- **Institute for Rural Initiatives:** The IRI has a broad mission with a multidisciplinary focus that involves significant interaction with community stakeholders across the rural-urban continuum with recent external federal, state and foundation funding to explore health, elections, culture and policy across the Delta and beyond.
- **New enrollment initiatives:** New heights in enrollment, with record gains in freshmen, transfers, international students, and graduate enrollment.
- **Accelerated pathways:** Freshman-to-MD (with NYIT) and Freshman-to-DVM pipelines as well as 3+1 programs with law schools have exponentially increased applications and high-achieving/honors student interest.
- **New university website:** Complete transformation of the university website to assist both internal and external constituents with a more user-friendly portal to the institution.
- **Transition to professional advising:** Implementation of professional advising, which contributed to record increases in retention across all levels allowing efficient staffing of courses and streamlining academic scheduling.

ADMINISTRATIVE RESPONSIBILITIES AS SVP AND VCAAR (Fall 2022-June 2026)

- Report directly to the Provost and Executive Vice Chancellor for Academic Affairs and serve as the liaison for the chief academic officer of the university, running the day-to-day operations of Academic Affairs and act on their behalf when absent.
- Direct oversight over all faculty affairs, faculty hiring, academic policy, matters related to graduate and undergraduate programs, degree and curriculum development, MOUs, 2+2, transfer agreements, international agreements and academic integrity.
- Steward the Chairs Leadership Council through regular monthly meetings where I provide leadership training to department chairs and program directors. Engage members in various professional development opportunities to establish a leadership pipeline and advancement opportunities.
- Serve as the Provost's representative to the Arkansas Department of Higher Education and the Arkansas Higher Education Coordinating Board controlling the development of policies and protocols for all graduate and undergraduate programs, including curriculum proposals and new programs and degrees, and submitting all required documentation to ensure institutional compliance with all state education policies and appearing before both bodies to provide testimony and defend all proposals.
- Work directly with the Provost, deans and chairs in developing, budgeting, managing and oversight of academic planning for the university and its ten colleges, which include the College of Liberal Arts and Communication, Neil Griffin College of Business, College of Engineering and Computer Science, College of Agriculture, College of Education and Behavioral Science, College of Nursing and Health Professions, College of Sciences and Mathematics, the College of Veterinary Medicine, the Graduate School and University College.
- Direct supervision of Academic Policy and Procedures, Academic Student Services, the Center for Excellence in Teaching and Learning, the Dean B. Ellis Library, the A-State Museum and the Department of Military Science A-State Heritage Sites (Historic Dyess Colony: Johnny Cash Boyhood Home, Hemingway-Pfeifer Museum and Educational Center, Lakeport Plantation, Southern Tenant Farmers Museum and Historic V.C. Kays House) with over \$6 million annual HR budget and millions in operational funds and external grants. 8 direct reports and 52 indirect reports span the state, offer numerous opportunities for community engagement and involve significant decisions regarding budgets, staffing, events, travel and resource allocation.
- Manage all faculty and academic staff position requests, Centralized Academic Course Scheduling and the University Academic Calendar.
- Represent the Provost on the Graduate Council, Undergraduate Curriculum Committee, Undergraduate Enrollment and Academic Policies Committee, Shared Governance Oversight Committee, University Planning Committee, Sponsored Programs Committee, Faculty Handbook Committee, Faculty 180/University-Promotion, Retention and Tenure, Academic Calendar Committee, General Education Committee, Middle East Studies Grant Committee and Faculty Senate.
- Work with the Higher Learning Commission and a host of specialized accreditors and regularly represent the academic affairs division on select internal and external commissions, committees and task forces and interface regularly with our university system director of external relations, university budget foundation and the university system legal division.

ACCOMPLISHMENTS AS VCAAR (Spring 2022-July 2026)

