID selection in horses: a case-based approach. **Banse H.** (1 h) AVMA Convention, virtual, July, 2021.

NSAID-induced gastrointestinal disease: pathophysiology and treatment. **Banse H.** (1 h) ACVIM Forum, virtual, June 2021.

Aging gracefully: Care of the geriatric horse. (1 h). LVMA Winter Meeting, Baton Rouge, LA, April 2021.

The coughing horse: how to choose and interpret respiratory diagnostics. **Banse H.** (1 h). LVMA Winter Meeting, Baton Rouge, LA, April 2021.

Exploring models for educational development in the Southeast Veterinary Education Consortium. Clouser S, **Banse H.**, Lane I, Bailey M, Fogelberg K. (30 min) Presented at AAVMC Annual Conference, virtual, March 2021

Donkeys are not just long-eared horses. **Banse H.** (1 h) AVMA Convention, virtual, August 2020.

Improving performance: providing effective feedback to trainees. **Banse H.**, Domaracki C, Baker R, Dehghanpir S. (1 h) ACVIM pre-Forum specialty day, Baltimore, MD, June 2020.

Diagnosis and management of endocrinopathic laminitis. **Banse H.** (1 h) LVMA Winter Meeting, Lafayette, LA, January 2019.

How to manage laminitis in the field. **Banse H.** (0.75 h). CanWest Veterinary Conference, Banff, AB, October 2017.

How to manage colic in the field. **Banse H.** (0.75 h). CanWest Veterinary Conference, Banff, AB, October 2017.

Approach to colic management in the field. **Banse H.** (1 h) Iowa Veterinary Medical Association Conference, Des Moines, IA, February 2017.

NSAIDs: A review. **Banse H.** (1 h) Iowa Veterinary Medical Association Conference, Des Moines, IA, February 2017.

NSAIDs: A case-based approach to selection. **Banse H.** (1 h) Iowa Veterinary Medical Association Conference, Des Moines, IA, February 2017.

Antimicrobials: a review. **Banse H.** (1 h) Iowa Veterinary Medical Association Conference, Des Moines, IA, February 2017.

Antimicrobials: A case-based approach to selection. **Banse H.** (1 h) Iowa Veterinary Medical Association Conference, Des Moines, IA, February 2017.

When and which NSAID to use. **Banse H.** (1 h) Alberta Horse Conference, Edmonton, AB, January 2017.

Differentiating infection from inflammation: interpreting CBCs and inflammatory markers. **HE Banse** and AE Whitehead. (1 h) CanWest Veterinary Conference, Banff, AB, October 2016.

The coughing horse: performing and interpreting airway diagnostics. **HE Banse** and AE Whitehead. (1 h) CanWest Veterinary Conference, Banff, AB, October 2016.

What to do with those Is and Rs: applying antimicrobial susceptibility testing. **HE Banse** and AE Whitehead. (1 h) CanWest Veterinary Conference, Banff, AB, October 2016.

Basic Equine Thoracic and Abdominal Ultrasound. AE Whitehead and **HE Banse** (4 h wet lab). CanWest Veterinary Conference, Calgary, AB October 2016.

Infectious or inflammatory? Interpreting respiratory diagnostics. **Banse HE.** (1 h) Saskatchewan Veterinary Medical Association Conference, Saskatoon, SK, September 2016.

FPT, sepsis, or neonatal encephalopathy? How to tell and what to do. **Banse HE.** (1 h) Saskatchewan Veterinary Medical Association Conference, Saskatoon, SK, September 2016.

Approach to colic management in the field. **Banse HE.** (1 h) Saskatchewan Veterinary Medical Association Conference, Saskatoon, SK, September 2016.

Review of non-steroidal anti-inflammatory drug selection in horses. **Banse HE** and Cribb AE (25 min). American Association of Equine Practitioners 61st Annual Convention, Las Vegas, NV, December 2015.

Medication use and abuse in equine performance: Focus on FEI, Equine Canada, and the Calgary Stampede. **Banse H.** (0.5 h) Plenary Speaker; Saskatoon International Workshop on Laboratory and Regulatory Analysis. Calgary, AB, June 2015.

Cresty Necks and Foundered Feet: Differentiating PPID from EMS. **Banse H.** (2.5 h) CanWest Veterinary Conference, Banff, AB, October 2014.

