EMPLOYMENT EXPERIENCE

Advanced Practice Registered Nurse June 2024 – Present
Baptist Paragould Women's Clinic/Family Practice/Urgent Care – Paragould, AR

- Provide women's health exams including gynecological exams, breast exams, pap smears and STI testing
- Provide routine obstetric care for expecting mothers
- Responsible for assessing patients, implementing pharmacologic and non pharmacologic interventions, ordering and interpreting diagnostic tests, monitoring effectiveness of therapy, and collaborating with multidisciplinary team.

Advanced Practice Registered Nurse October 2021– June 2024
Apache Drive Children's Clinic – Jonesboro, AR

- Provides primary care to pediatric patients from birth to 21 years of age.
- Responsible for assessing patients, implementing pharmacologic and non pharmacologic interventions, ordering and interpreting diagnostic tests, monitoring effectiveness of therapy, and collaborating with multidisciplinary team.
- Responsible for assessing growth and development during well child exams and making appropriate referrals for therapies or additional developmental testing.
- Provide telehealth visits for patients when appropriate based on patient's chief complaint.

Advanced Practice Registered Nurse August 2016 – October 2021
Doctor's Health Group – Paragould/Rector/Piggott, AR

- Provided primary care to children and adults.
- Responsible for assessing patients, implementing pharmacologic and non pharmacologic interventions, ordering and interpreting diagnostic tests, monitoring effectiveness of therapy, and collaborating with multidisciplinary team.

Care Coordinator/Registered Nurse July 2013 – August 2016
St. Bernards Clopton Clinic – Jonesboro, AR

- Provided pre-visit planning, education, care-planning and support to high risk patients.
- Worked with insurance providers, physicians, and patients to identify and fulfill gaps in care.
- Responsible for inpatient and emergency department follow up contact with patients to ensure proper understanding of discharge instructions, medications, follow up appointments, and to identify any potential problems which may result in readmission.

Registered Nurse June 2012 – July 2013
St. Bernards Medical Center (Critical Care) – Jonesboro, AR

- Responsible for assessing and evaluating patients' condition and implementing care as needed.
- Communicated patient needs and plan of care with doctors and other health care professionals.