- ***Developed Central Course Scheduling and Increased Tuition Revenue*** – Co-led the initiative to choose a centralized course scheduling software, CourseDog™ to more efficiently schedule courses, utilize campus classroom space effectively and allow real time adjustment to accommodate enrollment growth and changes, eliminating reliance on course overloads and redundant term faculty to exponentially grow regular semester and summer course tuition revenue.
- ***Led Successful Strategic Program Review*** - Chaired, developed metrics and reporting requirements for the university's first Program Viability Taskforce to review all 160 academic degree programs to prioritize, transform or grow high-impact academic programs to optimize recruitment, retention, resource allocation and demand and identify underperforming programs for improvement, transformation or deletion (report delivered and process ongoing).
- ***Successful Completion of Implementation of Financial Sustainability Measures***
Implementer for the EAB Financial Sustainability process at A-State. This has involved creating metrics to determine successful outcomes for new programs/degrees and making decisions regarding resource allocation and reallocation of faculty and resources to current or new programs.
- ***Launched New Research Institutes, Programs and Degrees*** - Oversaw the creation or reconfiguration and launch of the following research centers, programs and degrees for traditional, online and hybrid delivery and for our campuses in Queretaro, Mexico and Doha, Qatar: College of Veterinary Medicine *DVM*, The Institute for Rural Initiatives, *M.S.*, Artificial Intelligence Center of Excellence, Civil Engineering, *M.S.*, Electrical Engineering, *M.S.*, Mechanical Engineering, *M.S.*, Engineering Management, *M.S.*, Applied Digital Technology, *M.S.*, Organizational Leadership, *B.S.*, Electrical Systems Engineering, *B.S.*, Mechanical Systems Engineering, *B.S.*, Construction Management, *B.S.*, Actuarial Science, *B.S.*, Hospitality and Event Tourism Management, *B.S.*, Industrial Systems Engineering, *B.S.*, Public Health, *B.S.*, Computer Systems Engineering, *B.A.*, Organizational Leadership, *B.S.*, Biochemistry, *B.S.*, Fashion Merchandising and Marketing, *B.S.*, Information Systems Audit and Control, *B.S.A.*, GIS and Precision Agriculture.
- ***Development of New Doctoral Programs*** - Worked with colleges to develop upcoming proposals for three new Ph.D., and one DVM program (Engineering Management, Business Administration, Higher Education Administration, Veterinary Medicine).
- ***Secured Resources to Increase Community Participation on Campus*** - Led the subcommittee for the development of the community participation portion of A-State's five-year strategic plan, "Discover 2025," which has 5 pillars. Secured resources to increase community participation on campus by 10%, increased and secured resources for internships, cooperative agreements and business and industry agreements by 10%, secured resources and increased MOUs, working agreements and formal interactions with local and regional organizations by 10%, located funding to increase participation by students and potential students in diversity initiatives by 15%, created initiative to establish advisory councils in all colleges, departments and programs and led charge to seek endorsement by the Carnegie Foundation as a Community Engaged Institution.
- ***Launched New Initiatives for Teaching Excellence*** – Full implementation for 35 faculty members per year to receive professional development training thru the Association of College and University Educators (ACUE) thru the Center for Excellence in Teaching and Learning. Led the selection of and change in LMS from Blackboard to Canvas and oversaw the creation of training programs for online and traditional faculty. Created the program and submitted a grant for a *Teaching Fellows Program*.

- **Successful Increase of Grant Funding for Arkansas Heritage Sites** - Oversaw recent submission and award of \$1.9 million grant for Arkansas Heritage Sites for the Southern Tenant Farmers Union Museum from the Arkansas Natural and Cultural Resources Council (ANCRC), a \$594,000 grant from ANCRC for renovations at Lakeport Plantation and \$142,713 grant from the Delta Regional Authority to conduct a strategic plan to attain National Heritage Area status.
- **100% Increase in Faculty Professional Development Grants** - Proposed and implemented increased funding for university-wide faculty orientation professional development grants funded thru the Provost's Office and awarded at the Fall Faculty Conference.
- **Created Cost Saving Collaborations** - Initiated a study for a unified library services initiative across all university system campuses to identify and establish a central or shared budget to pay for system-wide subscriptions and purchases at significant staff and cost savings.
- **Significantly Changed Curriculum Development** - Led the change to and implementation of *Curriculog* software to simplify and streamline and better track undergraduate and graduate curriculum proposals to ensure transparency and accuracy in all new proposals.
- **Overhaul of Programming for New Faculty Orientation** - Developed, implemented and oversaw new programming for New Faculty Orientation that involved emphasis on the research enterprise including the grant process and management, research and technology transfer and intellectual property protocols.
- **Created an Academic/Faculty Work Life Survey** – Created a survey that asks faculty and other academic instructors about their workloads, feelings about the work they do, level of institutional support, perceptions of departmental climate, intentions to stay at A-State, and life outside of A-State and how that impacts their faculty responsibilities. The data collected will allow for the development of actions plans to recruit and retain a diverse, world class faculty and address any negative trends while reinforcing any positive findings. To be repeated on a 4-year rotation.
- **Enhanced Faculty Recognition** - Developed and implemented new criteria for the Chancellors Research Medal Award Faculty Research Award processes and developed criteria and implemented the newly created Provost's Medal for Excellence in Instruction.
- **Oversight of the Middle East Studies Grant Program** -recently awarded 1 faculty research grant \$10,000 (Doha, Qatar) and 6 student Arabic language fellowships to Morocco (\$7500 per student).

ACCOMPLISHMENTS AS CHAIRPERSON AND MPA DIRECTOR (2008-21)

- **Record Student Recruitment, Growth and Retention** - Grew the traditional modality of the MPA program from 26 to a high of 45 students. Created and led the launch of the online Master of Public Administration (MPA) program and growth to over 300 students. Increased traditional undergraduate majors to 120 and saw great growth in SCHs. Also, created and led the launch of the online BA in Political Science program, grew from 0 to 45 students in 2 years and continues to thrive. Increased retention rates for first time freshman from a low of 55% to 78%.