Fat founder and the easy keeper: current thoughts on equine metabolic syndrome. **Banse H.** (1 h) Oklahoma Veterinary Medical Association Summer Seminar, Stillwater, OK, June 2011.

Community Outreach

Update on the College of Veterinary Medicine. Presented at the Kiwanis Club of Greater Jonesboro, August, 2024.

Update on the College of Veterinary Medicine. Presented at the Rotary Club of Jonesboro-University, September, 2024.

Panel discussion on the equine veterinary industry and admission to veterinary school to pre-vet students. **Banse H**, Gilliam L, Easterwood L. (1 h). LVMA Equine. September 2022.

Equine Expert Panel: Equine Gastric Ulcer Syndrome. Sykes B, **Banse H**, Marlin D. (2.5 h). Legacy Equine Nutrition, panel discussion for horse owners (virtual). October 2021.

Equine cardiology. (1.5 h). Student Canadian Veterinary Medical Association Symposium, University of Calgary. Instructed laboratory sessions for veterinary students (years 1-3): January 2017.

Equine Emergencies. (3 h). Student Canadian Veterinary Medical Association Symposium, University of Calgary. Instructed laboratory sessions for veterinary students (years 1-3): January 2017.

New insights into equine gastric ulcer syndrome (EGUS). **Banse H.** (0.75 h). Horse Health Day, University of Calgary. Presented to horse owners and pony club members. October 2016

IBK: Assessing antimicrobial efficacy. **Banse H.** (0.5 h). Infectious Bovine Keratitis (IBK) Rounds, University of Calgary. Presented to cattle producers and veterinarians. November 2015.

Equine intestinal parasites and deworming strategies. **Banse H.** (1 h). Horse Health Day, University of Calgary: Presented to horse owners and pony club members. October 2015.

Care of the geriatric horse. **Banse H.** (0.75 h). Horse Health Day, University of Calgary. Presented to horse owners and pony club members. November 2014.

Lameness Locator. (4 x 1 h). Vet-U-Can, University of Calgary. Demonstrated the use and clinical implications of the lameness locator in diagnosis of equine lameness to the public. October 2014.

Colic. (6 h). Horse Health Day, University of Calgary. Instructed horse owners on diagnosis and treatment of medical colic (6 h). October 2013.

Research Funding (grants and contracts):

Partnering with communities to enhance rural veterinary experiences in a DVM training program. Erwin E, Garden O, **Banse H**, Neyland T. USDA NIFA, 2025. Budget: \$250,000.

Bile acid profiling of pyloric gastric fluid and serum in horses with and without glandular gastric disease. Paul L, **Banse H**. American Quarter Horse Foundation, 2022. Budget: \$19,816.

Comparison of learner performance: free recall versus CTA-based instruction. McMillan C, **Banse H**, Williams M, Ramey K, Carter R, Hecker K. Veterinary Education Research Fund, University of Calgary, 2022. Budget: \$8,400

Investigation of genetic risk alleles for pituitary pars intermedia dysfunction. McCue M, McFarlane D, Hughes L, Paradis MR, Schott H, van Eps A, Kritchevsky J, **Banse H**. Morris Animal Foundation, 2020. Budget: \$58,959 USD.

Is “one session, one skill” always better? The impact of number of skills taught per clinical skills laboratory session on learner cognitive load and skill retention. **Banse H**, Baker R, Domaracki C, Hunt, J. Southeast Veterinary Education Consortium Veterinary Education Research Grant, 2020. Budget: \$2,480 USD.

Impact of concurrent treatment with omeprazole and phenylbutazone on gastrointestinal health in horses. **Banse H**, Whitfield-Cargile C, Ericsson A, Andrews F. EHSP Charles V. Cusimano Research Grants (LSU SVM), 2020. Budget: \$8,000 USD.

Impact of the combination of phenylbutazone and omeprazole on the equine gastrointestinal tract. Whitfield-Cargile C, **Banse H**, Coleman M, Chamoun A. Texas A & M Veterinary Large Animal Clinical Sciences Grant, 2020. Budget: \$12,500 USD.

How does distribution of clinical skills instruction impact learner cognitive load and skill retention? **Banse H**, Baker R, Domaracki C, Hunt J, LSU SVM Education Research Grant, 2020. Budget: \$4,800 USD.