- ***Exponential Growth in Department Revenue*** - Created and implemented a department revenue sharing model for the MPA and BA Political Science program (30% share for MPA, 25% share for the BA) that has become the model for all online graduate and undergraduate programs across the university. Led the realization of \$8 million in MPA gross revenue from 2012-21.
- ***Created New Graduate Pathways*** - Created and established accelerated 4+1 programs for the MPA and MA Programs in Political Science that is often used as the model for accelerated graduate programs across campus allowing students to earn bachelor's and master's degrees in 5 years.
- ***Record Fundraising and Donor Outreach*** – Spearheaded donor funding for the Dr. Stanley Vanagunas Public Administration Scholarship, Price and Sara Gardner Pre-Law Scholarship and the Dr. Jane Gates Public Service Scholarship. There were previously no departmental scholarships prior to my being chair.
- ***Launching the John V. Phelps and Tow W. Womack Pre-Law Center*** – Secured donor funding and oversaw the design of the John V. Phelps and Tow W. Womack Pre-Law Center. This is the only fully endowed and named pre-law center in the state.
- ***Significantly Increased Faculty Support for Teaching and Research*** – Used revenue sharing to increase research funds for new Political Science faculty from \$600 per year up to \$5000. Increased funding for professional development for Political Science faculty for domestic and international travel from \$500 per conference to \$2500. Invested and significantly increased spending for faculty technology upgrades and classroom technology upgrades and lab software to better facilitate teaching, research and learning. Established state of the art, 35-person computer lab to facilitate faculty and student research.
- ***Launching and Enhancing Research Infrastructure*** - Co-developed, created and wrote a successful grant for funding for the Center for Social Research (CSR), a campus based 16-station computer assisted telephone survey center (served as co-director until I became MPA director). Led incorporation of the social sciences into the Arkansas Biosciences Institute and spearheaded efforts through the Arkansas Biosciences Institute in the social sciences where I worked closely with the faculty, department chairs, deans, and senior university leadership to facilitate collaborative and multidisciplinary research within A-State and between partner institutions, industry, and government research organizations.
- ***Grew the Faculty Ranks and Increased Compensation*** – Increased the number of full-time faculty members from 11 to 14. Added additional clinical faculty to accommodate exponential growth in online programs and added online program coordinators for those respective programs. Led the charge and funded increase in starting pay for new Political Science tenure-track faculty by a minimum of \$5000. Led and funded successful initiative to increase pay for adjunct faculty per class from \$2100 to \$5000.
- ***Successful NASPAA Accreditation*** - As MPA Director wrote self-study reports and as chair led three successful accreditation renewals for the MPA program.
- ***Commitment to Student Success*** - Created and funded a full-time department academic advisor position to travel and recruit students and coordinate the First Year Experience course and free faculty to engage in more research, teaching and service activities and to establish continuity for students throughout their academic career. Co-led new undergraduate academic misconduct policy initiative to facilitate more equitable and timely processes for both faculty and students. Facilitated the first ever Congress to Campus program. Secured funding for internships in the state capitol and Washington, D.C.
- ***Significant Commitment to Faculty and Student DEIB*** - Oversaw the hire of three African-American faculty members (two female, and all remain in the department), four

- female faculty members and numerous African-American and female clinical faculty, as well as one Latinx clinical faculty member. Led initiative and mentored URM students in pursuit of undergraduate national Public Policy and International Affairs Fellowship opportunities (four awarded since 2019). Recruited and mentored first African American male to win the Wilson Award (the university's highest undergraduate honor). Two additional department females have also since won the award. Led data requests and analysis, public presentations and gained approval of a university-wide, test optional, holistic admission policy to support our diversity, equity and inclusion initiatives.
- ***Significantly Increased Community Outreach*** - Created and implemented the Jonesboro Quality of Life survey series to provide citizens and local officials insight into issues facing the community. Led initiative and established relationship with the Alliance for Rural Impact to create a program to provide graduate grant writing interns and to serve economically challenged locales in the Mississippi River Delta.
 - ***Coordinated College Online Degree Programs*** - Coordinated all online degree programs in the College of Liberal Arts and Communication 2016-21 including Criminology, Sociology, Communication Studies, Creative Media Production, Media Management and Strategic Communication.
 - ***Successful Student and Faculty Recruitment and Retention During the Covid-19 Pandemic*** - Served as the chair's council representative on the Provost's Task Force for the Continuity of Teaching, Learning and Discovery in preparation for the Fall 2020/Spring 2021/Fall 2021 to deal with COVID-19 pandemic issues. Oversaw the implementation/conversion of all Political Science and MPA classes to on-line and hybrid modalities during the campus closure due to COVID-19. Successfully hired two Political Science tenure-track faculty members via remote methods.