Comparison of the gastric microbiome in horses with and without EGGD (field study). **Banse H**, Paul L*, Andrews F, Ericsson A. Boehringer Ingelheim Animal Health, 2019-2022. Budget: \$64,647 USD.

Comparison of the gastric microbiome in horses with and without equine glandular gastric disease (EGGD). Paul L*, **Banse H**, Andrews F, Ericsson A. EHSP Charles V. Cusimano Research Grants (LSU SVM), 2018. Budget: \$5,000 USD.

Impact of teaching with a high-fidelity simulated model and cognitive task analysis-based teaching methods on veterinary student ophthalmoscopy skills. McMillan C, **Banse H** (Co-PI), Skorobohach B, Read M, Hecker K, Ungrin M, Kondro D*, Carter R. Veterinary Education Research Fund (University of Calgary) and LSU SVM internal funding, 2018. Budget: \$7,400 USD.

Impact of concurrent treatment with omeprazole on phenylbutazone-induced gastric ulceration in horses. **Banse H**, Chapman A, Andrews F. EHSP Charles V. Cusimano Research Grants (LSU SVM), 2018. Budget: \$10,000 USD.

Characterization of inflammatory cell infiltrate in equine glandular gastric disease (EGGD) **Banse H**, Andrews F, Watanabe T*, Del Piero F. USDA 1433 (LSU SVM), 2018. Budget: \$7,000 USD.

ACTH stability in frozen equine plasma. **Banse H**, Chapman A, Fletcher J. Source: Boehringer-Ingelheim Vetmedica, 2018-2020. Budget: \$13,125 USD

Comparison of Karo Light and Crown Light syrup for assessment of insulin regulation in horses. **Banse H**. Source: Boehringer-Ingelheim Vetmedica, 2017. Budget: \$16,908 CDN

Simulated ophthalmoscopy model: validity and cognitive task analysis. McMillan C, **Banse H** (Co-PI), Ungrin M, Read M, Hecker K, Skorobohach B, Kondro D*. Veterinary Education Research Fund, University of Calgary Faculty of Veterinary Medicine, 2016. Budget: \$9,400 CDN.

Seasonal regulation of hair cortisol concentration in horses with pituitary pars intermedia dysfunction. **Banse H**, Levy M, Smits J, Chrenek A, and Crosby C. Source: Clinical Research Fund, University of Calgary Faculty of Veterinary Medicine, 2015. Budget: \$18,350 CDN

Impact of Prascend® on regulation of skeletal muscle protein metabolism in PPID-associated muscle atrophy. **Banse H**, McFarlane D. Source: Boehringer-Ingelheim Vetmedica, 2015. Budget: \$20,900 CDN

Regulation of protein metabolism in muscle atrophy of horses with pituitary pars intermedia dysfunction. **Banse H**, Chelikani P. University Research Grants Committee, University of Calgary, 2014. Budget: \$15,000 CDN

Impact of phenylbutazone on prostaglandin concentration in equine gastric glandular mucosa. **Banse H**, Pedersen S*, French D, Read E, Cribb A. Source: Clinical Research Fund, University of Calgary Faculty of Veterinary Medicine, 2014. Budget: \$15,337 CDN

Metabolic gene expression and mitochondrial content in horses with equine metabolic syndrome. **Banse HE**, McFarlane D. Source: American Quarter Horse Foundation Young Investigator Award, 2011. Budget: \$17,670 USD

Metabolic gene expression and mitochondrial function in horses with equine metabolic syndrome. **Banse HE**, McFarlane D. Source: Research Advisory Committee, Oklahoma State University, 2011. Budget: \$3,000 USD

Effect of a fifty mile race on duodenal motility in endurance-trained horses. Holbrook TC, **Banse HE** (Co-PI). Source: Research Advisory Committee and Veterinary Clinical Sciences, Oklahoma State University, 2010. Budget: \$4,025 USD

Serum antibody titers to core vaccinations in endurance sled dogs. Hinchcliff, KW, **Banse HE**, Nelson S Jr. Source: International Sled Dog Veterinary Medical Association and Fort Dodge, Inc, 2006. Budget: \$4,600 USD

Prevalence pilot study of gastrointestinal parasites in Iditarod sled dogs. **Banse HE**, Nelson S Jr. Source: International Sled Dog Veterinary Medical Association and State of Alaska Department of Environmental Health, 2005. Budget: \$4,000 USD

*Student/trainee

Honors and Awards:

Teacher of the Year, LSU SVM (Class of 2023), 2022

Teacher of the Year, LSU SVM (Class of 2022), 2021

Dean's Teacher Merit Honor Roll, LSU SVM

- 2024 (Years 1, 3, 4)
- 2023 (Years 2, 3)
- 2022 (Years 2, 3)
- 2021 (Years 2, 3, 4)
- 2020 (Years 2, 4)
- 2019 (Years 2, 3, 4)
- 2018 (Year 3)

Faculty Fellow, LSU Learning and Teaching Collaborative, 2020-2021

- Appointed as one of 12 faculty campus-wide to lead professional development in instruction across LSU

OSU Phi Zeta Research Day, 1st Place, Graduate Student Clinical/Applied Research, 2012

EQUUS Foundation Research Fellow, 2011

Philanthropic Educational Organization Scholar Award, 2011

Phi Zeta (inducted, 2007)

Research Scholar, Washington State University, 2004-2006

Summer Research Fellowship, Washington State University, 2005

Professional Service

2021-Present

Spectrum of Care Initiative Task Force/Working Group, AAVMC

2023-Present	Co-Chair, “Advocate” Sub-Group, AAVMC’s Competency-Based Veterinary Education Working Group
2023-Present	ACVIM Forum Program Committee: Assistant Chair (2023); Chair (2024-2025)
2023-2025	Graduate Outcomes Assessment Task Force, AAVMC
2022-2025	Council on Outcomes-Based Veterinary Education (COVE
2023-2024	AAVMC’s Spectrum of Care Change Agents
2022-2024	Secretary, Academy of Veterinary Educators (AVE)
2022-2024	Continuing Education Committee, Academy of Veterinary Educators: Chair (2022-2023); Member (2023-2024)
2020-2024	Member, Southeast Veterinary Education Collaborative (SEVEC) Steering Committee
2022-2024	AAVMC’s Academic Affairs Committee
2021-2024	SEVEC Veterinary Education Research Committee
2023	Rapid Blueprinting Advisory Committee, International Council for Veterinary Assessment (ICVA)
2022-2023	SEVEC Peer Evaluation of Teaching Committee
2020-22; 2017-19	Equine Programs Committee, American Association of Equine Practitioners (AAEP)
2022	Co-Chair, Faculty Development and Curriculum, “Catalyze” Sub-Group, AAVMC’s Competency-Based Veterinary Education (CBVE) Working Group
2022	Reviewer, Equine Guelph Research Committee
2020-2022	American Association of Veterinary State Boards (AAVSB) Program for Assessment of Veterinary Education Equivalence (PAVE) Committee (AAVC representative)
2021	Reviewer, Hong Kong Jockey Club Equine Welfare Research Foundation
2014-2021	Scientific Advisory Council, Horses and Humans Research Foundation
2018-2020	ACVIM Case Report/Case Writing Assessment Committee
2017	Reviewer, DuMont Equine Research Fund, University of Saskatchewan
2014-2017	ACVIM (LA) Credentials Committee
2012-2016	ACVIM Equine Forum Planning Committee

Arkansas State University

08/24-12/24	Search Committee Chair, Associate Dean for Student Programs and Admissions
08/24-04/25	Search Committee Chair, Associate Dean for Professional Education
01/24-Present	Led faculty searches: Small Animal Clinical Skills, Equine Clinical Skills, Livestock Clinical Skills, Anatomy, Virology, Microbiology
07/24-Present	Deans’ Council
03/25-Present	Faculty Awards Committee

LSU Service: University

2022-2023 **Courses and Curriculum Committee**; monthly meetings; reviewed all new courses campus-wide

LSU Service: SVM

01/24-07/24 **Search Committee Chair**, Director of Clinical Reasoning Education
01/23-03/24 **Search Committee Chair**, Assistant/Associate Professor and Director of Surgical Skills
01/22-07/24 Led curriculum redesign teams organized by thread (e.g, clinical skills, clinical reasoning) or body system (e.g., cardiovascular, nervous) in development of integrated, cross-disciplinary courses for the new curriculum (years 1-3)
10/20-07/24 **Deans' Council**
09/19-07/24 **Courses and Curriculum Committee** (ex-officio)
09/19-07/24 **Scholastic Standards Committee** (ex-officio)
06/18-07/24 **VCS Research Committee**
03/24-04/24 **Peer Review Committee**
03/24-05/24 **Search Committee Chair**, Instructor of Anesthesiology
12/23-4/24 **Search Committee Chair**, Director of Education for Veterinary Technology
04/23-01/24 **Search Committee Chair**, Assistant Professor of Curricular Analytics
04/23-08/23 **Search Committee Chair**, Instructional Designer
03/23-05/23 **Search Committee**, Administrative Assistant
03/23-08/23 **Search Committee**, Assistant Professor of Pathology and Clinical Skills
01/23-04/23 **Search Committee Chair**, Assistant Professor and Director of Clinical Skills
05/22-04/23 **Search Committee Chair**, Assistant Professor of Veterinary Practice Skills
05/22-01/23 **Search Committee Chair**, Chair and Associate/Assistant Professor of Veterinary Practice Skills
04/20-05/23 **Co-Chair, Clinical Skills Program**
06/18-12/22 **LSU Vet Med Teaching and Learning Academy**; founder
07/19-08/22 **Chair, Curriculum Review Committee**
01/22-05/22 **Director, Graduate Certificate in Teaching in the Health Professions Program**; oversight of two students in the program
02/22-04/22 **Search Committee**, Assistant Professor of Equine Medicine
07/21 **Search Committee**, Curriculum and Academic Coordinator
09/20 **Search Committee**, Clinical Skills Technician
2018-2022 Interviewed applicants for admission to LSU SVM (6 hours/year)
2017-2022 Reviewed ~15 folders of applicants for admission to LSU SVM/year
06/20 **Search Committee**, Clinical Skills Instructor
02/18 **Search Committee**, Theriogenology Instructor

University of Calgary Service

02-06/17 **Search Committee**, Assistant Dean-Admissions

05/15-06/17	Admissions Committee
04/15-06/17	UCVM Undergraduate and Teaching Awards Committee
01/14-06/17	Second Year Teachers' Committee
02/2016	Graduate Awards Committee
04-07/15	Search Committee, VCDS Department Head
04-07/15	Search Committee, Large Animal Surgeon
10/14-12/15	Internship Committee
08/14-12/15	Internship Research Fund Review
04/14	Veterinary Education Research Fund Review
12/13-4/14	4th year Assessment Review Committee
01-04/14	Area of Emphasis Review Committee
05-07/13	Search Committee, Equine Performance Horse Health
05-07/13	Search Committee, VCDS Department Head

Students/House Officers Supervised and Graduate Committee Memberships

Graduate students/House Officers advised

Advisor (PhD) and Residency Mentor: Linda Paul, DVM, Diplomate, ACVIM-LA, PhD (PhD Student and Equine Internal Medicine Resident, LSU SVM 07/2018-12/2023)

**Selected as the EQUUS Foundation for the Horse Research Fellow, 2022*

Internship Advisor: Lindsay Knott, DVM (Intern, Equine Medicine and Surgery, 2018-2019)

Supervisor (equivalent to Advisor): Sarah Pedersen, DVM, MSc (MSc student and Sport Horse Medicine Clinical Fellow, University of Calgary 06/2013-07/2017)

Graduate Committee Memberships:

Kalie Beckers (DVM/PhD student, 08/19-04/23)

Rizaldy Zapata (PhD student, 09/13-08/17)

Arashdeep Singh (PhD student, 09/13-08/17)

Dean's Representative:

Yunxia Wang (PhD student, 01/2018-08/2023)

External Examiner (Thesis):

Kate Kemp (PhD student, University of Queensland, 2024)

Summer research students (DVM and undergraduate):

Meera Patel (LSU SVM Class of 2023), 2021 (Funding: Summer Scholars Program)

Elizabeth Rumfola (LSU SVM Class of 2022), 2020 (Funding: Summer Scholars Program)

Megan Ricord (LSU SVM Class of 2021), 2019 (Funding: Summer Scholars Program)

Nicolas Garcia-Abarca (LSU SVM Class of 2020), 2018 (Funding: Equine Health Studies Program)

Kira Moser (UCVM Class of 2019), 2017 (Funding: Summer Undergraduate Research Experience)

Kirianna Crowe (BS, University of British Columbia, 2016), 2015

Heath MacLeod (UCVM Class of 2017), 2014 (Funding: VCDS Department)
